# President's Perspective

A message from  
Harry K. Weaver, President  
of the Florida Sheriffs  
Youth Ranches

Despite the present economically troubling times, you, our donor family, have helped us to meet our current commitments. We all know as we enter 1992 that the economy continues to have its problems.

However, we are approaching 1992 in the same positive manner as we have in the past nearly 35 years. We have confidence that you will continue to see that approximately 1,200 boys and girls and their guardians on a daily average will continue to receive services from the Florida Sheriffs Youth Ranches.

Speaking of costs, income, etc., I would ask that you respond, if it's appropriate, using the reply card inserted in this issue of *The Rancher*.

It is our desire to eliminate any duplication of *The Rancher* that is being mailed. Also, there may be someone who does not care to receive *The Rancher*, or who may want to speak to us about another matter. Perhaps there is a spelling or address problem.

As for income, we have had and continue to have a plan for you. Enter into a charitable gift

annuity with the Youth Ranches, and you can receive an attractive income now and for life. At your death, the Youth Ranches will receive the balance of the principle that will benefit the boys and girls. See the information and table elsewhere in this issue and study it thoroughly. Give us a call or write if you have any questions.

During 1991, members of our donor family entered into gift annuity agreements totaling \$1.5 million. We take great pride in the confidence that you have shown in our success and management and in our mission to serve troubled boys and girls.

Thank you, and we all wish you a good year in 1992.

# Planning has begun for the Youth Ranches 35th Anniversary

The Florida Sheriffs Youth Ranches will celebrate its 35th anniversary during the first weekend in October and planning for the big doin's are already under way to make it a special year.

Planning began nearly two years ago, with the first objective of the Youth Ranches staff being to make certain that as many people as possible are aware of the coming celebration. Some of the proposed activities include preparation of anniversary billboards, scheduling speaking engagements for Youth Ranches staff at civic clubs around Florida, and designing commemorative coffee cups, stationery, envelopes, and seals.

In addition, a new Youth Ranches film is planned for production this year, new public service announcements are to be recorded and taped, and various informational material will be sent to the media statewide. An anniversary edition of *The Rancher* will be published in the fall, and posters will be distributed statewide to Sheriff's offices, banks, Youth Ranches programs, and other key locations.

A special project to raise about \$12,000 to replace the huge lighted star that once stood on a hillside at the Florida Sheriffs Boys Ranch is underway. This Youth Ranches symbol was erected for the 30th anniversary in 1987, but was removed recently for safety reasons when the supports began deteriorating. Nearly \$1,000 has been raised so far.

Community breakfasts, announcements on hotel and motel marquees statewide, a proclamation by the Governor commemorating the anniversary, a trip by Youth Ranches youngsters to the state Legislature, and a trip to Washington, D. C. to see our government in action will be a part of the celebration.

Of course, the biggest event will be Open House at the Boys Ranch Oct. 2, 3, and 4. There will be many special guests, entertainment, a three-day open horse show, camping sites available under the pines, an alumni reunion, and much more.

Sheriffs will be urged to confirm speaking engagements at civic clubs, host fund-raising events, or contact the local media about running feature stories about the Youth Ranches.

If you are a civic club official, please call our Public Relations Department at 904/842-5501 to schedule a speaking engagement or a fund-raiser.

We're asking our alumni and donor family members to spread the word about the anniversary, telling others about the Youth Ranches and its 35 years of caring for troubled boys and girls.

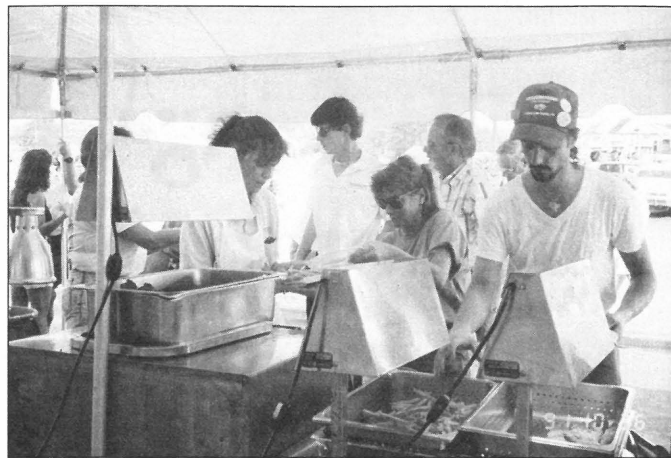

# Great idea that refuses to die inspires a five-star fish fry

PINELLAS PARK — A great idea was born here 33 years ago. It had a very useful life, passed away in its prime, and was finally brought back to life with much success last fall. Here's how it happened:

In 1958, when the Florida Sheriffs Boys Ranch was a brand new project, the first major fund raising event was a fish fry sponsored jointly by Pinellas County Sheriff Don Genung and restaurant owner Johnny Leverock Sr.

It was a great idea. In fact, it was so successful that it became an annual event and raised thousands of dollars for the struggling Boys Ranch during the 1950s and 60s. It would have lasted longer, perhaps, but the crowds just got too big to handle.

After that it was given a place of honor in the Boys

Leverock Seafood House employees prepared and cooked food for over 1,000 patrons.

