# President's Perspective

A message from Roger O. Bouchard, Jr.  
President of the Florida Sheriffs Youth  
Ranches, Inc.

Thanks to you, our generous donor family, hundreds of boys and girls had a "summer camp" experience they will never forget. Many of these children spent a week at one of our beautiful Youth Camps where they slept in cabins and spent their days canoeing, fishing, riding horses and learning new songs and activities. Other youngsters went to a "day camp" right in their own community. All enjoyed fun and games combined with law enforcement demonstrations to reinforce the theme that "Law Officers Are Your Friends."

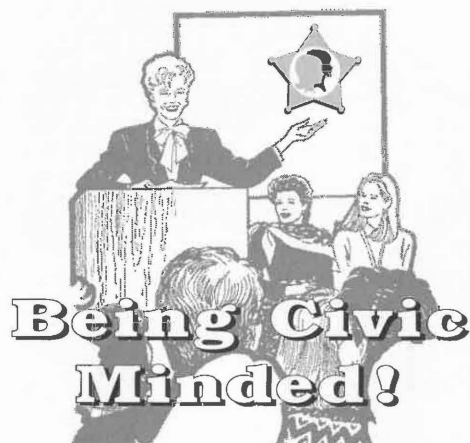

The friendship that develops between the campers, staff and law officers is a critical part of this unique summer camp experience. Many of these children come from backgrounds and neighborhoods where there is a mistrust of law enforcement. Our goal is to replace this suspicion

with friendship and a deep respect. I can assure you when they leave the camp, these youngsters look differently at the uniformed men and women who serve and protect our communities.

Over the past 47 years, the Florida Sheriffs Youth Ranches has touched the lives of thousands of young people and offered them hope for a more positive future. By teaching the skills they need to live a lawful and productive life, we set them on the course to success. Our close association with law enforcement sets us apart from other child caring programs and has made us an organization that is one of Florida's greatest treasures.

Because we are supported by charitable gifts, we have been able to maintain our principles and integrity through economic and political ups and downs. I would like to thank you for your support of the Youth Ranches and your part in changing the lives of our children.

Roger Bouchard, President

# Jessica is Considering a Very Caring Career!

**J**ust over one year ago, Jessica came to live at the Youth Ranch in Safety Harbor. Initially, she had been offered the opportunity to live in a cottage on campus geared toward independent living. She had obtained her GED and yearned for the freedom of adulthood.

However, with that freedom, also came responsibility. Jessica quickly realized she would be much more successful in a more structured environment. She transferred to a different cottage with a bit more supervision and guidance.

Jessica thrived in this new setting. She enrolled in St. Petersburg College and began to take a few basic courses. She soon expressed an interest in caring for animals and obtained a job at the local Humane Society.

"I really enjoy working with the cats and dogs. Some of them have been abused and abandoned; others are brought here because their owners just can't care for them any longer," said Jessica. "I want to become a 'Vet Tech' and I think this experience will help me reach that goal."

Jessica has received praise for her dedication from both her supervisor and her Cottage Parents. Working full time and going to school part time, she has demonstrated great

**Jessica enjoys her job at the Humane Society. She selected Mason, a retired racing greyhound, as an example of the kind and gentle dogs available for adoption.**

initiative and enthusiasm for her future.

Recently, the Youth Ranch in Safety Harbor received a 1996 Oldsmobile Cutlass Supreme donated by the Pinellas County Sheriffs Office Boot Camp Cadets. The refurbished vehicle was specifically designated to be given to a deserving youth who earned the privilege of using the vehicle. Staff outlined eleven different criteria and several different youth applied to receive the car.

One part of the process was to write an essay as to why the youth needed a vehicle. Jessica wrote, "The main reason I would like this car is to get back and forth to work and school. I know I do not have my license, but please don't disqualify me for that. I have just about enough <money> saved for insurance and I am researching driving schools. I am trying to schedule time to take the drug and alcohol (required) classes. I cannot depend on any family member to help me get started with a car or insurance...I have

been working and going to school while keeping up on my responsibilities at the cottage. If this car is not in my future, I still appreciate everything else the ranch has done for me and will work hard to deserve a chance if another car is available."

Needless to say, we felt Jessica was an excellent candidate to receive this car. She earned the privilege and deserved the opportunity to step up to this next level of responsibility. Congratulations Jessica and Drive Safely! ♦

Over the past year, "Pop" and "Mom" Orkney have helped Jessica through some tough times. In their care, she has matured into a beautiful and responsible young woman.

Jessica was so pleased when her cottage parents presented her with the keys to this 1996 Oldsmobile, compliments of the Pinellas County Sheriffs Office "Operation Fender Bender" program.

