# President's Perspective

A message from Roger O. Bouchard, Jr.  
President of the Florida Sheriffs Youth  
Ranches, Inc.

During the summer, life at the Youth Ranches seems to go into high gear. Not only were we working with the 175 youth in our residential programs, but we also provided residential and day camps for over 10,000 boys and girls from around the state.

Although we offer care and services for thousands of children each year, we still are concerned with meeting the unique needs of each one as an individual. Many of these children come to us from abusive or neglectful home lives. Others have fallen seriously behind in their academics. Some have never learned the joy of being loved and accepted by a positive adult.

One of the most significant things we can do for a child is to let them know they are important. By giving them positive attention and praise for appropriate behavior, we let them know they can reach their goals and become positive members of our communities.

A great example of this is James who is a young man at the Boys Ranch in Live Oak. James came to the Youth Ranches with very low self esteem and poor social skills. His cottage parents, teachers and other staff showed him respect, attention and worked with him to express himself in positive ways. Slowly, James began to come out of his shell and now he is the creator and editor of the *Ranch Talk* monthly newsletter for the Boys Ranch. He also wrote a book about his life which a staff member had published and bound for him.

James is a great example of how a little love and positive attention can help an insecure young person use their talents to express themselves in a productive and healthy way. Each person in our donor family can proudly share in James' success and in the success of so many Youth Ranches children. Thank you for caring enough to support our work with your generous contributions.

## PLEASE BE ASSURED

For nearly 50 years, the Florida Sheriffs Youth Ranches has been caring for children in need and we will continue to do so.

We have received a number of inquiries asking if the Youth Ranches is in any way connected with the Boot Camps. Let me reassure you, the Boot Camps and the Florida Sheriffs Youth Ranches are very different organizations. The Boot Camps are government run correctional facilities that handle juvenile delinquents, and the Florida Sheriffs Youth Ranches is a statewide charity that prevents delinquency by providing a home and family for abused, neglected and troubled children.

As always, you are welcome to visit any of our Ranches anytime and meet the children in our care.

# Quotes and Notes

"I have been associated with Aurora Cottage at the Youth Ranch - Bradenton/Sarasota for many years. Seeing the facility that you have there now gives me a very warm feeling. To realize just what my donations are doing is also a great satisfaction to me. On many occasions, we feel like joining your facility to witness ourselves the improvements and join your activities. Good luck and with God's Blessings...keep up the good work!"  
~ Bernice and Jon Buss, Donors

"Angel is doing very well. He is now an A/B student and really enjoys playing in the high school band. He is taking responsibility for his chores and homework without being told to do so. Please know how proud we are that the Youth Ranch was a part of his life."  
~ Angel's Mom

"The Project Harmony program was very worthwhile for our students. This was evident to us by their participation and past test scores... Our students feedback has been nothing but positive, and we hope we can continue this service in the future. What a great program with wonderful people!" ~ Staff at Citrus Springs Middle School

"As a Locksmith, you get called out to many locations. Once I was dispatched to the Florida Sheriffs Youth Ranch in Clearwater. When I walked in the Administration Building and saw the photo of the Boys Ranch, I looked at it for several minutes remembering all the good times and people there. Then, I saw a young man throwing out the trash and cleaning the building. Boy, how it all came rushing back to me. One of the ladies saw me laughing and asked me what was so funny. I said, "I was that little boy once, and I turned out just fine."  
~ Jason Sigal, Boys Ranch Alumnus

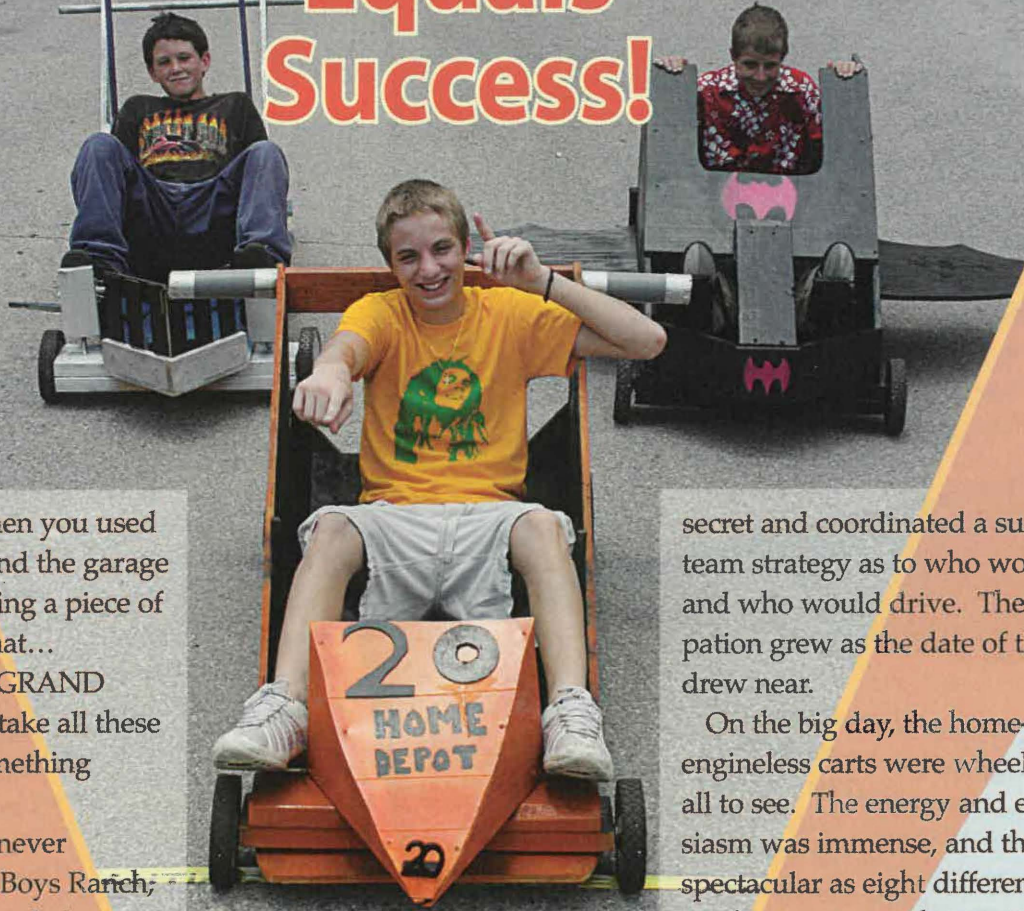

"A group from Keystone Heights Community Church toured your beautiful facilities recently. We want to thank you, your very capable staff and especially the boys who led us on tours of their homes. It was a most enjoyable and interesting day... Thank you for your generous hospitality." ~ Susan Bishop and the Community Church Visitors

"What a great job. I believe a good example carries a lot more weight than talk. You folks walk the talk. Please accept our heartfelt participation. As long as I am alive I will do my best to provide prayers and cash." ~ A donor in Lakeland

# Tools, Talent and Teamwork Equals Success!

Remember when you used to poke around the garage or farm, finding a piece of this and a piece of that... suddenly, you get a GRAND IDEA and decide to take all these scraps and build something magnificent!

