Public is invited to 30th Anniversary party at Florida Sheriffs Boys Ranch October 2, 3 and 4, 1987

COVER PHOTO: On August 20 Governor Bob Martinez visited the Boys Ranch to sign a proclamation designating October 2, 1987, as "Florida Sheriffs Youth Ranches Day." Witnessing the signing were Florida Sheriffs Association President Joe Sheppard (left), Youth Ranches Board Chairman Don Moreland and four Youth Ranches youngsters. The boys and girls are (from left) Mike Williams, Christina Jones, Jason Willever and Jessica Hoffman.

Accompanied by Florida Sheriffs Association President Joe Sheppard and a delegation of Youth Ranches youngsters, the Governor visited a 30-foot symbol that will be the center of attention during the Youth Ranches anniversary celebration, October 2, 3 and 4.

The Florida Sheriffs Youth Ranches will be 30 years old on October 2, 1987, and we are going to celebrate with a three-day anniversary party that will be open to the public.

The celebration will be held October 2, 3 and 4, 1987, at the Florida Sheriffs Boys Ranch, birthplace of a bold 1957 venture that has since evolved into a statewide network of child care facilities and services. The Boys Ranch is nine miles north of Live Oak, and approximately midway between Tallahassee and Jacksonville.

One of the highlights will be a horse show that is scheduled to begin Friday, October 2, and continue through October 3 and 4. Camping facilities will be available for competitors and spectators. Guests arriving on the opening day will be served a chicken pilau dinner.

Featured on Saturday, October 3, will be an address by Lieutenant Governor Bobby Brantley; a midday barbecue on the banks of the Suwannee River; a tour of Boys Ranch facilities; and an evening of country western entertainment.

Lieutenant Governor Bobby Brantley.

The program for Sunday, October 4, will include a morning worship service and the concluding events of the horse show.

As a prelude to the anniversary celebration, Governor Bob Martinez signed a proclamation designating October 2, 1987, as "Florida Sheriffs Youth Ranches Day," and urged all Florida citizens to recognize Youth Ranches achievements "that have brought national attention to the State of Florida."

Sponsored by the Florida Sheriffs Association, the Youth Ranches agency traces its history to the founding of the Florida Sheriffs Boys Ranch in 1957. Currently it is also operating the Youth Villa near Bartow, the Youth Ranch near Clearwater, the Youth Camp near DeLand, and the Caruth Camp near Inglis.

Services of the agency include professional counseling for children and their families. Over 3,000 boys and girls have been served since 1957.

When Governor Martinez arrived at the Boys Ranch, Tina DiGiulio, a Youth Villa resident, placed a gold Youth Ranches star on his lapel. He also received a Youth Ranches hat and T-shirt.

Honor Roll

Roster of Builders

To protect our donors from receiving unwanted solicitations and junk mail, we have discontinued printing their home towns when we print their names. This became necessary after we learned that certain organizations of questionable legitimacy were adding our donors to their mailing lists. As long as the home towns are not revealed, this will be extremely difficult to do. We want our donors to know that we have never permitted other organizations to use our lists of supporters, and we will continue to do everything possible to preserve their privacy.

This Honor Roll gives special recognition to generous supporters of the Florida Sheriffs Youth Ranches and its four child care programs: The Florida Sheriffs

Boys Ranch, Youth Villa, Youth Ranch and Youth Camp. Those who give \$100 or more receive "Builder" Certificates, and their names and pictures are printed in *The Rancher*. Those who give \$1,000 or more receive a Lifetime Honorary Membership in the Florida Sheriffs Association, and their names and pictures are printed in *The Sheriff's Star*, official publication of the Florida Sheriffs Association. A large wall plaque is awarded to each Lifetime Honorary Member, and gold stars are added when that person's total gifts reach \$5,000 (one star); \$10,000 (two stars); \$15,000 (three stars); \$20,000 (four stars) and \$25,000 (five stars). For those whose gifts total \$50,000 or more, there is a Golden Star Award.

Golden Star Presentation

ST. PETERSBURG — During a wrestling match held in memory of the late Eddie Graham for the benefit of the Florida Sheriffs Youth Ranches, a Golden Star Award was presented posthumously to Eddie Graham and accepted by Jim Crockett, representing Championship Wrestling From Florida, Inc. Involved in the presentation were (from left) Roy Lawrence, a Florida Sheriffs Boys Ranch alumnus; Youth Ranches President Harry K. Weaver; Pinellas County Sheriff Gerry Coleman; Crockett; Youth Ranches Regional Director Fred "Mac" Stones; Florida Sheriffs Association President Joe Sheppard; and Gordon Solie, representing Championship Wrestling from Florida, Inc. (Eddie Graham's involvement with the Youth Ranches covered many years and included serving on the governing Board.)

THE FLORIDA SHERIFFS YOUTH RANCHES IS . . .

