\$3,000,000 Project is An Exercise in Faith

Work has begun on a \$3,000,000 improvement project which will expand and renovate the Florida Sheriffs Boys Ranch, Girls Villa and Youth Ranch facilities. (See Page 2 for details.)

Near the end of 1981 the Florida Sheriffs Youth Fund launched a \$3,000,000 building and renovation project that will substantially enlarge and improve the Boys Ranch, Girls Villa and Youth Ranch.

It is by far the largest and most ambitious expansion venture we have ever undertaken, and, true to a tradition that began 25 years ago with the founding of the Boys Ranch, it will also be an exercise in faith.

Youth Fund President Harry Weaver said the improvements will be partially financed by anticipated surplus operating funds, but part of the construction money will

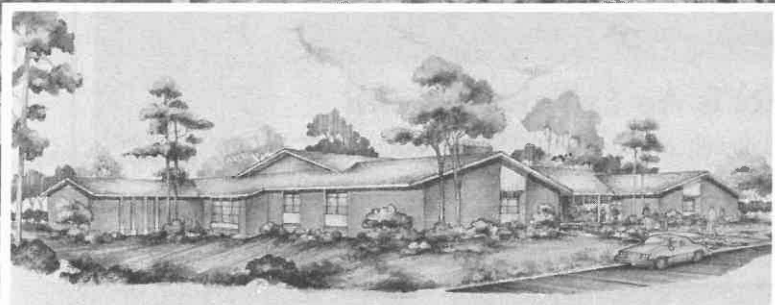

also have to be raised. Once again we will be sustained by a strong conviction that the necessary funds will materialize when we need them. Our faith has never failed us throughout almost 25 years of child care work, and we are certainly not going to abandon it now.

Boys Ranch improvements will include a residence cottage (number nine) which is now under construction, and some utility buildings. We will also renovate a number of existing buildings, including some of the older residence cottages and the cafetorium.

The major proposed addition at the Youth Ranch will be the \$700,000 Don Genung Activity Center which will

provide a chapel, social center, learning center, arts and crafts shop and recreational facilities. Also proposed for the Youth Ranch is a third residence cottage.

At the Girls Villa we will attain some long-held goals by constructing two residence cottages at an estimated cost of \$600,000.

Preparations are also being made for future growth. Funds have been earmarked to plan and design a fourth child care center — a youth ranch we propose to establish in southeast Florida.

All of these capital improvements constitute a giant forward step in the growth of our child care facilities.

More important to us, however, is the fact that we will also be enhancing abundantly our ability to help needy, dependent and neglected youngsters.

New residence cottages will increase our enrollment capacity from 142 to 190, a gain of 25 percent. This is especially good news for the youngsters on our "request for service" waiting list. A recent count showed that we had 172 applicants on this roster — all of them in need of various degrees of help ranging from professional counseling to full time residential care.

Increasing our enrollment is a major goal, but we have never operated "by the numbers," and therefore we are equally dedicated to enhancing the quality of child care we are capable of delivering to our growing family of boys and girls.

The Don Genung Activity Center, for instance, will add a new dimension to the lifestyle at the Youth Ranch and open up new opportunities for youngsters to seek their full potential.

In our dictionary, progress is a word that has many definitions — many facets — and, as we round out our 25th year of steady growth, we are trying to attach appropriate importance to each of them.

a' Camping We Will Go!

Unique Youth Fund Program Will Benefit Hundreds of Youngsters

The camping program for dependent and neglected youngsters we held at the Boys Ranch last summer on an experimental basis was so successful that we have decided to repeat it on a greatly expanded basis.

Last year we enrolled 40 boys in two one-week camping sessions. This year we expect to enroll 256 youngsters, including both boys and girls, in eight one-week sessions which will be held at four different locations around the state. Participation in our camping program will increase over 500 percent — and that's progress!

Youth Fund officials are strongly in favor of the current emphasis on camping because it broadens our outreach substantially without overtaxing our financial resources.

We will keep expenses down in 1982 by holding our camp sessions at established Boy Scout and Girl Scout reservations. These are scattered over a large area stretching from Keystone Heights and Inverness to Arcadia and Jupiter. They offer excellent permanent facilities, a wide variety of recreational opportunities, and convenient locations. Youngsters participating in our 1982 sessions will not have to travel long distances to reach camp sites.

A small, mobile staff composed of a full-time camp director, a secretary, a program director and a senior counselor will travel from reservation to reservation to put on the camp sessions. Sheriffs' deputies with experience in youth activities will serve as camp counselors. Junior deputies and Explorer Scouts from various Sheriffs' Departments will be junior counselors.

Florida Sheriffs Youth Fund President Harry Weaver said the camping program will increase by approximately 280 percent the number of dependent and neglected youngsters we will be helping during 1982. He

said the camping program will provide wholesome recreation, build better understanding between youngsters and lawmen, broaden campers' knowledge of citizenship, criminal justice, personal safety, and survival skills; and create opportunities for healthy and positive social relationships.