Well, some things never change! Here at the Boys Ranch, the idea of a soap box derby started just like that and grew into a showcase of speed, stamina and style.

Tinkering here and there, the boys and staff decided it would be challenging to build a unique cart to see who would be the Soap Box Derby Champion of 2006. Within a basic set of rules, each cottage could build a racing machine they thought could take the checkered flag.

Staff designed the contest so all the boys could participate and contribute to the success of their team. Three major awards would be given – one for speed in the Downhill Drag Race, one for

The boys of Conn Cottage, who built the #20 Home Depot cart, took home the trophy for the slightly downhill speed race. Tyler drove the cart over the finish line and claimed the checkered flag.

***The days that followed included planning, measuring, cutting, sanding, painting, and plenty of practice.***

stamina in the mile-long Roving Ranch Grand Prix, and one for sheer style and creativity in the "Looking Good" Derby Design category.

The days that followed included planning, measuring, cutting, sanding, painting, and plenty of practice. Boys kept their plans top

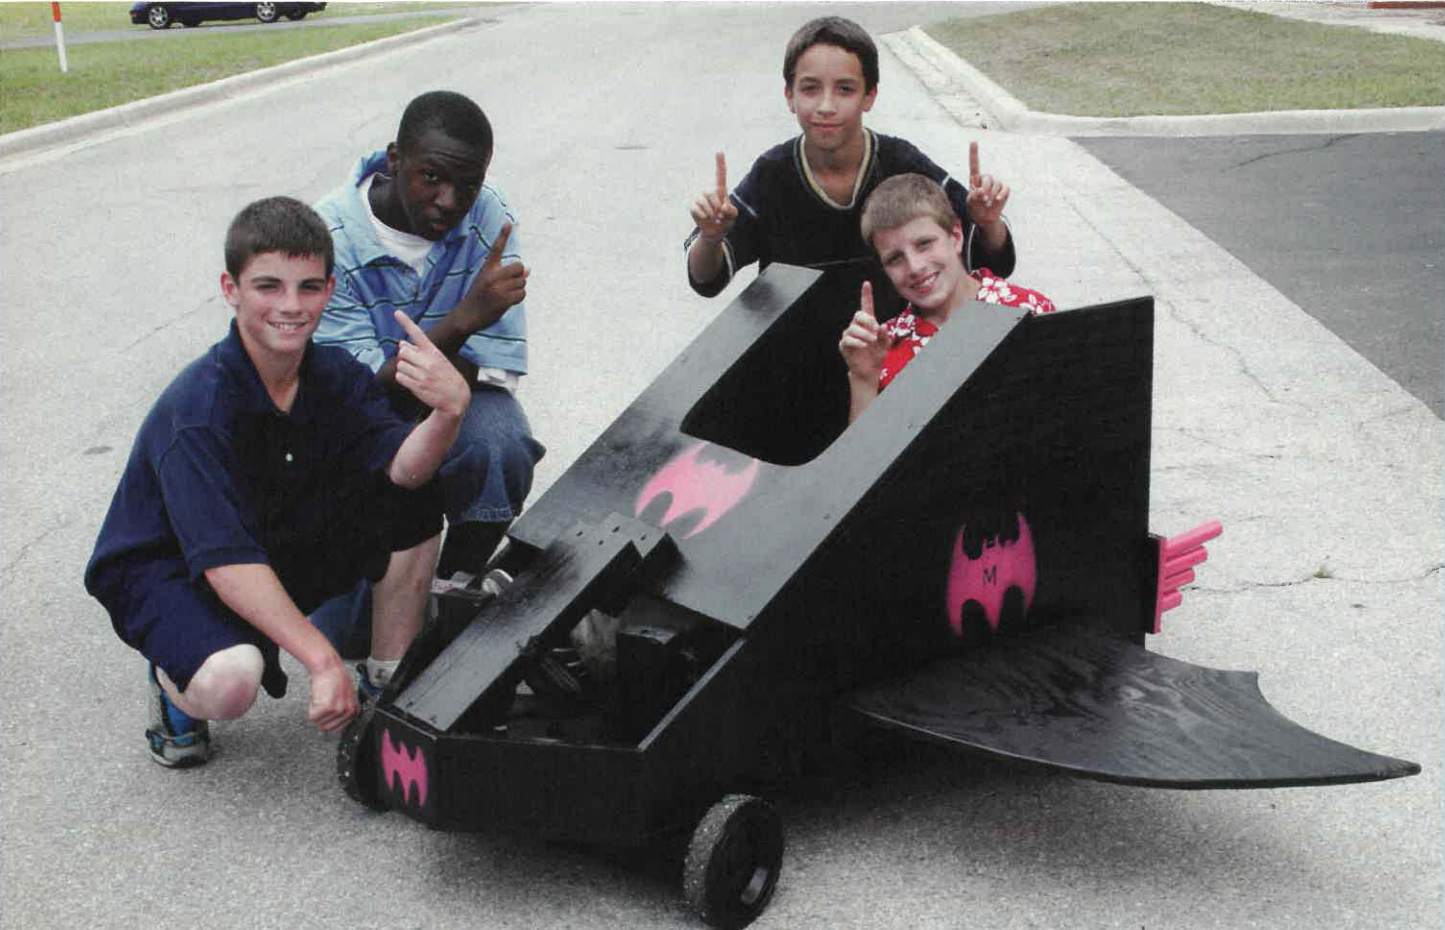

secret and coordinated a successful team strategy as to who would push and who would drive. The anticipation grew as the date of the Derby drew near.

On the big day, the home-made, engineless carts were wheeled out for all to see. The energy and enthusiasm was immense, and the sight spectacular as eight different machines came to the starting line. Boys bragged about the design or the potential human power that was about to push their way to victory. The races were about to begin.

With a few false starts and much good natured sportsmanship, the boys gave their best effort to capture the campus bragging rights. When the day ended, the three winning carts were wheeled to the center stage of the cafeteria for full display as the champions claimed their trophies.