At the recent awards banquet, Joe Ballard proudly presented Jessica with the Program Director's Award. This is the highest honor given to a youth in residence at the Youth Ranch in Safety Harbor.

# ...Please Come to Camp Anyway!

The brochure she read listed the items each child should bring to camp. ...Jeans, shorts, shirts, bathing suit, socks, underwear, raincoat, shoes, flashlight, sleeping bag and more. It read like a laundry list of basic necessities, but for her family, it was more like a wish list for the holidays.

Her hopes were crushed, and she dreaded telling her son. They had been so excited – a chance to attend this dynamic summer camp for free. Some anonymous, caring person had sent in sponsorship money to pay for her son to attend camp, it was such a blessing for them. But now, with this list of items she knew they didn't have, she felt their dream slipping away.

As she continued reading the list, her eyes began to fill with tears. Then, something changed ~ she read on...at the bottom of the list there was a note in bold print. **If you do not own some of these items, please come to camp anyway!**

On the first day of camp, she clutched the brochure in her hand and approached the registration table. Miss Nelson greeted them with a huge smile and welcomed them to camp. Yes! Her son's name was on the list. Things were going to be fine.

As they moved to the end of the line, Miss Nelson asked them to bring the boy's luggage to the wagon. The mother edged closer, and softly whispered, "This

"Law Officers are Your Friends" is the theme of summer camp. This Deputy Sheriff from Alachua County made sure each camper in his group had all the items they needed for their great adventure at camp.

backpack with stuff was all we had that was on the list. We didn't have enough money to get the other things on the list."

With a quick nod of reassurance and a loud voice, Miss Nelson proclaimed. "OK, everyone, we are all ready to go!" She then leaned over to the mother and said, "He will be fine. Don't worry about a thing."

Tapping the resourcefulness of an Alachua County Deputy Sheriff, Miss Nelson set a plan in motion. The Deputy made contact with Kmart and had four school outfits, underwear, socks, shirts and other

items donated for the boy. Camp staff went to the Florida Sheriffs Youth Ranches Opportunity Store and got him other items including a sleeping bag, suitcase, shoes and a teddy bear.

Children are being helped in so many ways at the Florida Sheriffs Youth Ranches. No child or parent should ever have to worry about not having what they need to attend camp. Because of the generosity of so many caring people in our donor family, we can do what is right for a child in need. ♦

## Summer Camp: An Adventurous Journey for Three Brothers

Hiking, canoeing, camp fires, and high ropes are just a few ingredients for Summer Camp at the Florida Sheriffs Youth Ranches. For brothers Eric, Kyle, and Ridge, camp means an adventure away from home and doing things they love to do. "We get to do neat stuff, the horseback riding, archery, and canoeing are awesome," said Ridge (9). "I enjoy being outdoors and learning about nature," Kyle (10) added.

Summer Camp is designed for boys and girls who normally do not have the opportunity to attend other summer programs. Kids from across the state come to participate in this weeklong program that emphasizes team building, peer relations, communication, and self-confidence. The summer camp program this year served hundreds of children just like Eric, Kyle, and Ridge.

Camp also gives kids the chance to build positive relationships with law enforcement officers. Deputies volunteer their time to work alongside camp staff as they lead, teach, and mentor the children. Deputy Carol Arbitelle of the Indian River County Sheriff's Office has worked with the camping program for seven years in a row. "It's great to be with the kids and see the joy and happiness on their faces as they participate in the activities throughout the week," stated Arbitelle.

At the end of each day, campers gather with their group and counselors around the camp fire for an evening "pow wow." They talk about what they learned throughout the day and how they can apply those lessons to their daily lives. The oldest brother Eric (13) proclaimed camp helped him grow as a person. "I am proud of what I have accomplished and it makes me feel good when I achieve new things." He realized swimming was a talent he never knew he had, until earning the title "fastest swimmer" of his group.