Social Workers employed by the Youth Fund will be available for counseling and screening. Staff personnel at the Scout camps will also assist the Youth Fund camping staff in an advisory capacity.

The age range of campers will be 8 through 17. Each applicant will have to be recommended by his or her local Sheriff. The camping program will serve youngsters who are dependent, neglected or in need of supervision.

This outdoor chapel area with its spire-like sanctuary is a gift from Mrs. Carleton Tweed, who is also a Boys Ranch benefactor. She and her late husband provided funds for the Tweed Memorial Gymnasium at the Ranch. Shown in the foreground are (from left) Youth Fund President Harry K. Weaver; South Florida Boy Scout Council Camping Director George Preston; South Florida Council Executive Robert Kilmer; Youth Fund Vice President Jim Strayer; and Steven Servais, Camp Director at the McGregor Smith Reservation.

An olympic size swimming pool is one of the important features at the Scout Reservation.

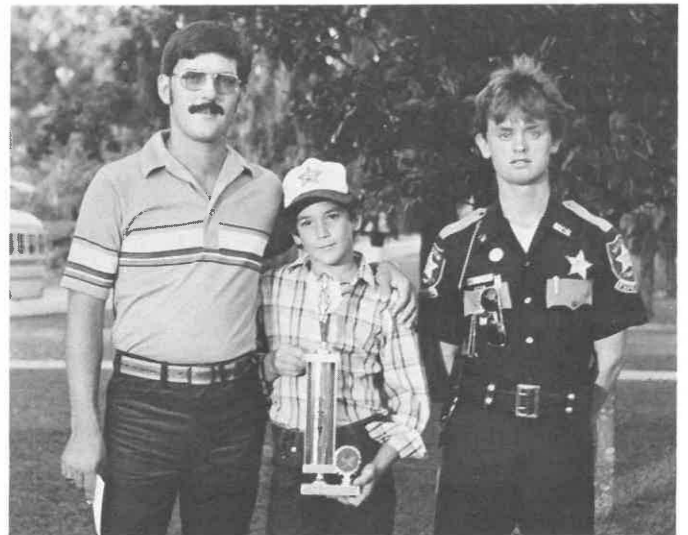

Archery and swimming were popular activities at last summer's camping program.