Yes, the saying "boys will be boys" still stands true today. Give them a great idea, some tools, time, encouragement and a little supervision, and they will use their talent and teamwork to achieve success!

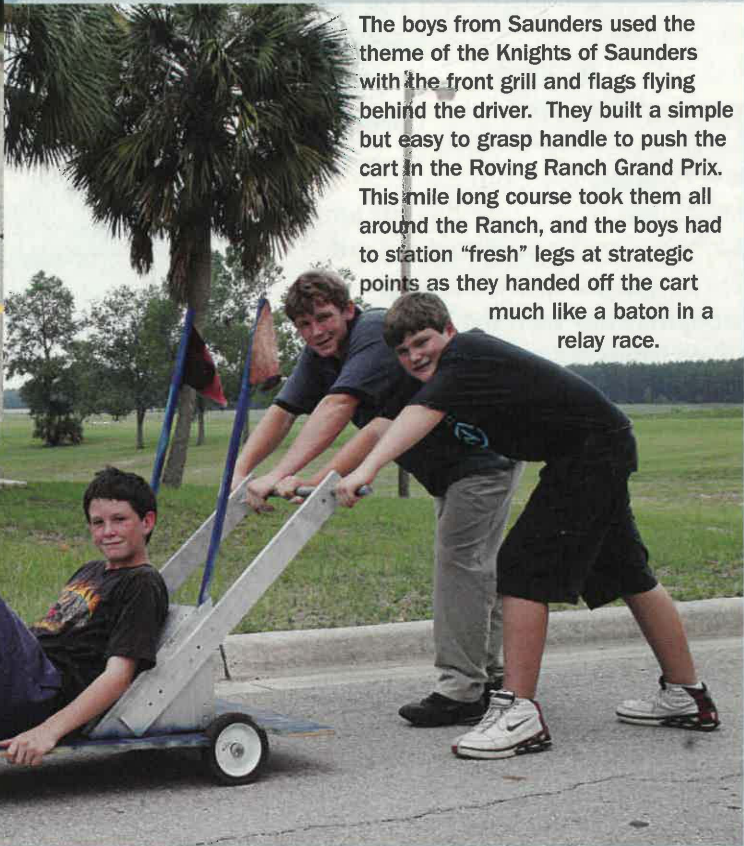

The boys from Merrill Cottage won the award for excellence in design and style. The Merrill Mobile, complete with wings and tailpipe, was the sleekest and sportiest vehicle in the competition.

The boys from Saunders used the theme of the Knights of Saunders with the front grill and flags flying behind the driver. They built a simple but easy to grasp handle to push the cart in the Roving Ranch Grand Prix. This mile long course took them all around the Ranch, and the boys had to station "fresh" legs at strategic points as they handed off the cart much like a baton in a relay race.

# Siblings Sizzlin' Summer

**F**ive siblings, all between the ages of 10 and 15, certainly adds excitement to a home. But what happens when they all go away for summer camp? Jewell (15), Sally (13), John (12), Emily (11) and George (10) packed their bags, got hugs and kisses good bye and headed off to a week-long adventure at the Florida Sheriffs Youth Ranches Caruth Camp.

Pinellas County Deputy Sheriff Edie M. Darling knew the family in the community and approached Mom with the idea of sending all five kids to camp together. Initially, it sounded like a good idea...a nice break from a very hectic life...but only a few hours after the bus left, Mom realized it was way too quiet! Fortunately, Deputy Darling, who went to camp with the kids, had given Mom her cell phone number. Calling to check that everyone had arrived safely and hearing the kids were excited about the pool, challenge course, canoes and other activities, Mom realized her kids were in good hands and she could truly relax.

Back at camp, the siblings were already at full speed and having fun. The older girls were assigned to the same group, the youngest girl, Emily, went with a different campsite. The two teens genuinely

**"Camp is really GREAT!" proclaimed George. "Mr. Bill and Mr. Bernie are my favorite Deputies. I've never hung out with Deputies before...they're pretty cool!"**

enjoy spending time with Emily, but they knew she was with a group of girls closer to her own age. "We are a very close family," said Jewell, the eldest. "It's hard not being around her all the time."

Emily, on the other hand, was making new friends and soaking up the joy of being at camp. "I loved canoeing!" she said. "It was so beautiful at the springs. We even got to feed the fish."

The two boys, John and George, full of energy and enthusiasm, were ready to take on anything and everything camp had to offer them. "Camp is really GREAT!" proclaimed George. "Mr. Bill and Mr. Bernie are my favorite Deputies.

Jewell (left) proves her leadership skills as her campsite encounters an element of the challenge course. Using the boards provided, the entire group must work together to get across the dreaded "lava pit."

Pinellas County Deputy Sheriff Darling takes advantage of the quiet setting at camp to spend a few moments with Emily chatting about life at home with four other siblings.

"I've never hung out with Deputies before...they're pretty cool!" George also listed riding bikes, arts and crafts, games, canoeing and his new friends as "just a few of the things" he liked about summer camp.

Across the state, hundreds of boys and girls, like these five siblings, attended one of our week-long residential camp sessions. They had the chance to play, sing, learn and grow with the strong, caring support of our trained, compassionate staff.

For many, this might be their first trip away from home, the first time they have experienced the outdoors in a camp setting, and the first time they have made friends with a Law Enforcement Officer. For all, thanks to our donor family, it has been a summer experience they will never forget!

Pinellas County Deputy Sheriff Lydia Lang-Royal has spent many summers at camp with youngsters like Sally. One of the unique aspects of the Sheriffs Summer Camp is the opportunity for the kids to get to know the Deputies as a mentor and friend. On the last day of camp, the Officers change out of their casual clothes into their uniforms and the kids now see a trusted friend behind the shiny Sheriff's Star.

Escambia County Deputy Ron Gill carefully straps on Emily's safety helmet before she climbs the telephone pole for the high ropes adventure.

# Travis Says Thanks!

Often children, like Travis, need special sponsors who make generous financial gifts so deserving boys and girls can attend summer camp. Members of our donor family help pay for this dynamic outdoor adventure and ensure our children have a safe and exciting summer experience.

During camp, the kids will write postcards to major benefactors and thank them for caring enough to sponsor them at camp. Travis was so grateful for his experience he took the time to write another thank you note after he got home.

*TO: The Staff at Camp  
I would like to thank all of you. I had fun  
everyday and hope to see you next year!  
FROM: TRAVIS C.*

It was so simple, yet so sincere. The Counselors and staff smiled with pride when they realized the difference they made in Travis' summer. Thanks to our donor family, thousands of boys and girls were able to attend residential or day camp this year. We are always grateful for your special generosity and concern for the children of Florida.