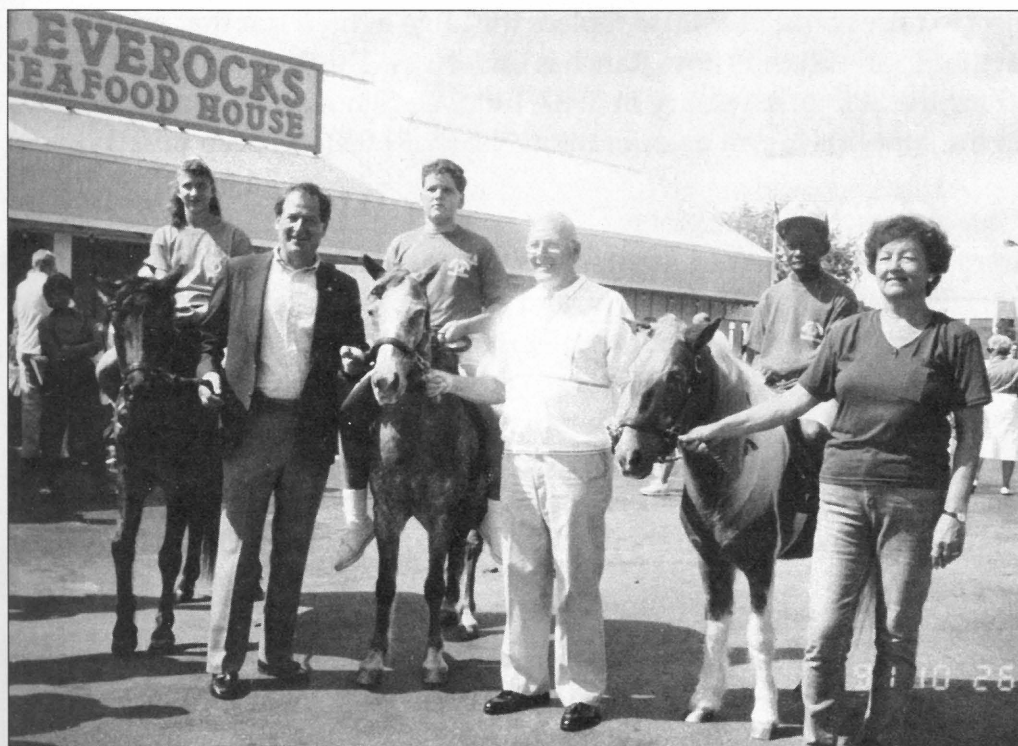

Ranch history archives and placed on the shelf along with other pleasant memories of "the good old days." As years passed, it gathered dust there while many changes were taking place in Pinellas Park and at the Ranch.

Don Genung retired; Johnny Leverock Sr. and Johnny Leverock Jr. died; and the restaurant was acquired by a new owner. In time, it was not easy to find anyone in Pinellas Park who remembered the Leverock fish fries.

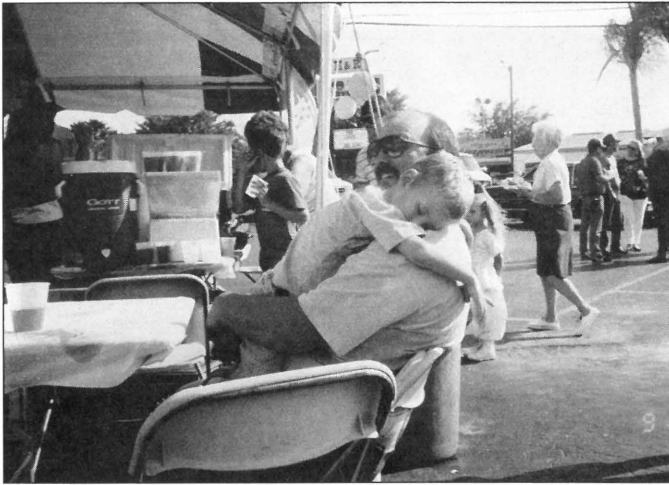

While all this was happening, the status quo of the Boys Ranch was also being altered. Changes began

brewing there in 1969 when a decision was made to establish a similar program for girls near Bartow. Further expansion followed between 1969 and 1992, as programs similar to the Boys Ranch were established in other areas of the state. Consequently, the Boys Ranch eventually became just one of six programs administered by the Florida Sheriffs Youth Ranches, Inc., in a statewide network of youth care facilities and services.

Between 1969 and 1992, the old order certainly changed, and as a new era took shape, the 1958 Leverock Fish Fry became just a dimly remembered fragment of early Boys Ranch history.

Guests of honor at the Leverock Memorial Fish Fry were Pinellas County Sheriff Everett Rice,(L), and former Pinellas Sheriff Don Genung. Lois Arnold, from Hidden Oaks Farm,(R), donated pony rides. The riders are,(L to R), Shannon Butler, Robert Carroll and Tim Davis from the Florida Sheriffs Youth Ranch at Safety Harbor.

Good food, a warm day, and . . . well . . . the fish fry was just too much for the son of Scott Powers, one of the sponsors. His firm, Powers Printing Corp., provided a large amount of printing, and charged only for the materials.

However, in May 1991, when funeral services were held for Bertha Leverock, widow of Johnny Leverock Sr., the good old days of fund-raising were discussed, and a suggestion was made that the Leverock fish fries ought to be revived as a memorial to Johnny Leverock, Bertha and Johnny Jr.