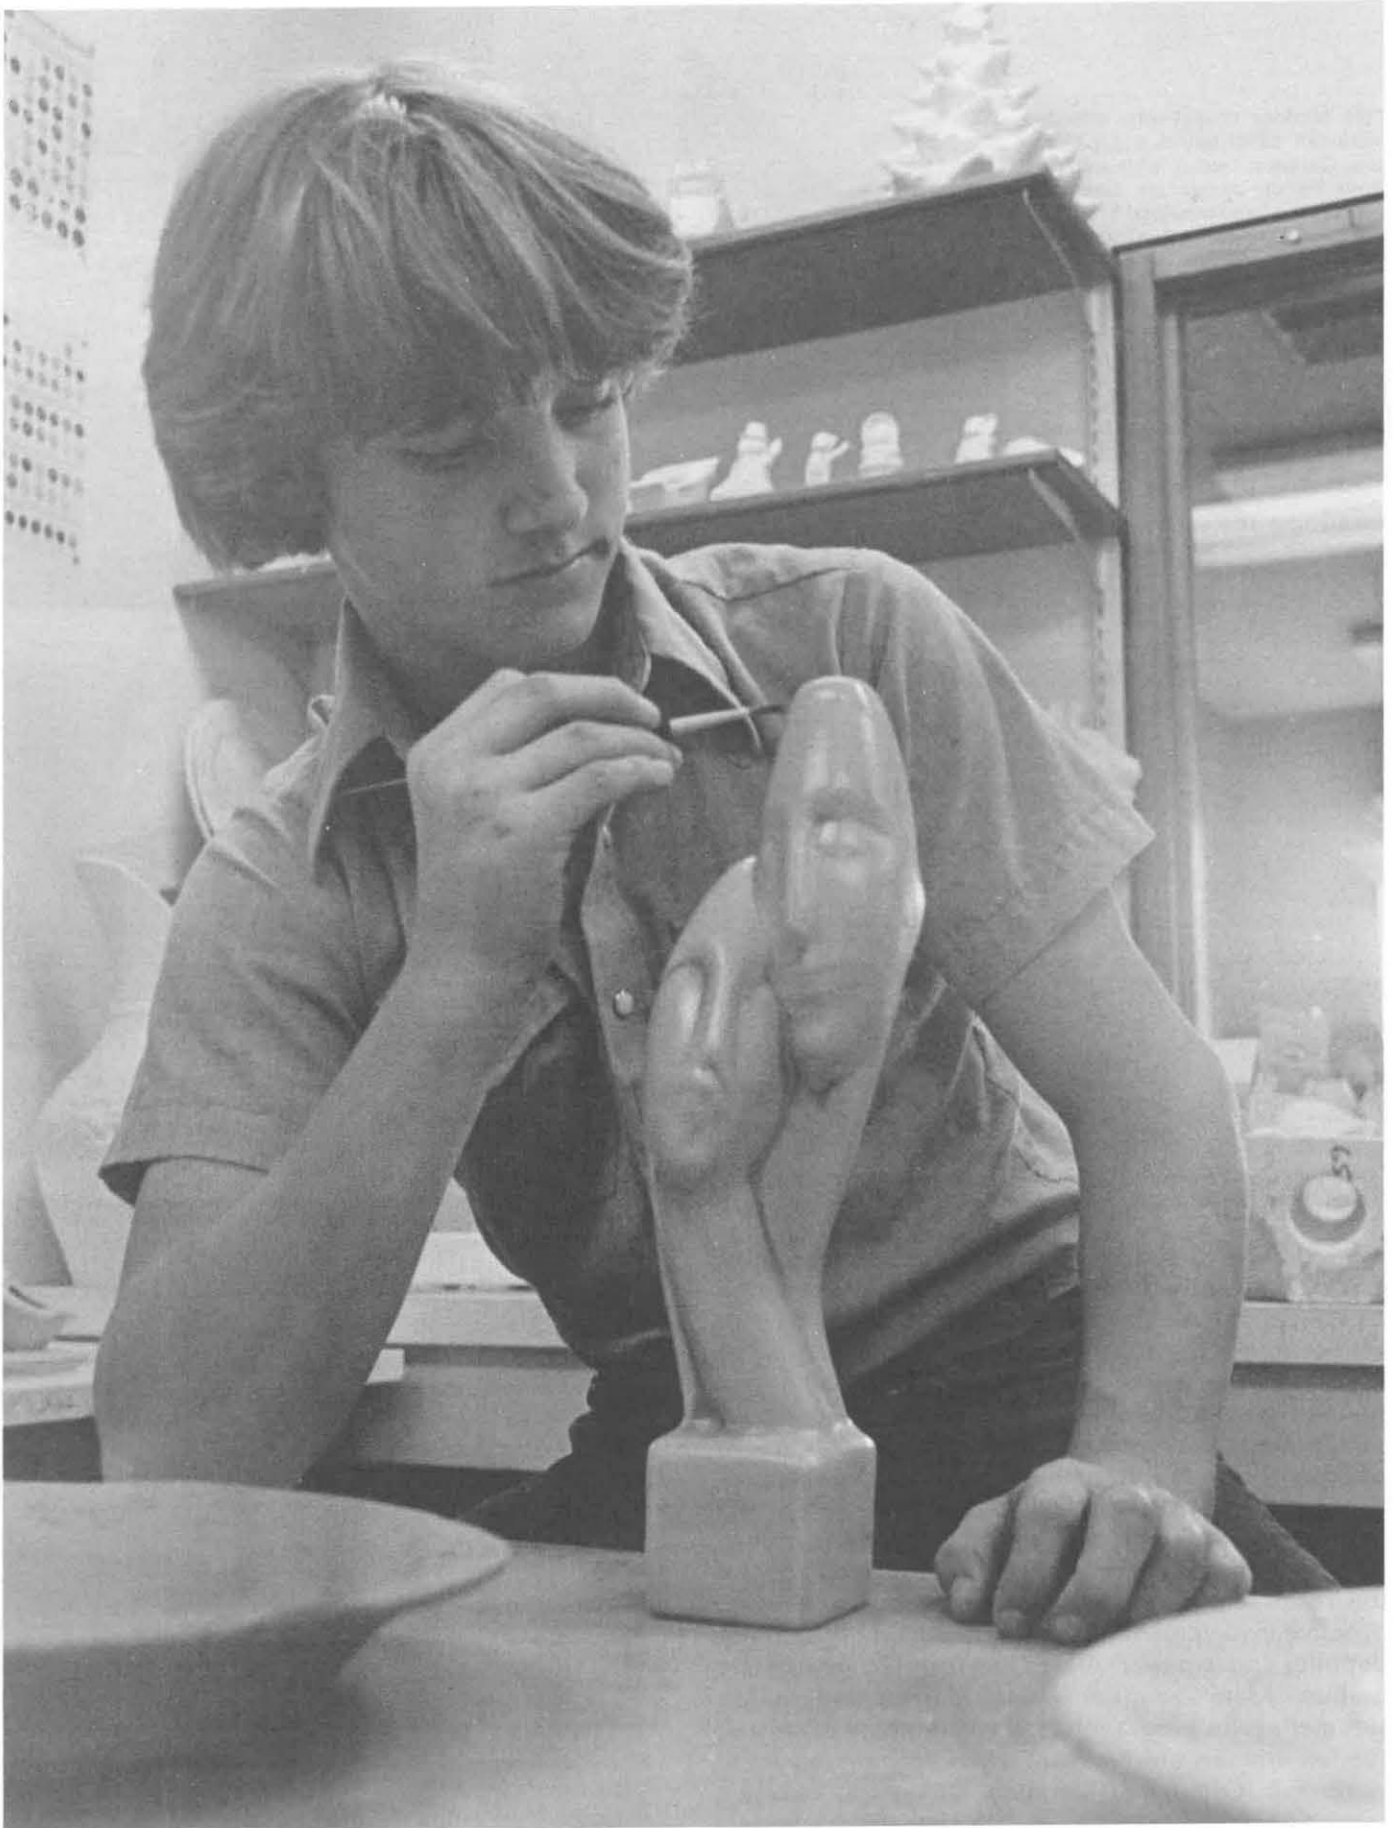

In addition to setting up the summer camping program, Youth Fund officials are making plans to establish a permanent base and wilderness camp. It will be situated temporarily at the Boys Ranch during the fall of 1982, and will move to a central Florida location once a suitable site can be found in that area.

This camp will serve youngsters who are too emotionally disturbed to adjust to the residential child care programs at the Boys Ranch, Girls Villa and Youth Ranch. It will also provide emergency placement for evaluation of boys and girls who have applied for admission to one of the Youth Fund's residential care centers.

Active involvement of Sheriffs, deputy sheriffs, junior deputies and explorers makes the Youth Fund program unique. Many youngsters who participated in last summer's pilot program harbored an innate distrust of the law and law enforcement when they arrived at the camp site. Camp staff members said it was clearly a revelation when, after a few days, these youngsters began to perceive lawmen as friends and protectors.

Monty White (center) received an Outstanding Camper Award at last summer's camp. With him are Ronald Fewell (left), counselor from the Lee County Sheriff's Department; and Ricky Lewis, Jr., an Explorer from the Marion County Sheriff's Department who was also a counselor.

When a Boy Understands The Poetry in His Hands

