# President's Perspective

*A message from  
Roger O. Bouchard, Jr.  
President of the  
Florida Sheriffs  
Youth Ranches, Inc.*

The cover of this edition of *The Rancher* shows some of our younger boys with a few of the animals in their care. At the Boys Ranch in Live Oak, these youngsters are immersed in the life of an operational farm with all its hard work, long hours and life lessons every day. The farm has taught generations of boys the importance of caring for the land and the animals as well as the pleasure of a job well done.

It is always fun to see a boy come to the ranch from the city and go out to the farm for the first time. Having never seen a live horse or cow up close, they are often fearful and must be coaxed into coming close. As the staff and older boys teach them the basics, they quickly become more skilled in the handling and caring for the animals.

I have often seen the horses, cows, goats, chickens and other animals at the farm provide a wonderful therapeutic effect on the children. For a troubled fourteen year old, learning to control a 1,000 pound horse with just a rope and halter helps them learn to handle their own impulsive behavior. Spending months caring for a calf and grooming and training it to show at the county fair teaches a youngster the importance of managing their own behavior and appearance. Spending the day loading bales of hay onto a trailer in the heat of summer, builds not only strong muscles, but strong character.

Our ultimate goal is to provide the children in our programs with the very best care, education and training possible. Having the farm as an integral part of our program has been a wonderful asset and has made a

difference in the lives of hundreds of boys throughout the years.

If any of you would be interested in taking a tour of the Florida Sheriffs Boys Ranch and seeing how the farm helps us achieve our mission, please give me a call and set up a time to visit. I would love to have you meet some of our youngsters and let them tell you about their life on the Ranch.

# Diplomas and Degrees – All Add Up to Success!!

Our young men and women are filled with great potential! Many of these young adults have lived at the Ranch for several years and are ready for the next step in their life's journey.

Thanks to the generosity of our donor family, funds have already been set aside for those who wish to excel in college or vocational school. As long as their grades, work ethic and behavior remain stable, they should be eligible for some additional support as they move forward in school.

Many people ask how they can express pride in the achievements of our children. By making a general gift to the Youth Ranches in honor of our graduating Seniors, your contribution will be used to help those who follow in their footsteps. Please use the envelope in the center of the magazine and note your gift in honor of "the class of 2008" in the space provided. This will ensure future generations of boys and girls will receive the education and care they need to succeed. Thank you for supporting the Florida Sheriffs Youth Ranches!

# Bryan is a Living Testimony to the Success of the Florida Sheriffs Boys Ranch!

Recently, one of Ranchers spoke to the Sheriffs of Florida – his speech moved many to greater action and support for the Florida Sheriffs Youth Ranches, Inc. We felt our donor family deserved to hear his story in his own words.

*Good Morning – My name is Bryan and I would like to start by thanking you for allowing me to be here today! I am a 17 year old senior in high school. The Florida Sheriffs Boys Ranch has been my home for the past two and a half years.*

*I would like to share with you about a young man who had no direction, no cares for his future! This young man was an expert on drugs and alcohol. He had a personal relationship with law enforcement. He had family problems, major school issues, a bad attitude, a self-destructive mindset and no integrity whatsoever!*

*Until one day, he came to the crossroads of his life. A major decision had to be made...a decision that would either make him or break him. He chose the Florida Sheriffs Boys Ranch! Not only did he go to the Boys Ranch, but he arrived there with all of his problems including his total disrespect to adults! He believed that he was invincible. It didn't take long for his bad-boy reputation to get around. He had become well-known around the ranch for his disrespect, bad attitude, dishonesty and non-compliance with Ranch rules. All this went on for quite some time until one day in the office of the Unit director, the light came on and he realized his life was going nowhere! He decided that*

*he wanted to change his life, get it on the right track and that is where the Boys Ranch staff stepped in.*

*It was a very difficult road this young man had before him, but he was ready and prepared to change his misguided life... forever!*

*He stumbled several times but recovered, thanks to the love, prayers, tears and help from his cottage parents. This young man has gone from a future of trouble and prison to a bright and successful future. All because of the benefits and help the Boys Ranch has to offer.*

*I am that young man! And I stand before you today to say thank you for giving me a second chance! Thank you for giving me the opportunity to change my life! And thank you for your support, care and belief in the youth of today.*

*I am proof and a true testimony that the Florida Sheriffs Youth Ranches is a program that does work! It is nothing without your support and dedication –so I ask you to continue supporting the Youth Ranches!*

*I leave you with this – I have dreams to become a Firefighter/ EMT/ Paramedic and it wouldn't be possible without the help from the Florida Sheriffs Boys Ranch. Thank you so very much!*

Bryan is now 18 and will soon graduate from high school. He has lived with us for three years and while unsteady at first, he will finish strong and able.

# Meagan Settled Down and Discovered Dance!

Sibling fights and other struggles at home drove Meagan in the wrong direction. She was an angry, rebellious teen far too old and experienced for her 13 years. Hanging out with the wrong crowd brought minor brushes with the law and poor choices left her living in a shelter with little hope for the future.