Young Travis had the time of his life at camp. You can see the joy on his face as he stands in front of his home to say thanks!

# MARTIN COUNTY SHERIFF'S OFFICE RODEO

October 20 and 21, 2006

**A REAL RODEO!** After a very successful first year, the Martin County Sheriff's Office has decided to host another rodeo as a fundraiser for the Florida Sheriffs Youth Ranches. Mark your calendars now for October 20 and 21, 2006. The action starts at 7:30 p.m. both nights at Timer Powers Park in Indiantown, Florida.

**FLORIDA SHERIFFS YOUTH RANCHES** Since his election in 1992, Sheriff Robert L. "Bob" Crowder has been actively involved in the Florida Sheriffs Youth Ranches. He served on the Board of Directors for several years, holding the positions of Treasurer and Chairman, and continues his commitment to help prevent juvenile delinquency through this special fundraising event.

**PROFESSIONAL COWBOY ASSOCIATION** The Sheriff's Office has contracted the Marki Rodeo Company, a member of the Professional Cowboy Association, and we anticipate competitors from throughout Florida. A rodeo is good, clean, family entertainment. So, if you have never experienced the excitement, now is your chance.

**THE FAMOUS SHERIFF'S OFFICE BBQ AND FAMILY FUN** Carl Amerson, the BBQ king of the Sheriff's Office

will be cooking the best BBQ you've ever had. There will be plenty of pork sandwiches, hamburgers, hot dogs, snacks, cold drinks, and ice cream. The US Army and Marine Corps will have an equipment display. The Treasure Coast Wildlife Hospital is going to share some of the exotic animals. The kids can also get their picture taken by the fire trucks!

Please consider helping. For information call Lt. Glenn Zirkle at 772-220-7000 or email [gzirkle@sheriff.martin.fl.us](mailto:gzirkle@sheriff.martin.fl.us)

## Boys Ranch Alumnus puts on a "classic" event

The longest running fundraising event for the Florida Sheriffs Youth Ranches is the Annual Villa Classic Golf Tournament. Since 1971, the Greater Bartow Chamber of Commerce has held the Villa Classic to raise money for the Youth Ranches. This year, former Boys Ranch Alumnus Wally Edwards served as Chairman of the Villa Classic Committee, made up of sponsors and community leaders in Bartow. Under Wally's leadership, the tournament raised over \$25,000 for the Youth Villa.

Many of the girls from Sunshine Cottage participated in the event by serving a delicious barbecue lunch to the golfers.

unconditional support to the Florida Sheriffs Youth Ranches. Many thanks to Wally, the Bartow Chamber, the Villa Classic Committee, and Polk County Sheriff Judd for their faithfulness to these deserving children.

Wally, and his brother Mike, lived at the Boys Ranch from 1959-1964. Not only has Wally become an effective leader within the Bartow community, he is well-known for his

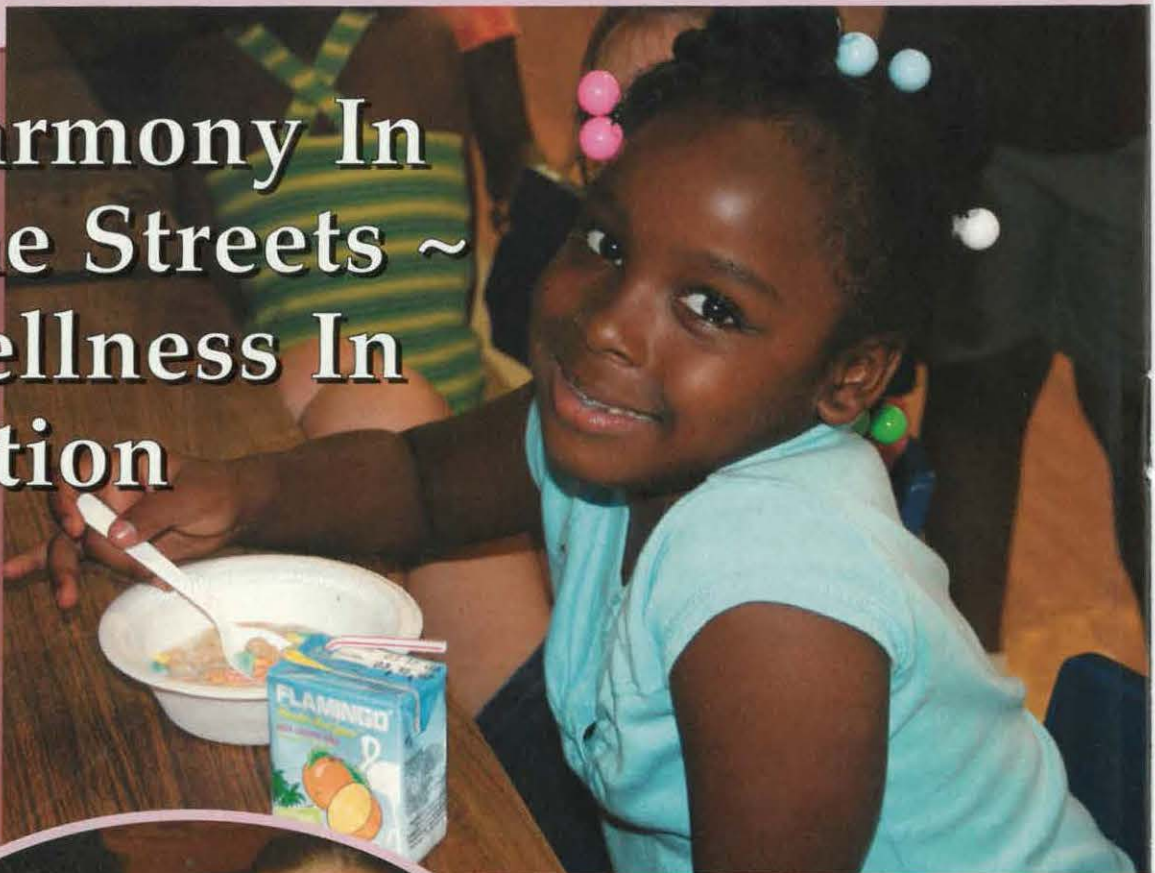

# Harmony In The Streets ~ Wellness In Nutrition

Keeping kids busy and engaged in positive, healthy activities is a major goal of the Florida Sheriffs Youth Ranches Harmony day camp programs. Using the values, lessons and structure of our traditional summer camp and blending it into dozens of local communities helps keep kids safe and away from delinquent behavior.