Amazing things happen when we mold and paint and sand and saw at the Boys Ranch Arts and Crafts Center. What we do there is play, in a way, but it's also a sort of adventure. We discover skills we never knew we had. We watch our hands creating things, and we are fascinated. Sometimes it seems that our hands have an independent existence all their own. They shape and mold and paint. They perform astonishing tricks with tools while we watch and wonder. Actually, our hands seem to possess a sort of poetry. We understand it, but we can never put it into words. The things our hands accomplish — just simple things many times — lift our spirits in ways we can't quite explain. To make a plaque to send to a friend. To paint figurines for Christmas presents. To create unusual clocks we hang in our rooms. These are modest triumphs. They may not win any prizes but they mean more to us than we care to admit. Perhaps the things we make aren't as slick and refined as the products turned out by factory workers in Taiwan or Timbuktu, but we wouldn't trade — no way!! It would be kind of disloyal, wouldn't it, now that we have begun to discover what our hands can do.?

Turning rough slabs of wood into attractive clocks is only one of many projects the boys have been involved in recently.

Jan Babston (second from right), Fort Walton Beach artist, added a new dimension to arts and crafts activities when she visited the Ranch to teach the boys how to use an air brush.

It's Our 25th:

Big Buildup Has Begun For Boys Ranch Birthday

The Boys Ranch will be 25 years old on October 2, 1982, and, although that's almost seven months away, we have already begun celebrating.

Radio and television commercials with an anniversary theme are being aired throughout the state.