John Strauss, the present owner of Leverock's Seafood House agreed, and later discussed the idea with Jean Newell, Youth Ranches Vice President Planned Giving.

She was enthusiastic, and promptly arranged a meeting with Genung, Strauss, and Youth Ranches Regional Director Fred "Mac" Stones. This foursome gave the idea "thumbs up." Then Genung was persuaded to come out of retirement and serve as honorary chairman.

Pinellas County Sheriff Everett Rice helped the cause along by publicizing the coming event in his speeches and selling tickets.

The memorial fish fry was set for Oct. 26, 1991, but preparations began far in advance. Sponsors were signed up. Donations were accepted. Arrangements were made for publicity and entertainment. Volunteers were recruited. All of these details were familiar to Genung from past experience, but he claims that Jean Newell was the person who "really ramrodded" the project.

Regardless of who did what, the important thing

Gene Barry, CEO, Chase Manhattan Bank of Florida, and his wife Pat, dining in the shade of one of the tents provided by his firm.

is that by the time Oct. 26, 1991, rolled around, everything was shipshape, and the First Annual Leverock Memorial Fish Fry was unveiled as a reasonable facsimile of the 1958 original.

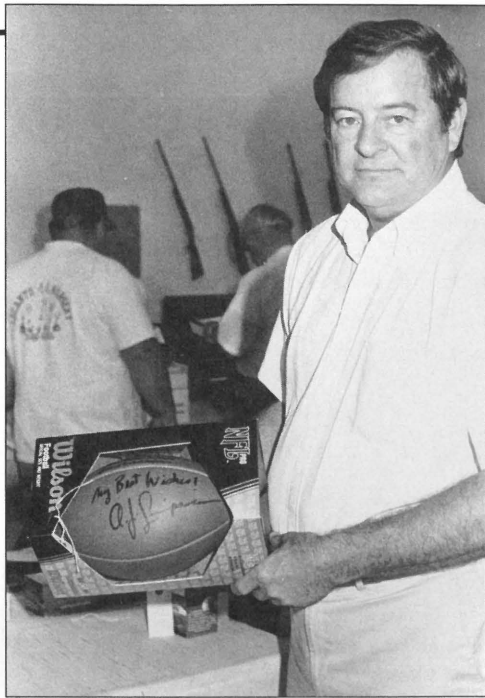

Between noon and 4 p.m., over 1,000 patrons were served a traditional menu of fish, hush puppies, french fries and cole slaw prepared by the Leverock restaurant staff. Grownups dined, chatted, soaked up the warm sunshine, or listened to entertainers; while youngsters, including 15 from the Florida Sheriffs Youth Ranch at Safety Harbor, lined up for pony rides provided by one of the donors. It was almost like old times, and the results were very gratifying — especially later on when a final tally revealed that over \$5,000 had been raised for the Florida Sheriffs Youth Ranches, Inc.

Jean Newell was pleased with the outcome, especially when restaurant owner John Strauss told her he wanted to continue to sponsor the memorial fish fry as an annual event.

So what they say about great ideas must be true: "They never really die, they just hang around in limbo waiting to be reborn."

Volunteers who donated their time and talent included generous folks from WSUN country western radio station.

# First Opportunity Store auction in Crystal River is successful

*By Susan Lamb, Managing Editor*

As the Youth Ranches family expands, we must continually seek new ways to raise funds to care for the many precious lives with which we have been entrusted. It is this quest that led to the first — and very successful — Opportunity Store auction in Crystal River Dec. 14, 1991.

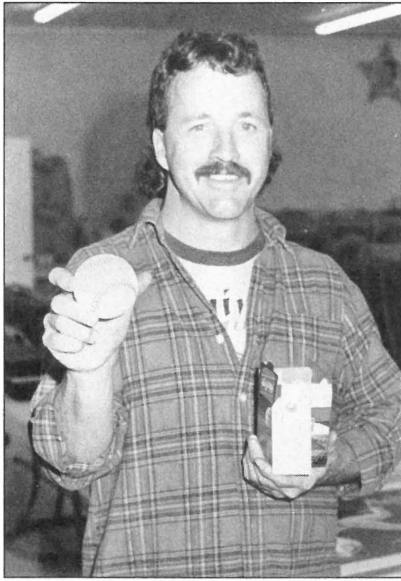

The donation of several dozen prized sports collector's items including footballs autographed by O. J. Simpson and Joe Montana, baseball cards, Steve Garvey posters, a baseball autographed by

Linda VanAntwerp displays a cabinet stereo during spirited bidding from the audience.

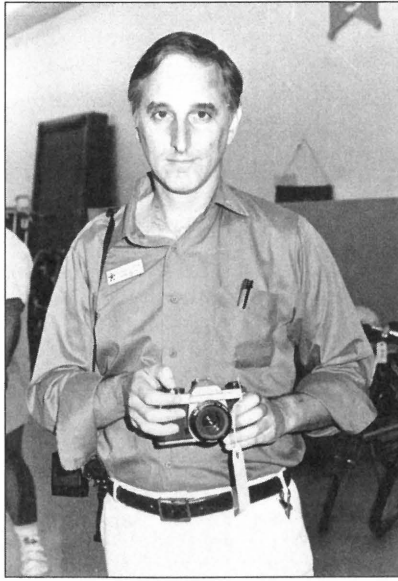

Ted Williams, and other notable memorabilia was the inspiration for the auction. Crystal Square Shopping Center owner Les Roth, who was responsible for the Opportunity Store locating in his shopping center, collected a considerable amount of sports collectibles which he donated, and then attended the auction as a bidder!