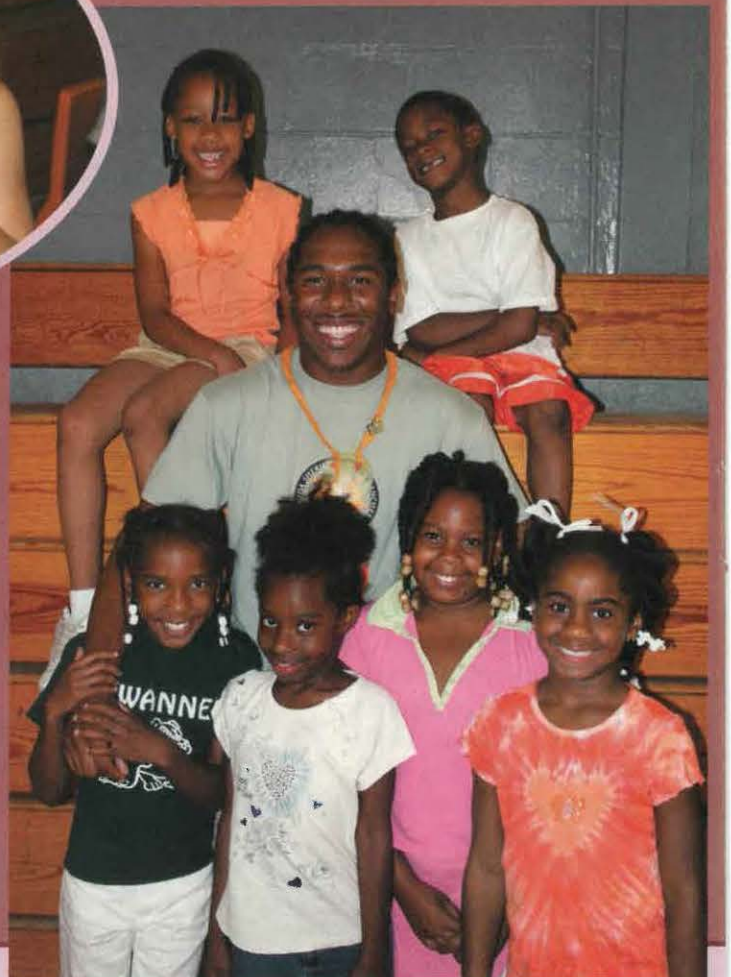

Some children are from tough neighborhoods, others have few options for organized recreation and fun during the summer. Often, working parents are grateful for a "free" day camp and those in rural communities are excited to have camp so close to home. Each of the many locations we use for day camp is different. However, one thing remains constant...the need for kids to have positive role models and healthy ways to expend their energy.

Thankfully, our donor family, the Sheriffs of Florida, the Office of Attorney General and many others believe in the worthwhile efforts of the Florida Sheriffs Youth Ranches and continue to provide the resources we need to serve the children in our communities.

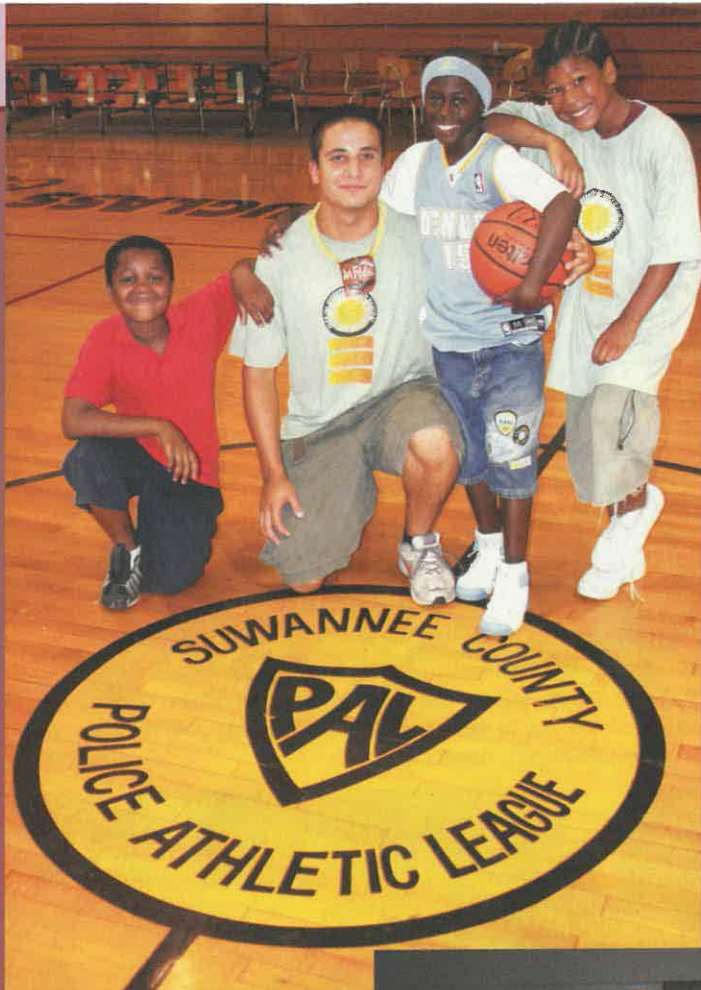

Mr. Smiley is one of the kid's favorite counselors. He knows the best games, funniest jokes and craziest songs...all things that make kids smile!

Each day, kids who arrive for day camp are given the opportunity to eat breakfast which includes cereal, juice and fresh fruit.

Mr. C loves playing basketball with the boys. Throughout the game, he teaches that teamwork and good sportsmanship always make you a winner!

Suwannee County Sheriffs Office Chief Deputy Ron Colvin (left) and Cpl. Gary Edwards, who also serves as the Police Athletic League Director, join the kids for graduation ceremonies. We celebrate and always try to recognize our kid's achievements and encourage them to make positive choices in their lives.

Every child will receive a special t-shirt from camp.

# Generations of Care ~ Youth Villa Alumna Serves As Hospice RN

In the early 70's, Liz and her two siblings learned their mother had cancer. As a single parent and a Registered Nurse, Mom recognized the need to find a good home for her children before the inevitable occurred.

Fortunately, a few years earlier, the Sheriffs of Florida and the Sunshine State Women's Chamber of Commerce had the vision to begin construction of the Florida Sheriffs Girls Villa. When Mom talked to Pinellas County Sheriff Genung about her plight, he immediately knew what to do.