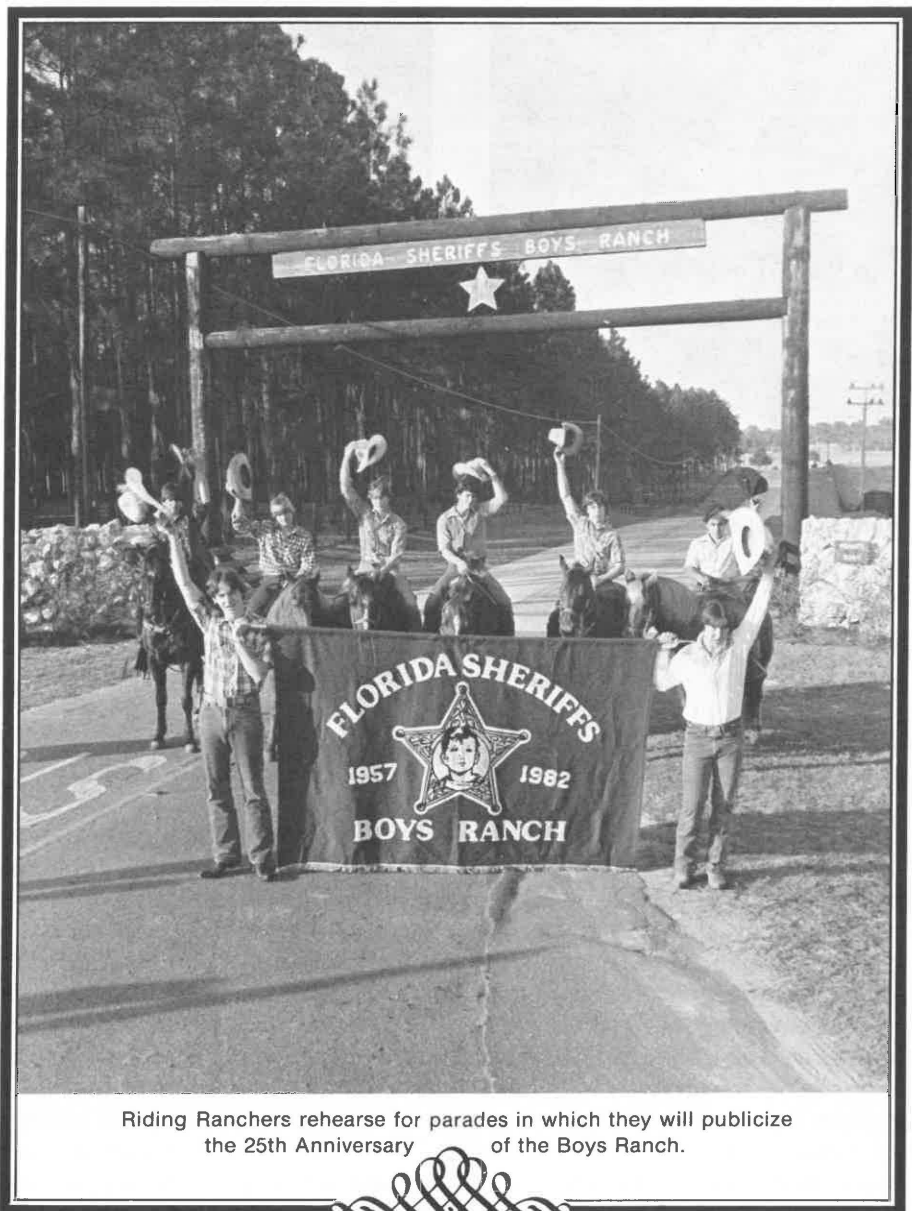

Silver embossed anniversary seals are being placed on our outgoing mail. Sheriffs are also using the silver seals on their mail, and thousands of Boys Ranch supporters are using star emblem seals of a different design on their letters and postcards.

Recently, when our best horsemen, the Riding Ranchers, were invited to enter the annual Silver Spurs parade at Kissimmee they resurrected a large banner we had used on our 20th Anniversary, revised the dates to fit our 25th Anniversary, and selected two tall Ranchers to carry it on foot. Clearly, we are not missing any opportunities to spread the word.

Before mid-year motorists driving through Florida will see billboards announcing the Boys Ranch Anniversary. Outdoor advertising firms are providing the boards rent-free, and we are also getting the design and art work gratis.

Ray Pyle, an executive of Foster-Kleiser Outdoor Advertising, Clearwater, has provided valuable assistance by soliciting free billboard space and coordinating the preparations. He is the Immediate Past President of The Outdoor Advertising Association of Florida.

We began working on the billboard project early in

Riding Ranchers rehearse for parades in which they will publicize the 25th Anniversary of the Boys Ranch.

1982, and we are currently aiming for an ambitious goal of 150 boards.

Invitations have gone out to magazine and newspaper writers and photographers to visit the Ranch and see what has been accomplished in our 25 years of continuous progress. The excellent cooperation we have received from the print media in the past leads us to believe we will get an enthusiastic response.

At this point it has become obvious that we have cast aside the last shreds of modesty, and we are trying to use every possible publicity medium. However, all of these efforts are merely preliminaries leading up to the main event: our 25th Anniversary Celebration on October 1, 2, and 3, 1982.

Celebrating anniversaries has been a deep-rooted tradition at the Boys Ranch for many years, but this one is shaping up as the most elaborate yet. An 18-member Anniversary Committee is already searching inside and

outside Florida for a prominent speaker and special entertainment.

Plans are being made for dedication rites to signal completion of a new \$300,000 residence cottage (our 9th) which is now under construction. We will also have our usual anniversary horse show, and barbecue, except that this time they will be bigger and better than ever.

Continuing a custom of many years, we are going to provide camping facilities for many hundreds of visitors who are planning to spend the entire weekend with us.

The Boys Ranch Alumni Association, an organization of former Ranchers and staff members, will hold its annual reunion during the anniversary weekend, instead of getting together on the traditional third weekend in May. These folks have been closely associated with the progress of the Ranch, and having them as guests will add an important dimension to the festivities. So will the special recognition we are planning to give various founders and friends.

Without a doubt, the Silver anniversary party will be the biggest celebration we have ever held at the Ranch. We visualize it as a combination of "old home week," an open house, a family reunion, a super shindig and an old fashioned festival. As usual, the public is invited.

Thousands of seals will spread the word.