The auction was held inside the store and drew more than 50 bidders. Other items auctioned included furniture, televisions, diamond rings,

coins, fishing equipment, cameras, stereos, speakers, a powder horn, guns, and Hummel figurines. All the items auctioned had been donated to the Youth Ranches. When we cannot use an item immediately within our programs, we often sell it at auction and use the money for day-to-day expenses such as food and clothing. The bidding was vigorous and most bidders expressed an interest in attending future auctions in Crystal River. Some folks volunteered to donate items for the next auction.

Proceeds from the auction totaled nearly \$3,000 to help troubled boys and girls.

If you would like to donate items to the Youth Ranches, please contact the nearest Youth Ranches office, your local Sheriff's Office, or the Youth Ranches Office of the President at 904/842-5501.

Frances Bronson of St. Cloud was just visiting in the Crystal River area when she stopped in during the auction to shop. She went home with a 1984-85 Toyota bumper for her grandson. She purchased it for \$30.

# Moving ads in Orlando help Youth Ranches

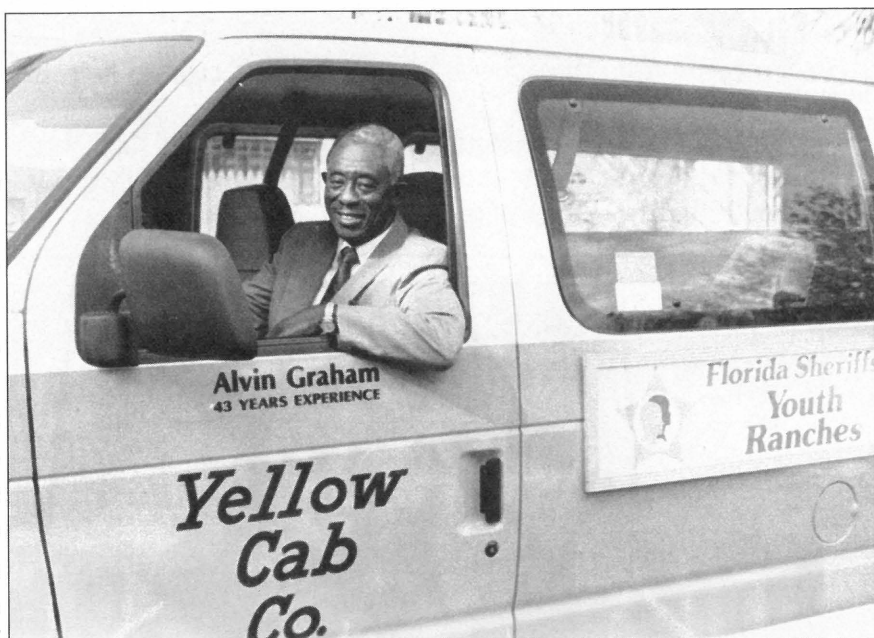

ORLANDO — Sheriff Walter Gallagher of Orange County (center) presents Golden Star Award to Mears Transportation Group represented by Alvin Graham, International Cab Driver of the Year (left) and Rob Searcy, Mears Transportation Executive Vice President. Also presented was a five-star Lifetime Honorary Membership in the Florida Sheriffs Association.

Mears Transportation Group of Orlando has opened another avenue of public awareness for the Youth Ranches by committing to run display advertisements for the Florida Sheriffs Youth Ranches on its fleet of vehicles for the next three years. Its 1,300 employees also received Youth Ranches fact sheets and brochures so they can answer questions their customers may have about the Youth Ranches.

Owned by Paul Mears Jr., of Orlando, the company has been publicizing charitable causes for many years and decided to place signs advertising the Youth Ranches on its vehicles in 1991.

"We generally rotate this plan, but right now we just run Youth Ranches signs," said Mears Executive Vice President Rob Searcy. "What we do when we have space available is run anywhere from \$1,500 to \$2,500 worth of advertising a month on our fleet of around 350 taxicabs and vans."

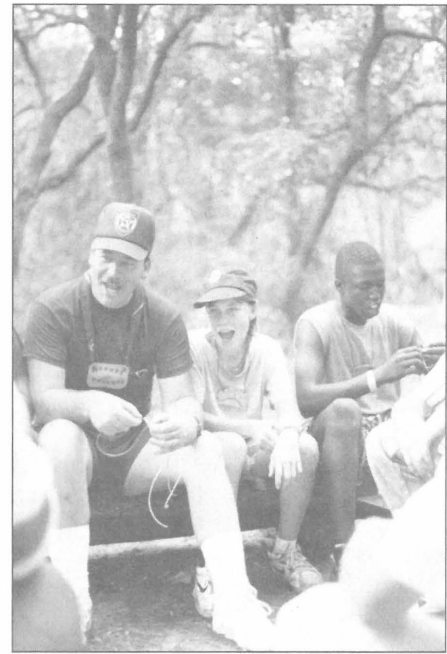

In addition to providing the advertising, the cab company also supports the Florida Sheriffs Youth Villa by providing a vehicle and driver to transport about 40 youth to the Florida Sheriffs Youth Villa's annual awards banquet off campus.