In August of 1972, Craig (15) was admitted to the Boys Ranch and the two girls, Liz (13) and Nancy (9) were enrolled as the second and third girls to ever live at the Girls Villa. "My mom was smart enough to get us to a safe place...a place where she wanted us to be before she died."

Now, over 30 years later, Liz reflects back on those days. "The Villa gave me the chance to build a good life. It is not about where you came from, but where you are going in life. You have to define your goals and what you expect of yourself...then, begin taking steps to achieve those goals."

Liz spent nearly three and a half years at the Girls Villa. She and another girl were the first two to live independently on campus as an initial step to living on their own. "It's amazing when I look back and realize how much I learned about cooking, cleaning and taking care of myself during those years at the Villa."

After graduation, she got married and began a family. Later, as a single parent, Liz earned her LPN certification. Still, she yearned to do more so she put

herself through school again and accomplished the goal of becoming a Registered Nurse, just like her mother and grandmother.

Today, Liz works for Hospice of the Florida Suncoast making home visits to clients in Assisted Living Facilities or Nursing Homes. "This job is so rewarding. My friends ask, 'How do you do it?' I respond, 'How

In one sense, Liz feels like her mother was her very first patient. She has a unique understanding of the struggle and deep determination to die with dignity. On occasion, she visits the memorial rose garden at the new Hospice of the Florida Suncoast and reflects on her role as a Hospice Nurse.

do you not do it? These patients give so much to me...they share stories about their history, their families...their lives have so much value and for a brief period in time, I get to share in it.”

Liz would like to return to the Girls Villa (Youth Villa) and speak to the girls now in our care. “I want to tell them that many people struggle while growing up but their future is ahead of them. They can accomplish so much if they set goals and just stick to it!”

Raven graduated from the Youth Ranch in Safety Harbor this year. Youth Ranches President Roger Bouchard presented her with several scholarships and a special medallion for her great achievements over the past few years.

## Winning Kids with Winning Smiles!

Every year, the Florida Sheriffs Youth Ranches celebrates the success of our boys and girls by recognizing them at a special awards banquet. Donors from across the state join us as we proudly share the major accomplishments and significant milestones achieved by our youngsters, who have worked so hard to reach their goals.

Your support made these winning smiles worthwhile!

Sarasota County Sheriff Bill Balkwill and the boys from the Youth Ranch – Bradenton/Sarasota graciously thanked Youth Ranches Board Member Kimberly Hopper and AmSouth Bank for sponsoring the 2006 Awards banquet.

Boys Ranch Seniors Brian and Terrell, along with all our graduates, received numerous scholarships for college, including this generous gift from Mr. George Laboda.

Boys Ranch Chaplain Dominic Morales (right) proudly presented the Music Award to Chase for his diligence and

interest in music. While not the most musically gifted boy at the Ranch, Chase shows up for every performance and runs the sound system so every one can hear the lovely melodies.

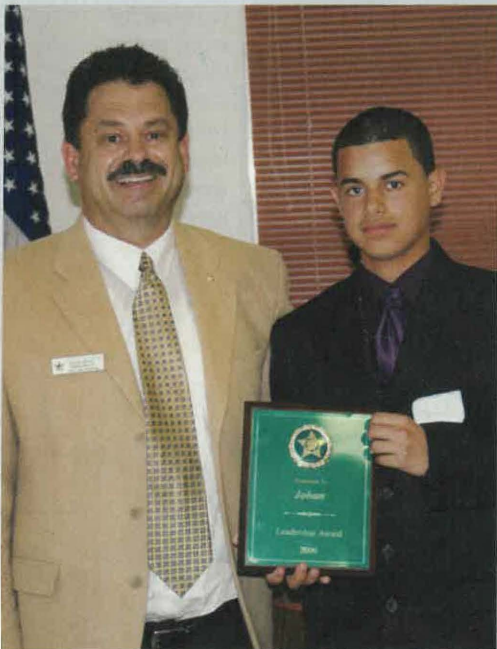

(Left photo) Youth Villa Business Manager Belinda Dodd (left) proudly presents April with the Best Horsemanship Award. Along with this award, April received a specially made T-shirt with "Youth Villa Official Barn Manager" on it. She was so excited she put it on and wore it the rest of the evening.

(Right photo) Many of our boys come to the Ranch with a number of challenges. In counseling, each youngster works on a personal growth plan to help them deal with their issues and prepare for the future. Clinical Director Eileen McCowan praises Greg for his remarkable progress in this area.

Youth Ranch - Bradenton/Sarasota Program Director Steven Wright was honored to present Johan with the 2006 Leadership award.

Boys Ranch Alumnus Willie Nickerson was a boy at the Ranch when Roger Bouchard began his employment as a Resident Director with the Youth Ranches. Today, Willie has earned his Master's Degree and is a Corrections Deputy with the Polk County Sheriffs Office and Roger is the President of the Youth Ranches. Willie gave an inspirational speech at the Boys Ranch during the awards ceremony and reminded each one of the boys they can achieve their dreams.

Dr. Ben Crowder established a special scholarship in memory of his father and others in his family. He and his wife joined us at the Youth Villa Awards banquet so he could personally deliver this award to Brianna, one of our graduating Seniors.

## Saint Lucie County Sheriff's Office holds 20th Annual Golf Tournament!

On May 13th the St. Lucie County Sheriff's Office held their 20th Annual Youth Ranch Golf Tournament at the Legacy Golf and Tennis Club in Fort Pierce. Under the leadership of Sheriff Ken Mascara, this event brought in over \$58,000 to the Ranches. The Sheriff's hard working staff, combined with the generosity of key sponsors, helped this golf tournament become one of the largest fundraisers for the Florida Sheriffs Youth Ranches. We applaud Sheriff Mascara, his great staff, and all the dedicated volunteers for making a positive and significant impact on the children we serve.

## Gann Brothers Gospel Sing

Powerful voices and gentle harmony, mixed with some great "clap-along" music filled the Panama City Marina Civic Center as the Gann Brothers performed their 26th Annual Concert. Back in April, the Gann family gathered up some of the most talented gospel singers and musicians in the area, bringing a sweet sound to the welcoming audience. Each year, this concert has provided contributions to the Florida Sheriffs Youth Ranches. Bay County Sheriff Frank McKeithen is a strong supporter of the Gann Brothers and the Youth Ranches.

## 2006 Butch Leonard Golf Classic

Each year the Bay County Sheriff's Office holds a local golf tournament to benefit the Florida Sheriffs Youth Ranches. This year's event was a little bit different. Washington County Sheriff Bobby Haddock joined Bay County Sheriff Frank McKeithen to host the 14th Annual Butch Leonard Classic Golf Tournament at the Sunny Hills Golf Club just north of Panama City.