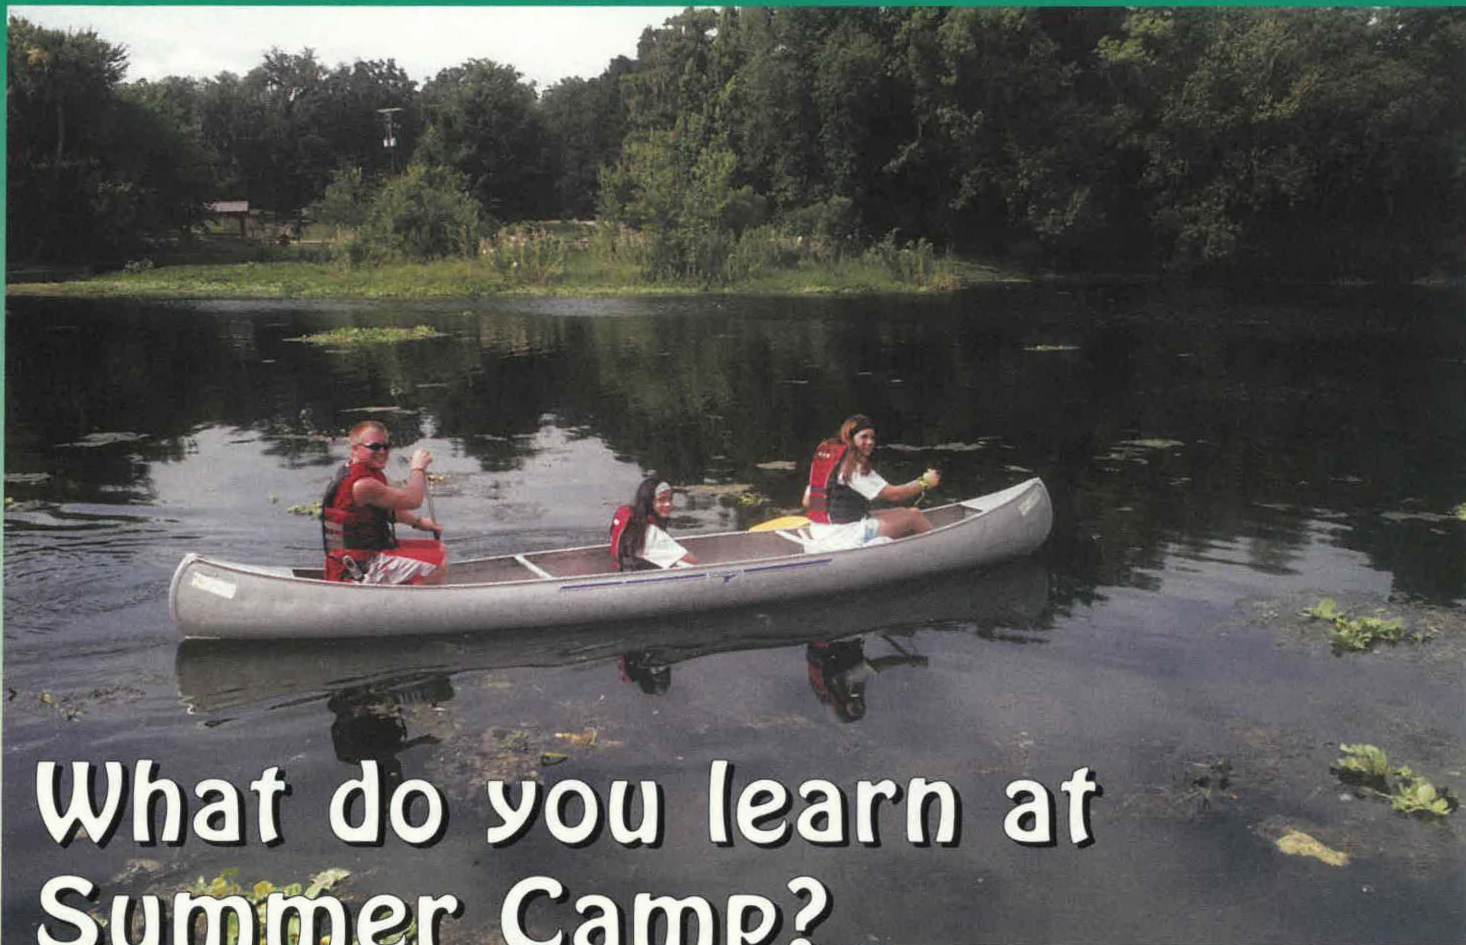

Kyle added, "Camp is fun, it is a great place to meet new friends and learn how to get along with others. The deputies are pretty cool, too."

Faithful volunteers like Deputy Arbitelle experience first-hand how summer camp affects the children, deputies, and others involved. "It's amazing to see the kids when they arrive and then just one week later many are almost in tears when it's time to leave," said Arbitelle. "I know without a doubt, we are making a difference in the lives of these boys and girls." ♦

**Ridge, the youngest of the three brothers, really enjoyed arts and crafts. He and his newfound buddy show off their creativity with slightly mischievous grins.**

**Three brothers had the chance to attend camp together this summer. Kyle, Ridge and Eric join Indian River County Deputy Carol Arbitelle for this photograph during a brief break from the exciting recreational activities.**