Progress Personified:

Harry Weaver Honored for 20 Years of Leadership

CLEARWATER — A surprise luncheon held here December 17, 1981, honored Florida Sheriffs Youth Fund President Harry K. Weaver for his 20 outstanding years as head of child care projects sponsored by the Florida Sheriffs Association.

Attending the luncheon to offer congratulations and praise were Youth Fund and Sheriffs Association officials, Sheriffs, friends and associates. Weaver was accompanied by his wife, Jackie, and his daughter, Gayle.

Reminiscing friends recalled that Weaver was hired as the Administrator of the Boys Ranch in December, 1961, when the Ranch was still in its infancy and struggling for survival. They said shortages of staff and money forced him to get actively involved in the everyday chores at the Ranch so that at various times he filled in as cook, counselor, laundryman, farm manager, cottage parent and general handyman. Although this was a departure from his job description, it enabled him to develop warm, friendly relationships with young Ranchers which have survived through the years. Weaver seemed happiest when he was working with boys on a day-to-day basis, but his administrative and fund-raising duties drew him farther and farther away from these contacts.

Harry Weaver and his wife, Jackie, listen attentively while Don Genung, Youth Fund Vice President for Planned Giving, cites Weaver's many accomplishments.

The inability to keep in close touch with his boys was not to his liking. However, his expanding role as an administrator produced many benefits for the Boys Ranch. Under Weaver's leadership, the Ranch not only survived, but also grew spectacularly and achieved national prominence. The success of the Boys Ranch

encouraged Sheriffs to establish the Girls Villa in 1970 and the Youth Ranch in 1976, with Weaver continuing to exercise top supervision over all three child care centers.

After his title changed several times, Weaver eventually became President of the Florida Sheriffs Youth Fund, an umbrella organization which was incorporated to operate and finance present and future Sheriff-sponsored child care projects.

Currently, in addition to his routine duties, he is spearheading plans for a fourth child care center to be established in southeast Florida; a summer camping program for dependent and neglected children; and a \$3 million expansion program at the Boys Ranch, Villa and Youth Ranch. Close associates said they fail to see any evidence he is slowing down. Throughout 20 fruitful years the main thrust of Weaver's energy has been concentrated on Boys Ranch and Youth Fund activities, but he has also managed to use his talents for the benefit of other organizations and projects.

Sheriff Louie T. Mims (right), Chairman of the Florida Sheriffs Youth Fund Board of Directors, presents a set of golf clubs to Harry Weaver, while Sheriff Joe Sheppard, a member of the Board of Directors, applauds.

He is past president of the Florida Group Child Care Association; past treasurer of the National Association of Homes for Boys; a past member of the Advisory Board on Group Child Care Consultant Services; a founder and the first president of the National Association of Homes for Children; a past member of Florida's Task Force on Crime and Rehabilitation; past chairman of the Suwannee-Hamilton Area Vocational Technical School.

Weaver's many honors and titles were cited when friends and associates feted him at the Clearwater luncheon, but it was said that one honor, the Boys Ranch Alumni Association's "Our Friend" award, has meant more to him than all the others. Presented to him in 1975, the award is in the form of a wall clock. Inscribed on it is a quotation by Pope John XXIII which is one of Weaver's favorites: "See everything...overlook a great deal...correct a little."

New Faces in Key Places

It was "goodbye and good luck" from Dr. Bill Aust (center) and Jim Strayer to "Mac" Stones (left) who was leaving his position as Resident Director of the Boys Ranch to become Resident Director of the Youth Ranch. Dr. Aust has been promoted to succeed Stones as Resident Director at the Boys Ranch; and Strayer, as Youth Services Vice President for the Florida Sheriffs Youth Fund, is the immediate superior of the Resident Directors. Stones has succeeded Joe Spenard at the Youth Ranch, while Spenard has taken on new duties as Youth Fund Vice President for Planned Giving at the Southwestern Regional Office, Clearwater. Spenard will work in concert with former Pinellas County Sheriff Don Genung, who will retain his Youth Fund Vice Presidency but reduce his work load.

Resident Director Lloyd Godwin led a special service in the Girls Villa Chapel before the girls and staff members ate their Thanksgiving dinner.

After all that good food there was no griping about washing the dishes at the Youth Ranch.

Gee Whiz Mrs. G., You Really Know How to Throw a Party!!

Everyone at the Boys Ranch, Girls Villa and Youth Ranch had a special Thanksgiving treat on November 24, through the generosity of Mrs. G., a loyal friend who doesn't want us to use her real name.

Mrs. G., who is a widow in her 90s, provided a scrumptious Thanksgiving dinner with all the trimmin's for our entire family of youngsters and staff members — some 200 turkey lovers in all.

It was a happy occasion — really special because it reminded us how blessed we are to have friends like Mrs. G. who really care.

Mrs. G. and her late husband began expressing their interest in our boys and girls years ago after they retired and moved to Florida. The Thanksgiving dinner is only one example of their kind generosity. After Mr. G. died, Mrs. G. made a very generous gift to the Youth Fund in his memory. This gift has been used for improvements at the Girls Villa.