A charitable, non-profit corporation, sponsored by the Florida Sheriffs Association, to manage and operate the Boys Ranch, Youth Villa, Youth Ranch, Youth Camps, and any other Youth programs that might later be developed by the Florida Sheriffs Association. An important function of the Youth Ranches is the raising, receiving, budgeting, and disbursing of funds for its programs. The Youth Ranches and its programs are supported almost entirely by voluntary gifts. Gifts and bequests can be made to the Youth Ranches for the exclusive benefit of any single program, such as the Boys Ranch, Youth Villa, Youth Ranch, Youth Camp, or Caruth Camp, or they may be made without restriction, to be distributed among existing programs as most needed or to be used for the development of new programs at the discretion of the Governing Board. Youth Ranches Central Offices are co-located with the Boys Ranch.

MAILING ADDRESS — Florida Sheriffs Youth
Ranches, Boys Ranch, Florida, 32060
Telephone: 904/842-5501

BOYS RANCH IS . . .

A residential group child care program for Florida's neglected, unsupervised, and troubled boys between the ages of eight and eighteen. It is not an institution for juvenile delinquents. The Boys Ranch is sponsored by the Florida Sheriffs Association and operated by the Florida Sheriffs Youth Ranches. It was founded in 1957 and currently has approximately 108 boys in residence at any given time. The Boys Ranch is located in North Florida, about half-way between Jacksonville and Tallahassee and nine miles north of the town of Live Oak on County Rd. 795. Telephone: 904/842-5555

YOUTH VILLA IS . . .

A similar program for boys and girls located two miles east of Bartow, Florida, on Route 60. Originally conceived by the Sunshine State Women's Chamber of Commerce of Madeira Beach, Florida, the Youth Villa was adopted as a project of the Florida Sheriffs Association in 1970. The first buildings were completed and the first children admitted in 1972. There are approximately 50 boys and girls in residence at any given time. Telephone: 813/533-0371

YOUTH RANCH IS . . .

A residential group child care program of the Florida Sheriffs Youth Ranches. It was founded in 1976 and opened in 1978. It is located just east of the intersection of the McMullen-Booth Road and County Road 102 (Enterprise Road) near Clearwater, Florida. The Youth Ranch has approximately 30 boys and girls in residence at any given time. It provides care in a homelike environment for brothers and sisters who are neglected, unsupervised and troubled boys and girls. Telephone: 813/725-4761

YOUTH CAMP IS . . .

A facility which operates a Wilderness Camping Program and a Summer Camping Program for boys and girls. The 200-acre campsite is located one mile northeast of Barberville, near DeLand. Campers are normally selected from among boys and girls who have had Requests for Service submitted to the Youth Ranches on their behalf. Many of these youngsters are already on the waiting list for admission to Youth Ranches residential facilities. The camping program was initiated in 1981 and moved to its present location in late 1982. Ph: 904/749-9999

CARUTH CAMP IS . . .

A Wilderness Program for an eventual capacity of 54 boys and girls situated on an approximately 240-acre site 14 miles north of Crystal River, off U.S. Highway 19, near Inglis. This program was established through the generosity of Mr. and Mrs. W. W. Caruth, Jr., of Dallas, Texas. The Caruths are the owners of The Plantation Inn and Golf Resort in Crystal River. The program began in 1986. Telephone: 904/447-2304

Howard twins first to benefit from the Girls Villa to Youth Villa transition

The Howard twins — George and Georgette — have had a lot of breaks — some good and some bad.

First came a series of bad breaks that created an unhappy and intolerable situation at home.

Then the Florida Sheriffs Youth Ranches agreed to give them a temporary home away from home, and to provide professional counseling aimed at improving the family environment. That was a terrifically good break, except for one hitch.

Normally the twins would have been enrolled at the Youth Ranch, near Clearwater, a co-ed facility that would have made it possible for them to live on the same campus.

Instead, because the Youth Ranch had no vacancies, George went to the Boys Ranch, near Live Oak, and Georgette went to the Girls Villa, near Bartow.

Now they were 200 miles apart and facing what looked like another bad break until, by a happy coincidence, Youth Ranches officials reached a carefully debated decision to admit boys to the Girls Villa and change the name to Youth Villa.

The change took place midway in 1987, and George Howard was transferred to the Youth Villa on August 10. This brought the twins together again, and, in their 17 years of ups and downs, it surely must have seemed to be the best break of all.

Keeping brothers and sisters together was only one of many objectives prompting the decision to make the Girls Villa a co-ed facility. Youth Ranches officials also felt that going co-ed would increase outdoor activities, reduce the number of discipline problems, improve the work performance of the youngsters, and encourage natural, wholesome relationships.

George and Georgette Howard, together again.

Those objectives are being achieved, according to a report prepared near the end of August, and, although the staff is facing some unique challenges, the Girls Villa to Youth Villa transition is said to be progressing successfully.