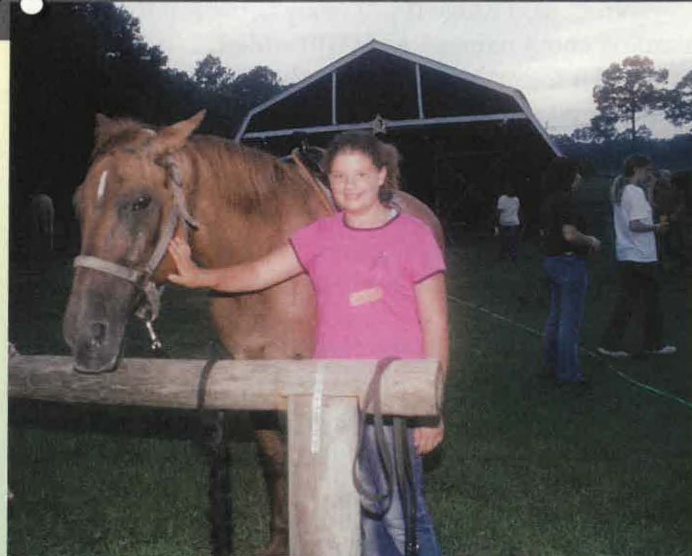

# What do you learn at Summer Camp?

Perhaps, it was something about nature as you spent time in the great outdoors...or maybe, you recall the skits and songs that filled your heart with great joy. For many, like this young boy, (photos on page 9) Summer Camp led to a brand new adventure. For this youngster, Summer Camp will always be the place he learned to ride a bike!

Something so simple, so traditional, so refreshingly wonderful...the freedom and excitement of riding a bike is a wonderful memory this young man will have forever. Thanks to the generous donors who sponsored this boy at camp, he had an attentive and interested Deputy Sheriff who was determined to provide him with the opportunity, courage and support to "climb on" "fall off a few times" and finally gain his balance so he could RIDE THAT BIKE!

At the Florida Sheriffs Youth Ranches Summer Camp, we understand that some kids need more than just "time to play," they also need attentive adults to teach them "how to play."

For this fearless lad, the caring didn't stop there. The Deputy made a few phone calls and then disappeared from camp. A few hours later he

returned with a bike that had been abandoned and had been held for a long time at the local police department.

With a good scrub brush, a little paint and a few twists of a wrench, the bike was almost as new as the helmet the boy was given as an award for his great accomplishment. Needless to say, there was also just enough room on the bus for the boy to take the bike home and show his mom what he learned at summer camp! ♦

# 100 Years of Good Living!

Charles Klotz celebrated his 100th birthday in a very special way. Surrounded by friends, Florida Sheriffs Youth Ranches President Roger Bouchard and Orange County Undersheriff Malone Stewart presented Mr. Klotz with the Golden Star award at a surprise party held for him at the Orlando Elks Lodge.

Born in 1904 in New York City, Charles grew up amid erratic economic times

including the Roaring 20's and the Great Depression. Leaving school after the 8<sup>th</sup> grade to help support his family, Charles learned the value of hard work. He also understood the meaning of heartache when his mother passed away. He was only 14 years old.

As he grew up, Charles began making miniature replicas of World War II airplanes. He devoted over 1800 hours to the project, often using intricate tools and two bristle paint brushes. He later donated this incredible collection to the Florida Sheriffs Youth Ranches.

Charles' interest in the military continued and he joined the Navy in 1942, serving as a Second Class Petty Officer hydraulics specialist. After completing his tour of duty, Charles began a successful career in real estate and soon sought out a charity he could trust.

Being familiar with the ways of a teenager struggling to survive during tough times, Charles wanted to extend a helping hand to deserving boys and girls. He decided to support the Florida Sheriffs Youth Ranches in 1975 because we guide troubled teens with the assurance and love they need to become productive, lawful adults.

With over a century of wisdom and experience, Charles "Charlie" Klotz has fought the tough

battles and won. His optimism, generosity, and humor have inspired and motivated others to live their life with great expectation for 100 years of good living! ♦

**Mr. Klotz donated his collection of handcrafted miniature airplanes (with propellers that spin) to the Florida Sheriffs Youth Ranches. The boys know it took stamina, patience and a steady hand to work with these models.**

# Making Changes, Making Choices

Troy Slater is a retired veteran who spent many years living in Florida. During this time, he had the chance to learn more about the Florida Sheriffs Youth Ranches. He visited our programs, met the children in our care and faithfully supported our charitable efforts.

Over the past few years, Mr. Slater has been debating whether to move north into a Veteran's Home near Washington DC. Over time, he has realized this will be the best place for him to get the future medical care he might need.

After choosing to make this change, Mr. Slater considered the task before him. He decided to downsize his personal belongings and share them with his favorite charity – the Florida Sheriffs Youth Ranches.