The G.s were both born in London, England. They came to the United States not long after the turn of the century and were married in Rochester, New York, in 1914.

At the age of 12, Mr. G. worked as a stable boy in London. He also nurtured a transitory ambition to become a western cowboy after he landed in America, but the harsh realities of western life soon changed his mind. He hung up his spurs and went to work for the Eastman Kodak Laboratories, in Rochester, sweeping floors for \$13 a week.

Through sheer determination and native ability he advanced steadily from this lowly position, and when he retired 47 years later he was the Assistant Superintendent of the Chemical Department.

Gene Sorrell, Sean Rosensteel and John Longacre admire one of the turkeys served at the Boys Ranch.

During their lean years Mr. and Mrs. G. made many financial sacrifices so they could invest a portion of Mr. G.'s salary in Kodak stock. This turned out to be a wise investment which eventually gave them financial security and enabled them to become generous benefactors.

Although Mr. and Mrs. G. have never had any children of their own, their concern and love for needy youngsters became one of their notable traits. It has been demonstrated many times through their kindness to our boys and girls.

President's Perspective

A message from
Harry K. Weaver, President
of the Florida Sheriffs
Youth Fund

As I proudly complete 20 years of service with the Florida Sheriff's Youth Fund and the Boys Ranch celebrates its 25th year; as we embark upon a bold \$3,000,000 building and renovation program at the Boys Ranch, Girls Villa and Youth Ranch, as well as add new services, I am moved to reflect upon our past 25 years and upon the tremendous future potential of our work.

I must admit there was a time when I was not sure that I or the Boys Ranch could survive. We were short of funds and staff. Inflation played havoc with our projections and planning. There didn't seem to be enough hours in

the day to complete the tasks that had to be done.

Then, somewhere along the way, something began to happen. People began to notice the Boys Ranch, to respond to its needs, and to share. Good things began to happen. The Boys Ranch not only survived but later made possible a Girls Villa and then a Youth Ranch. Now our Youth Fund Board of Directors has approved planning for another Youth Ranch in the southeastern area of Florida. Hopefully, this new program can be established within the next five years.

A summer camping program, which was conducted as a pilot project at the Boys Ranch last summer for approximately 40 boys, will be expanded to include more than 250 boys and girls this summer at four different campgrounds in North, Central, and South Florida.

What has brought about the tremendous success of the Florida Sheriffs Boys Ranch and subsequently the Florida Sheriffs Youth Fund as we know it today? In the first place, God is involved in our work. He has guided, directed, and been a part of our every move.

Secondly, there is and has been, and will be, a tremendous need for the care of preteen and teenaged boys and girls who must, for awhile, through no fault of their own, live away from their own homes.

Finally, we live in the most loving and generous coun-

THE FLORIDA SHERIFFS YOUTH FUND IS . . .

A charitable, non-profit corporation, sponsored by the Florida Sheriffs Association, to manage and operate the Boys Ranch, Girls Villa, Youth Ranch, and any other Youth programs that might later be developed by the Florida Sheriffs Association. An important function of the Youth Fund is the raising, receiving, budgeting, and disbursing of funds for its programs. The Youth Fund and its programs are supported almost entirely by voluntary gifts. Gifts and bequests can be made to the Youth Fund for the exclusive benefit of any single program, such as the Boys Ranch, Girls Villa, or Youth Ranch, or they may be made without restriction, to be distributed among existing programs as most needed or to be used for the development of new programs at the discretion of the Governing Board. Youth Fund Central Offices are co-located with the Boys Ranch.

BOYS RANCH IS . . .

A residential group child care program for dependent, neglected, or homeless boys between the ages of eight and eighteen. It is not an institution for juvenile delinquents. The Boys Ranch is sponsored by the Florida Sheriffs Association and operated by the Florida Sheriffs Youth Fund. It was founded in 1957 and currently has approximately 100 boys in residence at any given time. The Boys Ranch is located in North Florida, about halfway between Jacksonville and Tallahassee and nine miles north of the town of Live Oak on County Road 795.

GIRLS VILLA IS . . .

A similar program for girls located two miles east of Bartow, Florida, on Route 60. Originally conceived by the Sunshine State Women's Chamber of Commerce of Madeira Beach, Florida, the Girls Villa was adopted as a project of the Florida Sheriffs Association in 1970. The first buildings were completed and the first girls admitted in 1972. There are approximately 24 girls in residence at any given time. Mailing address and telephone number for the Boys Ranch, Girls Villa, and Youth Ranch are the same as for the Youth Fund.

YOUTH RANCH IS . . .