Mears driver is best in world

Alvin Graham, 72, a Mears employee for 43 years, was chosen International Taxicab and Livery Driver of the Year in 1991 from among more than 1 million cab drivers around the world. He is always ready to tell his passengers about the Youth Ranches and doesn't have any plans to retire from the job he's held since 1936.

# Summer Camp is just around the corner

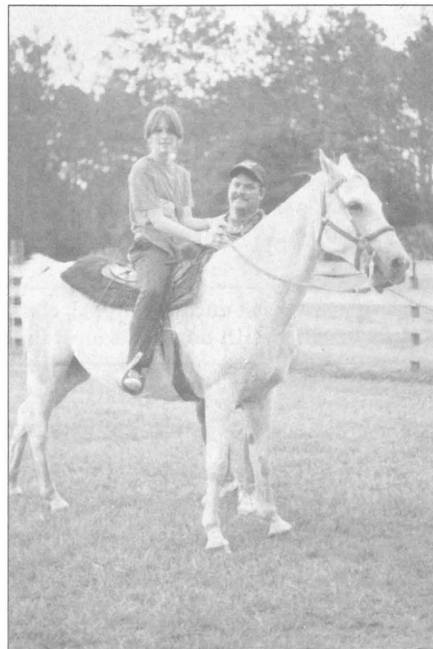

*By Susan Lamb, Managing Editor*

The trees are beginning to put on their summer attire, the grass is starting to turn green, and flowers are poking their colorful heads through the earth. It's spring and the Florida Sheriffs Youth Ranches Summer Camp is just around the corner.

Summer Camp will provide opportunities for nearly 500 youngsters this year to enjoy 10 days in a safe, loving, fun-filled, discipline-oriented atmosphere. Many of the staff members are camp veterans. They will be joined by dozens of volunteer deputy sheriffs who provide leadership, friendship, and role models for the youngsters.

Many of the campers come from homes where self-esteem is very low, and opportunities to excel are few. Some may have faced abuse. Most would never otherwise have the opportunity to attend a summer camp.

While at camp, the boys and girls will enjoy swimming, hiking, horseback riding, archery, boating, group singing, picnics, delicious and nutritional meals, demonstrations by law en-