For many years, Mr. Slater had kept his late wife's car in storage. It was in beautiful condition and had very low mileage. Taking advantage of the huge trunk and spacious back seat, Mr. Slater loaded the vehicle with items for the children and drove it to the Boys Ranch.

Youth Ranches President Roger Bouchard told Mr. Slater how grateful we were for his generous gifts. "Thank you so much for sharing with us in this very special and meaningful way. This vehicle is immaculate and your kindness is overwhelming." Mr. Slater just smiled and nodded. He knew he had made the right choice in supporting Florida's Charity for Florida's Children." ♦

**Troy Slater (left) proudly presents his wife's car keys to Youth Ranches President Roger Bouchard.**

**Among the many gifts loaded in Mr. Slater's vehicle were several hand carved wooded animal statues. Many were on hand to receive the gifts and car from Mr. Slater. Those expressing thanks included (from left to right) Youth Ranches Vice President of Program Bill Frye, Title Manager Lisa Mills, Vice President of Public Relations Alison Evans, Troy Slater, Youth Ranches President Roger Bouchard and Ash Myers, friend of Mr. Slater and neighbor to the Boys Ranch.**

## Service in Motion

Under the leadership of Paul Mehalko of the Aramark Food Services division, boys at the ranch are learning about the many options available to them in this line of work. At a recent dinner event, the boys helped prepare the food and serve our guests. This special educational work opportunity enhanced their social skills, educated them on proper attire for certain jobs and created substantial interest in the types of careers available in the hospitality industry. The special evening was a tremendous success thanks to the fine effort of (left to right) Charles, Caroline, Janet, Juan, Jaime, Rod, Corey and Paul.

**Outstanding Achievement** – Rancher Jeremy accepted the Program Director's Award from Jim Earle. Jeremy, a former Tweed Trophy winner, has lived with us for over three years and is anticipating another great year at the Boys Ranch.

Polk County Sheriff Lawrence Crow has been a longtime, faithful leader in his support of the Florida Sheriffs Youth Ranches. He and his wife, Wanda, enjoy attending the Awards Banquet and celebrating the success of our young ladies.

Looking sharp in his jacket and tie, Tanner (left) received the "Best Dressed" award from Boys Ranch Unit Director Tirrell Andrews.

Madison County Sheriff Pete Bucher (left) and Suwannee County Sheriff Al Williams presented Corey with the "Award of Honor." Some of our graduating Seniors hope to attend college and received scholarships at the banquet. Corey plans to enlist in the military so the Sheriffs created this unique award just for him.

Each year, we recognize

 exceptional year of  
 success at the Florida  
 Sheriffs Youth Ranches.  
 Here are just a few  
 snapshots of our award  
 winning boys and girls!

Santana has made remarkable progress while she has lived at the Youth Villa. She is a leader on campus and very deserving of the Program Director's Award presented by Brad Gregory.

Jessica was given recognition for being the Best Worker in Dorista Cottage. Her Cottage parents, George and Cheryl Campbell proudly gave her this plaque in honor of her diligence and determination.

Mr. Don Hawkins was a very faithful and generous donor. For years, he drove a taxi cab and saved all his tips for the kids. A few years ago, he created a scholarship fund to help our graduating seniors. This year that award was presented to a young man by the name of David who plans to attend Florida State University. Sadly, Mr. Hawkins passed away just a few weeks after this presentation. We will miss him dearly!

These youngsters at the Youth Ranch in Safety Harbor have excelled in the area of personal growth. Program Director Joe Ballard congratulated Aaron, Todd, Keilah and Julian on their achievement.

Summer received a very generous scholarship gift from Dr. and Mrs. Ben Crowder. Dr. Crowder was on hand for the presentation and enjoyed hearing about Summer's future plans for school.

The campus council at the Youth Ranch in Safety Harbor is an active group of residents who help ensure effective communication and bring about positive change as needed. Program Director Joe Ballard thanked Mary, Sierra, Matthew and Steve for their work in this area.

At the Youth Ranch in Bradenton, the campus council took the opportunity at the Awards Banquet to thank the staff for their commitment and friendship. Program Director Marvin Glover (right) is very proud of these bright young men.

Richard (also known as Ricky) not only received a plaque as the 2004 winner of the Program Director's Award, but will also have his name engraved on the permanent plaque held by Mr. Glover.

Much work goes into preparing for the Awards Banquets. Gary Clancy (right) works in maintenance at the Youth Ranch in Bradenton and wanted to thank this young Rancher for a job well done as he was assigned to help set up for the event and stay afterward to clean up!

Sarasota County Sheriff Bill Balkwill extends a grateful handshake to Mr. Charles Hoffman. While this was his first visit to the Youth Ranch in Bradenton, Mr. Hoffman had already made an incredibly substantial gift to help support the children in our care.