The most recently developed residential group child care program of the Florida Sheriffs Youth Fund. Also sponsored by the Florida Sheriffs Association, it was founded in 1976 and opened in 1978. It is located just east of the intersection of the McMullen-Booth Road and County Road 102 near Clearwater, Florida. The Youth Ranch has approximately 20 boys and girls in residence at any given time. It provides care in a homelike environment for brothers and sisters who are dependent, neglected, or homeless. Mailing address and telephone number are the same as for the Youth Fund.

try in the world — a land of people who have a built-in desire to give and who must give of themselves, their time, efforts, and material blessings — people who will give if they are comfortable in their giving — if they can see and feel the results of their giving as they have been able to do through the Boys Ranch, Girls Villa, and Youth Ranch.

This unbeatable combination of God's involvement, a critical need, and people who care and share, has made the Florida Sheriffs Youth Fund what it is today. You, our friends and supporters, are deserving of all the gratitude we can express. We wish that our friends and benefactors who have died over the years could be here now to see what their concern and kindness have built. To them and to all of you who are here to see it, we say a sincere **THANK YOU.**

I must also express my appreciation to the volunteers — dental and medical professionals and others who have given their services without fee — people who have provided transportation, landscaping, building, painting, professional consultation — the list goes on. President Reagan, with his expressed interest in voluntarism and the private sector, need look no further than the Youth Fund for an outstanding example of just what

he has been talking about — and it has been going on ever since the Boys Ranch began.

There are those who have been able to underwrite the cost of entire buildings or to furnish buildings that have been built by others. Some have provided special educational funds; others food, clothing, or assorted materials.

There are people who give cash gifts in all sizes. What is more important, they give regularly and consistently — monthly, annually, and on special occasions. It's easy to talk about dreams and goals, but without adequate funds and consistent support, the dreams never come true and the goals are never reached.

So, to all of you — our Youth Fund Family — I take this opportunity to say thanks on behalf of our staff, our Board of Directors, our Sheriffs, and, most importantly, the boys and girls we serve, for your generosity and kindness over the past 25 years. I see nothing but great progress and growth for the Youth Fund in future years, because of the great need that the Youth Fund programs are filling and because you are conscious and concerned about that need.

Thank you again.

**Landmark Will Look Great
When We Celebrate**

Keeping our facilities shipshape is a never-ending chore, and one of the most difficult of our periodic projects is painting the Boys Ranch water tower. We recently hired some agile daredevils to do the job, both inside and out, and now our familiar landmark is properly spruced up for the 25th Anniversary Celebration which will be held at the Boys Ranch October 1, 2, and 3, 1982.

HONOR GIFTS

A gift may be made to the Youth Fund in honor of a person and/or a special occasion, such as a birthday, anniversary, etc. If appropriate, and if a mailing address is provided, a letter of acknowledgment will be made to the person being honored. A listing of the donor and the person honored will appear in a future issue of "The Rancher" magazine, and, when address is provided, the person honored will receive a copy of the issue in which his or her name appears. In the listing below, the Honoree is listed first in all caps.

Telephone Your Gift

To improve our services to you, the Youth Fund now accepts memorial and honor gifts by telephone. We'll send an acknowledgment card to the bereaved party or person being honored the day we receive your call — before your gift arrives — so that the message of your thoughtfulness will not be delayed. Call 904/842-5501.

A Day with the Gators

One of the highlights of 1981 for Boys Ranch youngsters was a visit to the University of Florida campus, in Gainesville, as guests of Coach Charlie Pell and the Florida Gator football team. Twenty-eight Ranchers made the trip on November 27.

Highlights of the visit included a tour of O'Connell Center, the football stadium, the athletic weight lifting area and the training rooms. The boys shared a meal with University of Florida football players and collected some

autographs. They also shared some time with the players in the athletic department's game room and on the football field.

The Ranchers thoroughly enjoyed their visit, which may become an annual event. Prior to the trip, Phil Pharr, public relations representative for the University, visited the Boys Ranch and presented some movies of Gator football games. Pharr was the starting center on the Gator football team in 1980.

About your will. . . .

Many generous friends have thoughtfully made provision in their wills for our youngsters. If you are considering a gift of this nature, we can furnish information to assist you in drawing up a new will or revising an old one. Through a bequest to the Florida Sheriffs Youth Fund, Inc., you can help youngsters at any or all of our facilities, as you choose. Simply fill out the form below and mail it in the postage-paid envelope found elsewhere in this issue or call Area Code 904-842-5501 for further information.

NEW ADDRESS?

Americans are on the move, and keeping up with changes of address is a six-aspirin headache. Some of our subscribers (bless them) send us their new addresses. Others let the U. S. Postal Service notify us, and the Postal Service charges us 25 cents for each new address. If you have a new address, please help us to keep our budget in balance by clipping out this form, filling it out and mailing it to:

GIRL MEETS TRACTOR

We have a new tractor and mower at the Girls Villa and some of the older girls are being trained to service and operate them. These pictures show Yvette Blanchard, Kelly Brooks and Jennifer Brock receiving instructions from Recreation Supervisor Jim Grazier so they can help out with grounds maintenance.