Sheriffs Haddock and McKeithen, along with other dedicated volunteers, worked together to generate support and sponsors for this annual event. The hard work and dedication of everyone involved brought over \$15,000 to the Youth Ranches.

James was surprised and pleased to receive a bound copy of his book from Pete Peterson at the Boys Ranch Awards ceremony.

## Ranch Talk

James has a genuine interest in writing. Last year, he took a school assignment one step further and wrote a book. Arts and Crafts Instructor Pete Peterson was so impressed, he took the manuscript and had *The Adventures of a Lifetime* published as a special reward for James' extra effort. He is incredibly proud of this great accomplishment.

This year, James has convinced the staff to begin a campus wide newsletter for Ranchers...by Ranchers called *Ranch Talk*. The first edition came off the presses this summer and was well received by the boys and staff. As expected, James is a writer, photographer and Assistant Editor for the new publication. Interest in the project is growing and several boys

**Q: How long have you been working at the Ranch?**  
**A:** I've been working at the Ranch for about six months.

**Q: What's your favorite thing about being here at the Ranch?**

**A:** I enjoy working with the boys, and I enjoy the beauty of the countryside, of the Ranch.

**Q: What is it exactly that you do?**

**A:** Well, I assist the McMullen Unit, I help inspect the cottages, I do duty director, and I talk with youth that are having a tough time. Oh, there is also a lot of paperwork.

**Q: If you could change some thing about the Ranch, what would it be?**

**A:** I would have the boys more involved in construction. I would have them help to build the next cottage if there was going to be one.

**Q: What do you like most about the Ranch?**

**A:** I like the fact that the former Ranchers get to come back. I like seeing all the success stories. I like the fact that the Ranch is a voluntary program, that the boys that are here want to be here. I like the fact that when the boys turn eighteen they are not automatically out of the program. They can sign themselves back in as adults to finish their education. Once the youth get their learner's permit they can drive staff vehicles.

**Q: What's your favorite music?**

**A:** I like the oldies. As in the Fifties, Sixties, and Seventies.

**Q: What do you think of the learning center?**

**A:** It is hard to believe that they can fit fifty boys in that small of a building. The teachers do one heck of a job. The grades go up and improvement is made.

**Q: What do you think of the cafeteria food?**

**A:** I like it--can't beat the price! The staff is very friendly and is always there to help you out.

## No More Dry Days

The pool was closed due to remodeling. They were installing a new fence, there were problems with the plumbing, there were cracks in the pipes. It was losing water and needed a new coating of

marcyte. I asked how often this kind of work had to be done and found out that the pool was built in the late 60's and hopefully, this will never need to be done again.

The 2006 life guards are Mr. Jeff Harrell, Pop Bryant Adam B., Mike Q., Ryan F., Josh J., Coach McCowen, James S., Chase R., and Juan D. The pool will be open

June 30th and will be available for use in the afternoons and the evenings after dinner. I think that finally having the pool back will keep us occupied and help to keep us out of trouble.

## On TARGET with much needed help!

Target Stores boast of a strong commitment to volunteering within the local community. Each year, thousands of employees and others invest hundreds of thousands of "people power" hours throughout the United States.

Earlier this year, over 20 Target team members visited the Youth Ranch in Safety Harbor and fulfilled their commitment by "giving back" to local charitable organizations. Our new friends, most in their bright red Target shirts, grabbed gallons and gallons of white paint and proceeded to paint Salls Cottage.

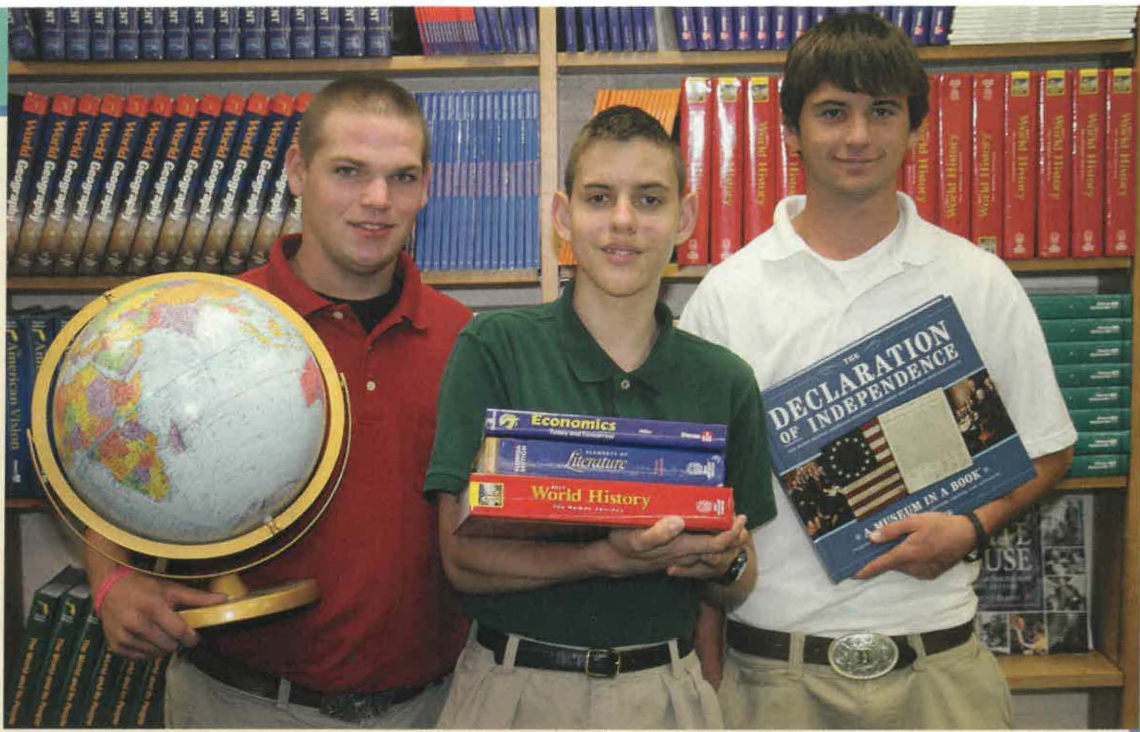

We appreciate their labor of love and hope they will, once again, select the Florida Sheriffs Youth Ranches as their charity of choice!

Part of the Target Team of volunteers paused from their painting duties just long enough to take this snapshot. Their support helps us keep our campus looking GREAT!