Mr. and Mrs. John Buss, along with their grandchildren Caroline and Tom, enjoyed spending time with Youth Ranches President Roger Bouchard (left) and Sarasota County Sheriff Bill Balkwill (right.) Mr. Buss spoke to the crowd gathered for the Open House ceremony and presented Mr. Bouchard with a generous gift in honor of the 132nd month anniversary of his marriage to Mrs. Buss. He made an agreement with her on the day they married – as long as they were on their ‘honeymoon’ he would count their anniversaries by the month!

## Open House ~ Getting an Inside Look at the Youth Ranch in Bradenton

As your charity of choice, we want you to know you have a standing invitation to visit any of our sites at your convenience. We encourage you to drop by, see the Ranch and meet some of the children in our care. Or, you may choose to attend an open house event like the one held recently at the Youth Ranch in Bradenton/Sarasota.

Mr. John Buss, a faithful member of our donor family, briefly spoke to the crowd gathered under the shade of a sheltering oak tree. He recalled his first visit to the Youth Ranch in Bradenton over 10 years ago. There was just one cottage and little else. Over time, he has visited seven or eight times to meet the boys who live at the Ranch.

“If you would observe these boys, their conduct, appearance and the way they seem to get along together ~ to me, seems remarkable. They present a visual testament to the excellent training by the staff here. I salute you!” proclaimed Mr. Buss. “It gives me a great sense of pride to see the extent to which our donations have improved this

site...(it) actually shows me what our donations have done, and what they will continue to do.”

We are grateful to Mr. Buss for his genuine words of encouragement. His endorsement is meaningful because he brings the perspective of longevity, regular visits and earnest consideration of what charity he chooses to support. We appreciate and value the faithful friendship of all the members of our donor family. Thank you so much for caring and sharing! ♦

Two of our Ranchers decided to join the ROTC at Lakewood Ranch High School. Both have a future desire to serve our country in the armed forces. With great pride, Corporal Jeff R. (age 15) and Master Sergeant Nick H. (age 17) led the crowd in the Pledge of Allegiance to the American Flag.

## ELFUNS Continue the Tradition of Support!

Over the last decade, the Florida Sheriffs Youth Ranches has been blessed by the helping hands and generous hearts of the ELFUNS (current and retired General Electric employees) who care deeply about preventing juvenile delinquency and building safer communities.

The ELFUNS have been active volunteers at the Youth Ranch in Bradenton and the Youth Ranch in Safety Harbor providing labor and materials for projects like building picnic tables, repairing the barn door, constructing storage sheds and assisting with a variety of other helpful tasks.

Additionally, many individual members have selected to send a financial contribution and clearly

mark their gift as eligible for the General Electric Matching Funds program. The Florida Sheriffs Youth Ranches is an approved charitable organization and our GE matching gift identification code is #881.

We are incredibly grateful for this outstanding commitment of support and friendship from the local ELFUN members. ♦

The Elfun (a contraction of the words "Electrical Funds") Society is a global organization of GE volunteers (employees and retirees) committed to improving our communities, our company, and our lives through volunteerism, leadership, and camaraderie.

Through the leadership of Janice Kartsatos, David Turner, Emil Johnson and other key individuals of the Florida Gulf Coast Chapter of the ELFUN Society, the children of the Youth Ranches have received some very special blessings. One very faithful ELFUN friend, Warren Donaldson, recently spent a few moments visiting with Horace and John at the picnic tables built by the ELFUN members.

# Making A Better Tomorrow

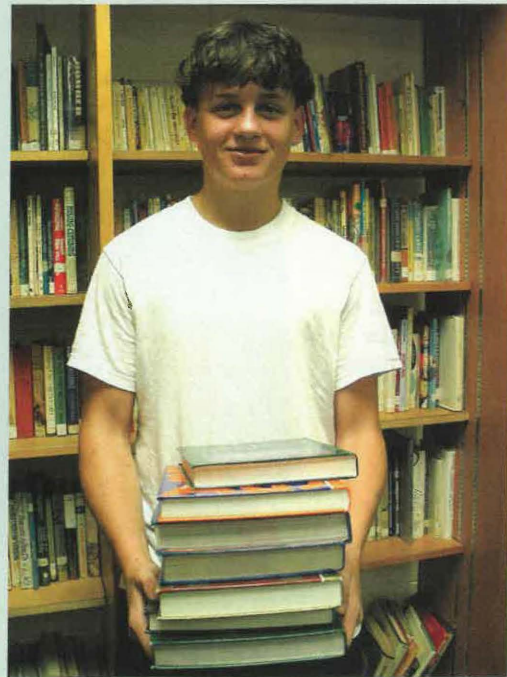

At the age of 13, Justin was already skipping school! He certainly had the brains to succeed; he just didn't have the structure in his life to apply himself.