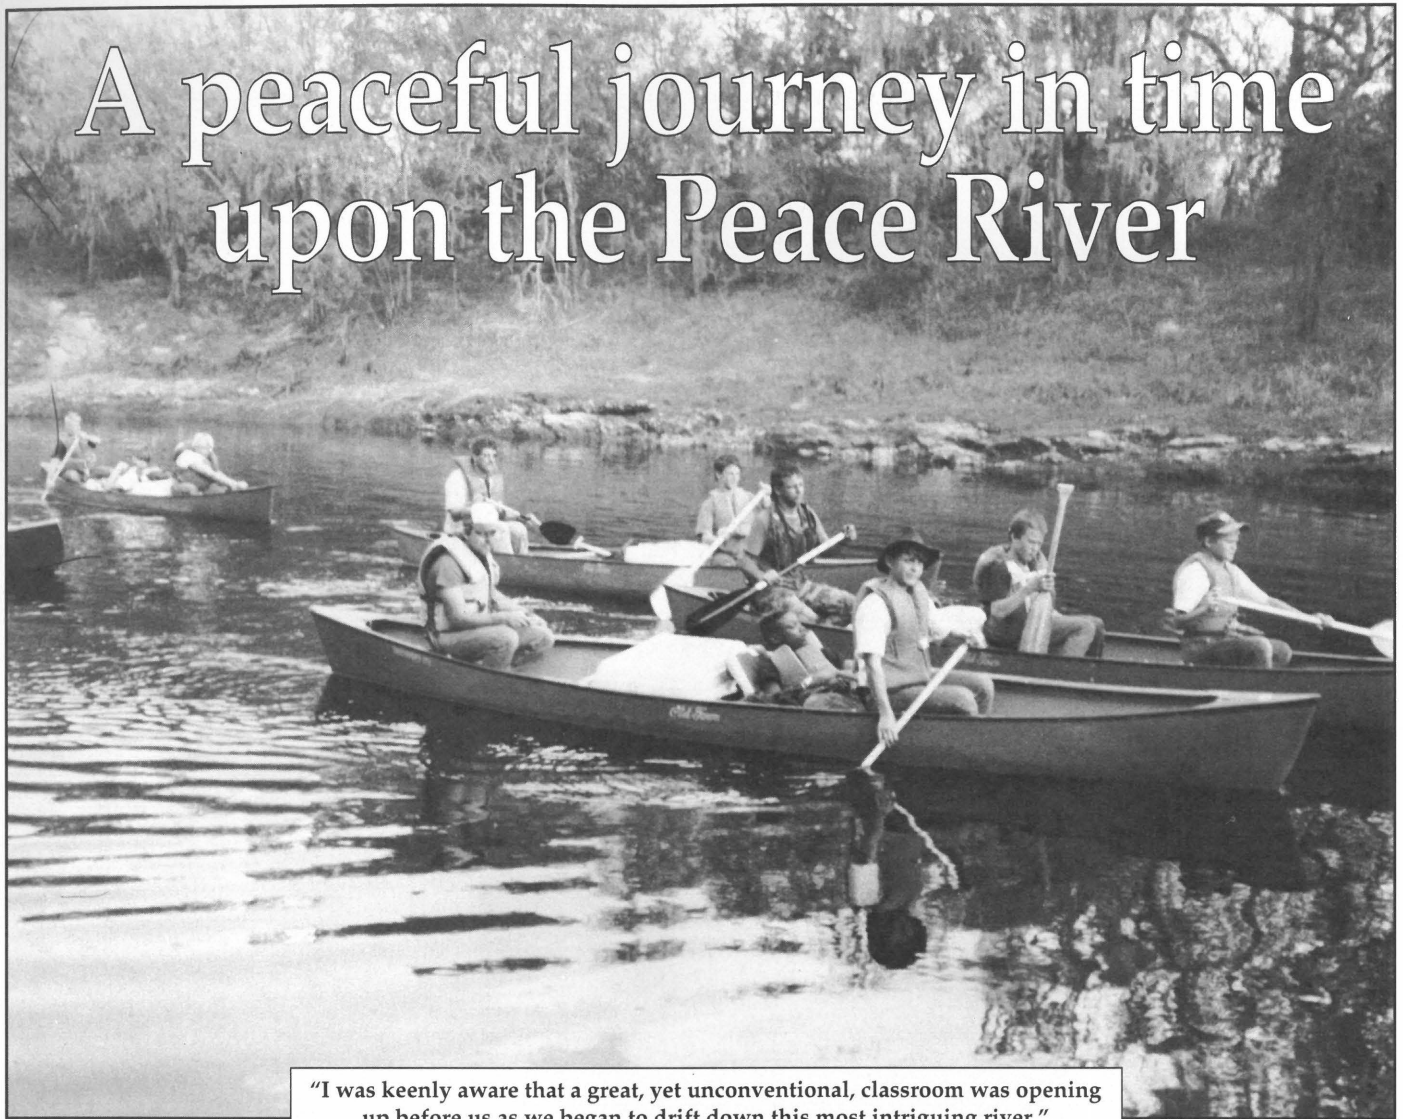

forcement authorities, arts and crafts, and climbing "the wall." Our aim is to insure that every camper goes home with a positive memory of their camping experience so they will grow strong both physically and mentally.

As always, "Law officers are your friends" will be the theme during Summer Camp. We will stress to the boys and girls that law officers are friendly people whose job it is to protect the community. The officers wear casual clothing until the last night of camp when they dress in full uniform. Youngsters are often

surprised to see a person they have grown to admire as a counselor dressed in a law enforcement uniform they perhaps feared or distrusted. Goodbyes are said on the last night of camp during special ceremonies, and tears often flow freely from both officers and boys and girls.

Yes, Summer Camp is just around the corner, and we're anxious to see that first busload of excited boys and girls drive up.

# A peaceful journey in time upon the Peace River

"I was keenly aware that a great, yet unconventional, classroom was opening up before us as we began to drift down this most intriguing river."

*Editor's note: Caruth Camp youth often explore the rivers of Florida, Georgia and the Carolinas as part of their experiential education. This is an account of one of those explorations written by Caruth Camp staff member Terry Kelly who accompanied this group.*

*By Terry Kelly  
Caruth Camp Teacher*

**N**early a dozen Caruth Camper youth explored the Peace River by canoe for four days during a three-week trip to South Florida. The trip began at Wauchula in Hardee County.

Loading five canoes with food, gear, and people is routine for these young woodsmen. As their teacher, it is my job to use non-traditional methods. Each camper comes from a troubled background

where traditional teaching methods are not usually effective.

Some have lived in many foster homes, been shuffled between divorced parents, or weathered multiple, unsuccessful adoptions. Their lives have been changed drastically for the better by the program at Caruth Camp, where emphasis is placed upon responsibility for one's actions, tackling and solving problems as they arise, learning to rely upon each other, and learning self-reliance at the same time. They are intelligent, immensely motivated lads who bubble over with energy and a great thirst for knowledge and love.

Caruth Camp staff are charged with channeling this energy and directing their quest so the productive, responsible adult inside can emerge like a butterfly from its cocoon.

Channeling this energy into productivity is no

small feat. Therefore, as their teacher and role model, I was keenly aware that a great, yet unconventional, classroom was opening up before us as we began to drift down this most intriguing river.

As a native of Hardee County, I was pleased to see the Peace River had changed very little. Wildlife was abundant. We spotted an armadillo on shore, captured it, and prepared it for a tasty meal. There was also plenty of freshly caught fish to quiet our hungry stomachs.

As we continued, turtles, sunning themselves on outstretched tree branches, splashed into the river. We passed small, beady-eyed alligators lurking in the underbrush. Curious raccoons waded along the shore, washing their prey while birds with diversified plumage flew overhead. It was the kind of peaceful setting that every person longs for, but few have the opportunity to enjoy.

The joy of seeing these troubled boys basking in the afternoon sun, laughing and singing, at peace

with themselves and the world as their canoes sliced through the waters, was almost overwhelming. I wondered what these youngsters would be doing today in their previous environment if it weren't for the Florida Sheriffs Youth Ranches. The question troubled my soul.