# A new school year is right around the corner!

James was always content to stay at the house and read with his mother who was home-bound. Although James' mother treasured their time together, it bothered her that he did not have many friends. She encouraged him to try other activities, but James was not interested.

Around this same time James' grades began to slip. He had no motivation. James' mother was scared her son was headed down the path to juvenile delinquency. Feeling desperate, she asked the Boys Ranch for help.

The school on campus enables us to provide focused attention on academics and behavior. Slowly, James' attitude began to change. He worked hard to complete his school work and improve his grades.

The boys and girls of the Youth Ranches need a helping hand in all areas of their lives, especially academics. Through the generous support of our donor family we are able to provide that helping hand. Please consider a generous gift to help boys like James!

**YES!** I want to give youngsters the opportunity to become productive, lawful citizens. Enclosed is my gift for the educational, vocational and other needs of the children at the Florida Sheriffs Youth Ranches:

These rates are consistent with the recommendations made by The American Council on Gift Annuities.

## Q: What is the relationship between the Florida Sheriffs Association and the Florida Sheriffs Youth Ranches?

Simply stated, they are two separate 501(c) 3 charitable organizations, each with a unique purpose but they work very closely together. The mission of the **Florida Sheriffs Association** is to foster and enhance effective law enforcement activities through educational and charitable efforts including the prevention of crime, the apprehension of criminals, and the protection of the life and property of the citizens of Florida. It is located in Tallahassee and works closely with the 67 Sheriffs of Florida. The Florida Sheriffs Association is the founding organization of the Florida Sheriffs Youth Ranches.

The Florida Sheriffs Association is made up of Honorary, Business, and Law Enforcement Members who pay yearly dues of \$25. The Florida Sheriffs Association actively supports the Florida Sheriffs Youth Ranches and other law enforcement related programs.

The mission of the **Florida Sheriffs Youth Ranches** is to prevent juvenile delinquency and develop lawful,

productive citizens through a broad range of family centered services. We have four residential sites, two camps, and three Opportunity Stores located throughout Florida. We provide residential services, camping services, family counseling services and other delinquency prevention programs to meet the changing needs of Florida's children and families.

The Florida Sheriffs Youth Ranches accepts donations in any amounts and uses these gifts to support the children in our care. Voluntary gifts are a primary source of funding. Charitable donations, bequests, wills and trusts can be earmarked to benefit any of the statewide programs.

The Florida Sheriffs Youth Ranches is nationally accredited by the Council on Accreditation of Services for Families and Children, Inc. and the American Camping Association. Since 1957, the Florida Sheriffs Youth Ranches has touched the lives of thousands of boys, girls, and their families.

While both organizations work very closely together on many issues, each administers its own program through a separate Board of Directors. Gifts to either the Florida Sheriffs Association or the Florida Sheriffs Youth Ranches are tax deductible.

### Be a member, recruit a member

# Quiet Giving ~ Strong Living

*Rufus G. Jackson*  
February 1, 1918 - September 26, 2005

Living in Volusia County for his entire life, Rufus Jackson was a man of modest means. He worked hard for what he earned and rarely spent money frivolously. He saved and saved, even to the point of passing up some comforts he could readily afford.

He married Virginia in 1940, and they shared nearly 60 years together before she passed away. "After she left, I missed her terribly," he said. "We never had any children. She was a good wife."

This was his style...plain spoken, direct and purposeful. Yet, there was a side of Mr. Jackson that many never knew. "I had a pretty hard life. After I die, I want my money

Decades ago, Mr. Jackson's niece's daughter was struggling. She moved to the Florida Sheriffs Girls Villa and things changed. After graduation, she returned to the Villa and became the first girl to get married in the Chapel, choosing February 14th as her wedding day. The gift of a new start and fresh beginning was something to treasure.

to help people who are having a tough time."

And so, after Mr. Jackson's death, his commitment came true. Through his will, he designated a large portion of the remainder of his estate to the Florida Sheriffs Youth Ranches and another sizeable amount to The Salvation Army. Both organizations reach out to help people in need and work diligently to serve people going through a tough time in life.

He kept his word, and we will keep our commitment, too. Would you consider making a gift to the Florida Sheriffs Youth Ranches through your estate or trust? Your gift, small or large, will help us prevent juvenile delinquency and develop lawful, productive members of our communities.

Thank you for caring and sharing!

## MORE GENEROUS DONORS

Suwannee County Sheriff Tony Cameron (left) joined Gary Olive (second from left) as he presented a check to Youth Ranches President Roger Bouchard (center). Also participating in the presentation (continuing left to right) are Badcock President Don Marks, Bill Pue, Henry Badcock, Ben Badcock and Adele Olive.

Commander Wayne Taylor of Port St. Joe VFW (left) presents a check for \$500 to Florida Sheriffs Youth Ranches Donor Relations Office Frank Kenny.

## Please Donate Your Vehicle to the Sheriffs Ranches Enterprises

The Sheriffs Ranches Enterprises accepts vehicles in fair to great condition. If your donation has proper emission controls, fair tires, no major body or rust damage, and the engine/transmission are in good working order, please consider sharing this resource with our charity. This donation goes to benefit the boys and girls of the Florida Sheriffs Youth Ranches.

For more information or to set up an appointment for a Sheriffs Ranches Enterprises representative to pick up your vehicle, you may call 800-765-3797.

*Please note: The American Jobs Creation Act of 2004 contains new rules pertaining to the charitable deduction allowed for vehicles donated to a qualified charity after December 31, 2004. Basically, this law limits the donor's tax deduction to \$500, or the gross proceeds from the sale of the vehicle, if over \$500. We recognize that each individual's tax situation is different and the impact of any charitable deduction is based on a variety of circumstances. You are strongly encouraged to consult with your independent tax advisor.*

# Kids Create Colorful Bus!!

Nassau County Sheriff Tommy Seagraves has taken a strong interest in supporting the children served by the Florida Sheriffs Youth Ranches. He serves on the Sheriffs Ranches Enterprises Board of Directors, hosts local fundraisers, visits the kids in care and supports other Sheriffs as they raise money for the Sheriffs Youth Ranches.

Volusia County Sheriff Ben Johnson energized the local community with his idea for a fun-filled school bus race. He challenged other Sheriffs to participate in this competition. Sheriff Seagraves has accepted the invitation and has enlisted the kids help.

This summer, our boys and girls got very creative as they painted the bus for the next race. Sheriff Seagraves (standing, under the yellow window) hopes all the other competitors will see the sun's smiling face as he crosses the finish line first and claims the checkered flag.