When Justin came to the Boys Ranch, he was enrolled in the Boys Ranch Learning Center which is a school on the campus. In this smaller classroom with only 10 other students, Justin received the attention and guidance he needed to get caught up in his schoolwork.

As Justin's behavior improved, he was able to concentrate on his work and finish assignments. Steadily, his grades began to improve. At home, Justin's Cottage Parents were there to help him with his homework, ensure he got a good night's sleep and ate three balanced meals a day.

I am pleased to tell you that Justin was on the honor roll last semester for the first time in his life.

We need your financial support as we continue to offer a quality education and safe living environment for the youngsters we serve!

Will you be a part of making a better tomorrow for the boys and girls of the Florida Sheriffs Youth Ranches? If so, please invest in their future by sending your support right away.

Thank you so much for caring and sharing!

# Q: What is the relationship between the Florida Sheriffs Association and the Florida Sheriffs Youth Ranches?

Simply stated, they are two separate 501(c) 3 charitable organizations, each with a unique purpose but they work very closely together. The mission of the **Florida Sheriffs Association** is to foster and enhance effective law enforcement activities through educational and charitable efforts including the prevention of crime, the apprehension of criminals, and the protection of the life and property of the citizens of Florida. It is located in Tallahassee and works closely with the 67 Sheriffs of Florida. The Florida Sheriffs Association is the founding organization of the Florida Sheriffs Youth Ranches.

The Florida Sheriffs Association is made up of Honorary, Business, and Law Enforcement Members who pay yearly dues of \$20. The Florida Sheriffs Association actively supports the Florida Sheriffs Youth Ranches and other law enforcement related programs.

The mission of the **Florida Sheriffs Youth Ranches** is to prevent juvenile delinquency and develop lawful, productive citizens through a broad range of family centered services. We have four residential sites, two camps, and three Opportunity Stores located throughout Florida. We provide residential services, camping services, family counseling services and other delinquency prevention programs to meet the changing needs of Florida's children and families.

The Florida Sheriffs Youth Ranches accepts donations in any amounts and uses these gifts to support the children in our care. Voluntary gifts are a primary source of funding. Charitable donations, bequests, wills and trusts can be earmarked to benefit any of the statewide programs.

The Florida Sheriffs Youth Ranches is nationally accredited by the Council on Accreditation of Services for Families and Children, Inc. and the American Camping Association. Since 1957, the Florida Sheriffs Youth Ranches has touched the lives of over 62,000 boys, girls, and their families.

While both organizations work very closely together on many issues, each administers its own program through a separate Board of Directors. Gifts to either the Florida Sheriffs Association or the Florida Sheriffs Youth Ranches are tax deductible.

# Leaving A Lasting Gift of Love

In 1966, Anna Neaman (1901-1982) of Clearwater established her will with careful thought and clarity. In this document, she indicated a portion of her estate should be given for some permanent improvement as may be required at the time of distribution with an appropriate plaque indicating the gift was made by "Anna Neaman of Clearwater, Florida."

When this estate closed in 2002, we received an extremely generous gift and set forth to honor her wishes. The most obvious permanent improvement needed at the time was the expansion of a multi-purpose room in the Don Genung Activity Center at the Youth Ranch in Safety Harbor. The Board of Directors unanimously approved naming this renovated area as the Anna Neaman Activity Room and authorized the placement of an appropriate plaque acknowledging her substantial contribution.

With appreciation for Miss Neaman's generosity, Youth Ranches President Roger Bouchard also expressed his gratitude for her foresight. "This kind

and caring lady must have understood that the needs we had in 1966 would not be the same as the ones we face today. She crafted the words of her will skillfully, so we could use her generous gift when it was received in the best possible way. We will fulfill her wishes and respect her memory with dignity and honor."

If you would like to learn more about how to include the Florida Sheriffs Youth Ranches in your will, trust or other estate plans, please contact Bob James, Vice President of Development at 1-800-765-3797. ♦

*The Florida Sheriffs Youth Ranches is dependent on gifts from folks like Anna Neaman. She is a shining star in the lives of the children we serve. Remember, your will should be reviewed annually.*

# Youth Villa Classic Shines On!

The Bartow Chamber of Commerce, in partnership with the Polk County Sheriff's Office and local businesses, held the 40th Annual Youth Villa Classic Golf Tournament. The weeklong event featured a Junior Golf Tournament, Tennis Tournament, Weekday Scramble, Women's Golf Tournament, Fashion Show, and the Memorial Day Golf Tournament. Special activities also included a joint Civic Club Luncheon, an evening Social at the Peace River Country Club, and an Awards Banquet at the Bartow Civic Center.