During our visit to Hardee County, we were treated royally by its residents, including Sheriff Doyle Bryan. After weeks of hiking, camping, canoeing, sightseeing, and cooking our own meals, we were delighted when the Kiwanis Club, in conjunction with the Golden Corral restaurant, provided a delicious steak dinner and all the trimmings to our group.

A tour of the Hardee County *Herald Advocate* offered another opportunity for our boys to arm themselves with knowledge. And, freshly made chocolate chip cookies provided by the *Advocate's* Jim and Jean Kelly topped an already stupendous trip.

## Triathlon raises funds for Youth Ranches

By Susan Lamb, Managing Editor

Each October Fred Sommer brings some of the most fiercely competitive athletes in the world to the small community of Clermont to participate in THE GREAT FLORIDIAN TRIATHLON. At the same time, this athletic event gives substantial support to the Florida Sheriffs Youth Ranches.

The 1991 triathlon attracted more than 200 competitors from 34 states and countries to test their endurance in a 112-mile bicycle ride, a 26.2-mile marathon run, a relay race, and a 2.4-mile swim. "It's the relay race that brings in the money for the Youth Ranches," said Mr. Sommer. He added that 100 percent of the proceeds from the relay event goes to the Youth Ranches.

During a recent visit to the Florida Sheriffs Boys Ranch to present a check for \$2,000 from those proceeds, Mr. Sommer said when it came time to pick a charity to benefit from the fund-raiser, there was no question it would be the Youth Ranches. "We wanted to pick a good charity to raise money for," he said. "I'm partial to the kids because I used to work with youth."

Planning is now underway for the October 1992 Triathlon. It will take on a more festival-type

atmosphere, said Mr. Sommer, and will feature bungee jumping, paraplanning, and water sports in addition to the triathlon. The 1992 event will also include an open law enforcement competition category.

Contestants in THE GREAT FLORIDIAN TRIATHLON must be current members of the Triathlon Federation/USA. Law enforcement competition is open to any certified law enforcement officer. For more information, contact Fred Sommer, P. O. Box 121236, Clermont, FL 34712; or phone 904/394-1320.

## Unusual gifts come our way to help a boy or girl today

*By Susan Lamb, Managing Editor*

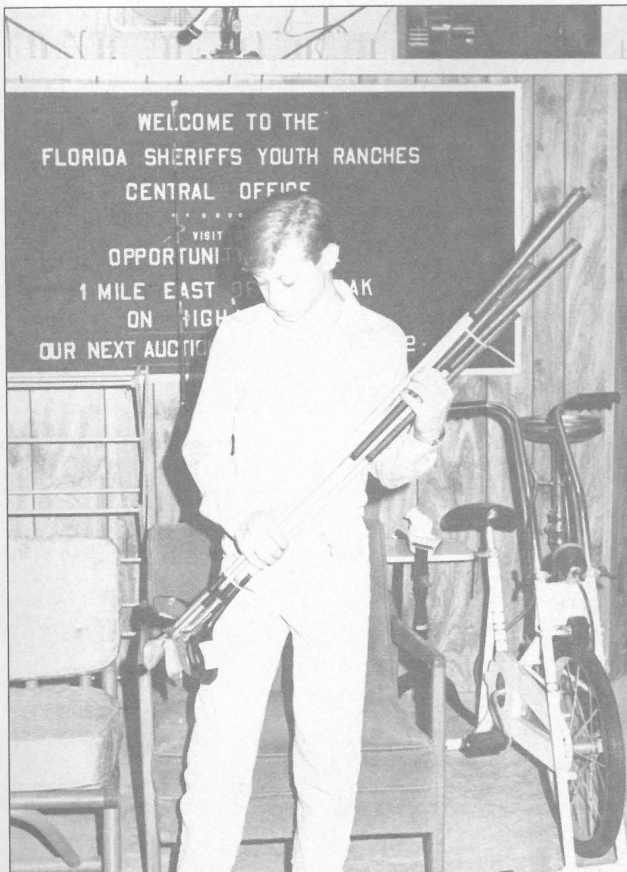

Since the beginning of the Florida Sheriffs Youth Ranches in 1957, many kind friends have chosen to assist troubled boys and girls in various ways that include cash gifts, wills, trusts, and non-cash gifts.

Along with the normal non-cash gifts of furniture, tools, and horses have come many unusual items. For example, a recent gift from a Marion County veterinarian consisted of the popular Vietnamese pot-bellied pigs and exotic chickens.

Not only do we get unusual gifts, sometimes the live ones are unruly. In the early days, a field representative went out early one morning to pick up a donated pony and spent the better part of the day chasing it through a swamp. He returned to the Boys Ranch tired and dirty, but a smile of satisfaction crept across his face as he unloaded the unruly character.

These days, we count among the animals that have been donated horses, cattle, goats, sheep, donkeys, ducks, geese, and hogs.