The Youth Villa Classic is the longest standing fundraising event in the history of the Florida Sheriffs Youth Ranches. We are thankful to Mrs. Debbie Burdett from Cargill Crop Nutrition, the Bartow Chamber, event sponsors, committee members, and volunteers for their dedicated service.

The Annual Youth Villa Classic Golf Tournament was another big success this year. The Youth Ranches received a total of \$17,000 from the proceeds and donations during the tournament.

Several girls from the Youth Villa participated in various activities throughout the week, including serving BBQ lunch and dinner to the golfers after the final round of play.

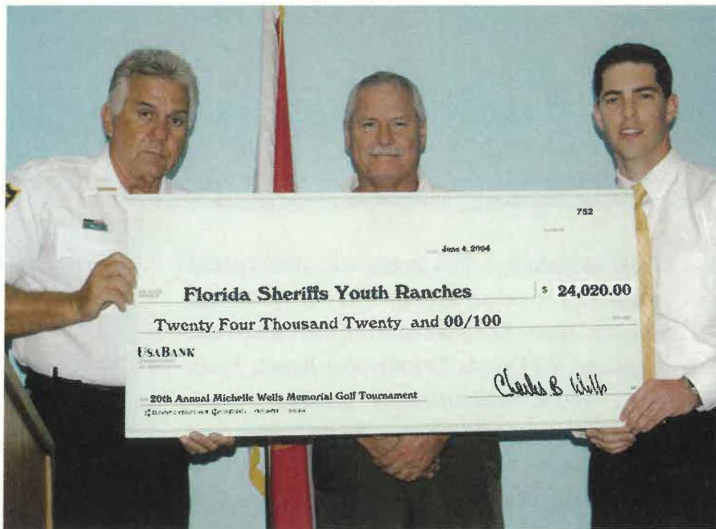

Karie and Brianna join Polk County Sheriff Lawrence Crow at a luncheon held during the Youth Villa Classic. With his continued support of the Youth Villa Classic and remarkable leadership as past Chairman of the Youth Ranches Board of Directors, Sheriff Crow has demonstrated his faithful and abiding commitment to the children served by the Florida Sheriffs Youth Ranches.

# 20th Anniversary of Tournament

This year, Sheriff Charlie Wells of the Manatee County Sheriff's Office hosted the 20th Annual Michelle Wells Memorial Golf Tournament at the Waterlefe Golf Club near Bradenton. The event consisted of a morning and afternoon golf scramble followed by a delicious dinner with Sheriff Wells.

Many gracious volunteers worked diligently to organize this tournament under the direction and leadership of Bruce Meade and Charla Eberly. The Waterlefe Golf Club generously donated the course for this special event held in memory of Sheriff Wells' daughter Michelle. Thanks to the outstanding kindness of these caring individuals, over \$24,000 was raised for the boys and girls we serve.

Manatee County Sheriff Charlie Wells presents a check to Youth Ranches Donor Relations Officer Bill Brown and Special Events manager Joe McLeod. This annual tournament is held to honor the memory of the Sheriff's daughter, Michelle.

## Teaming Up for Tri-County Golf Tournament!

Recently, the Levy, Gilchrist, and Dixie County Sheriff's Offices combined forces to hold the 4th Annual Tri-county Golf Tournament at the Chiefland Golf & Country Club. Players came from throughout the area to participate in the 18 hole 4-person scramble. Many individuals assisted in the planning, setup, and registration for the event. We sincerely thank Levy County Sheriff Johnny Smith, Gilchrist County Sheriff David Turner, Dixie County Sheriff Sammy Woodall and all the faithful volunteers who worked so hard to help the children of the Florida Sheriffs Youth Ranches

Celebrating this successful tournament are (L-R) Florida Sheriffs Youth Ranches Board Chairman Suwannee County Sheriff Al Williams, Levy County Sheriff Johnny Smith, Gilchrist County Sheriff David Turner, Youth Ranches President Roger Bouchard, Bradford County Sheriff Bob Milner and Youth Ranches Special Events Manager Joe McLeod. The Florida Sheriffs Youth Ranches received a check for \$7,800 from this tremendous event.

## Put a Star on Your Car!

# HOORAY for Harmony in the Streets as it teaches kids "LAW OFFICERS ARE YOUR FRIENDS"

The boys and girls who participated in Harmony in the Streets this summer gave the Deputies they met a big THUMBS UP! Spending time in fun, healthy activities within the local community gave the children time to build positive relationships and increased their respect for Law Enforcement Officers.

In Marion County, Corporal Alva Kinsey presented each child with a brand new bike helmet to help ensure their safety throughout the summer.