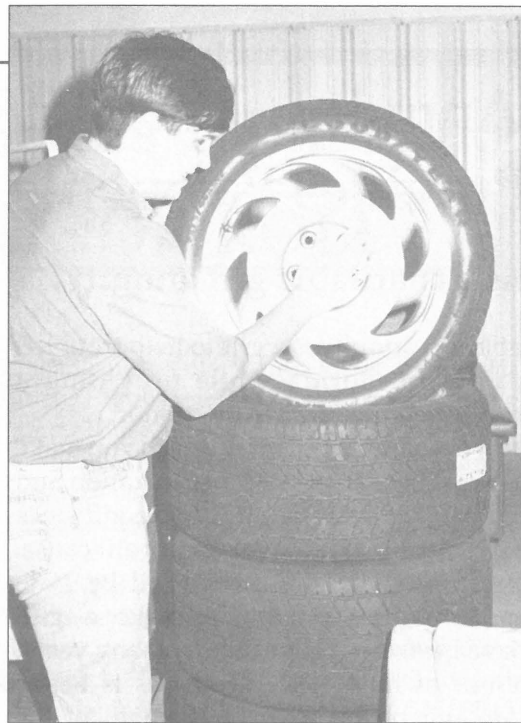

Our auctions often reflect the trend in non-cash gifts. The February auction at the Boys Ranch was an example with such items as a grandfather clock, carved figurines, collectibles, guns, a brass

bed, oriental rug, baby stroller, antique secretary, and electric organ.

Although the Youth Ranches holds four auctions each year at the Boys Ranch, our three Opportunity Stores are open year-round, six days a week. There, you can find many unusual gifts. A recent stroll through the Opportunity Store in Live Oak revealed an antique iron bed with scroll-work, vintage clothing, collectible glassware, executive's desk, and a film projector among thousands of items for sale.

One of the biggest fund-raising projects for the Youth Ranches is non-cash donations. Gifts of new or used items have been vital to the Youth Ranches from the very beginning. It has and will continue to be one of the easiest ways a donor family member can help the boys and girls.

The non-cash department has grown from one person using a pickup truck, to its present staff of four people and numerous trucks, horse trailers, car and boat haulers, and tractor-trailers! Two field representatives travel the state collecting these useful items. When necessary, staff at the programs pitch in to help.

The Youth Ranches appreciate each and every gift. When possible, we use non-cash gifts within our programs. If not, the items are sold and the money is used as operating funds such as purchasing food and clothing for the boys and girls.

# Gift Annuity . . . A Gift That Gives and Provides Payments For Life

## What is a charitable gift annuity?

A charitable gift annuity is a gift to help troubled boys and girls in Florida while providing a guaranteed lifetime income for the donor.

It is an irrevocable agreement by which you make a gift to a qualified charitable organization and receive fixed payments for life. It is also a gift since part of the payment is given for a non-profit cause. Charitable gift annuities are recognized by state and federal authorities as a way to make a gift, and they have been around for many, many years.

The amount of income one receives is based upon the amount of the gift and the age of the donor. The older the donor, the higher the gift annuity rate.

A portion of the gift is immediately tax deductible as is a portion of the income.

Organizations issuing gift annuities are required by Florida law to meet precise financial standards and be registered. The Youth Ranches was the first organization in Florida to be issued a permit to write charitable gift annuities. The Youth Ranches permit number is DAAP-74-1. The Committee on Gift Annuities meets every three years to set the uniform annuity rates and the Youth Ranches is a sponsoring organization of this group.

## HONOR ROLL

### Roster of Builders

To protect our donors from receiving unwanted solicitations and junk mail, we have discontinued printing home towns when we print names. This became necessary after we learned that certain organizations of questionable legitimacy were adding our donors to their mailing lists. As long as the home towns are not revealed, this will be extremely difficult to do. We want our donors to know that we have never permitted other organizations to use our lists of supporters, and we will continue to do everything possible to preserve their privacy.

This Honor Roll gives special recognition to generous supporters of the Florida Sheriffs Youth Ranches and its six child care programs: the Florida Sheriffs Boys

Ranch, Youth Villa, Youth Ranch/Safety Harbor, Youth Ranch/Bradenton/Sarasota, Youth Camp, and Caruth Camp. Those who give \$100 or more receive a Builder Certificate, and their names and pictures are printed in *The Rancher*. Those who give \$1,000 or more receive Lifetime Honorary Membership in the Florida Sheriffs Association, and their names and pictures are printed in the *Sheriff's Star*, official publication of the Florida Sheriffs Association. A large wall plaque is awarded to each Lifetime Honorary Member, and gold stars are added when that person's total gifts reach \$5,000 (one star); \$10,000 (two stars); \$15,000 (three stars); \$20,000 (four stars); and \$25,000 (five stars). For gifts of \$50,000 or more, there is the Golden Star Award. Donors of \$100,000 or more receive the Grand Star Award.

## Sheriffs and guests applaud Youth Ranches musicians

CAWTHON

TUBBS

JACKSONVILLE — Sheriffs, wives and guests attending the Florida Sheriffs Association's Annual Mid-Winter Conference in Jacksonville on Jan. 13, were entertained by youths from the Florida Sheriffs Youth Ranches, including Neal Erb and Mike Luman on guitars; Keith Meeks and Mike Kelly presenting a trombone and trumpet duet; and Brandon Cawthon singing "God Bless the USA." The presentation marked the Youth Ranches 35th Anniversary.

Jerry Tubbs, a Youth Ranches Group Care Worker with experience as a professional musician, also sang a medley of country/western songs while imitating famous country/western stars. Boys Ranch Chaplain Warren Thompson served as Master of Ceremonies after Youth Ranches President Harry K. Weaver made introductory remarks.