Meagan was a good kid who could easily go down a permanently hard path or be nurtured back to a positive life. Fortunately, someone recognized Meagan's potential and sought the help of the Florida Sheriffs Youth Villa. Here she found the guidance, structure and loving home environment she wanted and needed.

At the Villa her cottage parents worked diligently with her to improve her grades. As her grades got better, they encouraged her to find a positive outlet for recreation and involvement at school.

She started by playing on the local soccer team and found life as a normal teen to be quite enjoyable. After some encouragement from her cottage parents and the girls at the Villa, Meagan decided to try out for the school dance squad and made the team!

She attended practice three times a week and then performed during halftime at the high school football games. Even with this hectic schedule, Meagan has earned a 3.5 grade point average, participates in the JROTC and belongs to the Future Business Leaders of America. As a tenth grader, she is a dedicated hard working student and sees the results of her good decisions. She was selected by the coach to attend Dance Camp this spring and a generous donor has made this dream a reality for her.

**Thank you for Caring and Sharing!**

Meagan has become an outstanding student and role model for the other girls at the Youth Villa, but she isn't ready to go home yet. There are still some personal issues she needs to conquer before she and her family are reunited. Your continued support will enable her to one day go home a whole, healed young woman who will make a difference in her community.

Her success is directly attributable to you and your generosity. Thank you for making a difference in the life of a needy and deserving young lady!

# “I want to go to summer camp!”

“I want to go to summer camp!” proclaimed the 11 year old boy as he burst into the room. He excitedly thrust the brochure toward her. His smile quickly slid away as he saw the downward look of his mother’s eyes and the slow shake of a head from side to side. “I’m sorry, son...we just can’t afford it.”

“It’s okay mom,” he said in a brave but quivering voice. “I really didn’t want to go anyway. I’ll stay home and watch Sissy this summer while you go to work.”

She clutched the brochure as he shuffled out of the room to do his chores. Turning it over, she saw the list of things kids were supposed to bring to camp – shirts, shorts, sneakers...the list went on and on. Even if she could afford the cost of the camp, she certainly could not outfit him with all these things. Then, one sentence caught her eye. **“If you don’t have these items, please come to camp anyway!”**

What kind of camp is this? Inviting you to come without all the key supplies...

she opened the brochure and saw a hand written note. *“Please consider sending your son to camp with me. There will be no cost as people sponsor deserving kids like him and help cover all the expenses.”* It was signed Deputy Joe, School Resource Officer.

She blinked away the tears...special donors cover all the expenses – what an amazing gift of kindness! Would you like to be that special someone to a child in need? Would you like to make a child’s dream come true?

**Please help a deserving child attend Summer Camp this year!**

*Now retired, Judge Jopling wanted to take some of his nest egg and place it in a charitable Gift Annuity which will provide him with a regular stream of income for life. The Judge knew about the great work of the Florida Sheriffs Youth Ranches and was particularly impressed with some of our youngsters.*

*Wise in years and experience, Judge Jopling chose to enter a Gift Annuity agreement with the Florida Sheriffs Youth Ranches. In fact, based on his individual situation and age, he now earns 11.3% per year guaranteed for the rest of his life.*

## Please Donate Your Vehicle to the Sheriffs Ranches Enterprises

The Sheriffs Ranches Enterprises accepts vehicles in fair to great condition. If your donation has proper emission controls, fair tires, no major body or rust damage, and the engine/transmission are in good working order, please consider sharing this resource with our charity. This donation goes to benefit the boys and girls of the Florida Sheriffs Youth Ranches.

For more information or to set up an appointment for a Sheriffs Ranches Enterprises representative to pick up your vehicle, you may call 800-765-3797.

*Please note: The American Jobs Creation Act of 2004 contains new rules pertaining to the charitable deduction allowed for vehicles donated to a qualified charity after December 31, 2004. Basically, this law limits the donor's tax deduction to \$500, or the gross proceeds from the sale of the vehicle, if over \$500. We recognize that each individual's tax situation is different and the impact of any charitable deduction is based on a variety of circumstances. You are strongly encouraged to consult with your independent tax advisor.*

Youth Ranches President Roger Bouchard (right) accepts a check for \$35,000 from Boys Ranch Alumnus Wally Edwards. This generous donation from the Greater Bartow Chamber of Commerce was generated by the Annual Youth Villa Classic Golf Tournament. The funds have been earmarked for the Dorista Cottage renovation project. Dorista Cottage was the third cottage built at the Villa. It was dedicated on May 2, 1976, in memory of a member of the Sunshine State Women's Chamber of Commerce, Esther Mowry. Prior to her death in June of 1975, Mrs. Mowry requested the cottage carry the name of a South American woman, Dorista, who dedicated her life to caring for needy and deserving girls.

**Boys Ranch  
Breaks  
Ground on  
the DONALD  
RALPH COOKE  
SCHOOL**

With great anticipation, Youth Ranches President Roger Bouchard and Boys Ranch Director of Education Susan Moffat joined four Ranchers in breaking ground for a new school at the Boys Ranch. The boys involved in the ceremony were chosen because of their remarkable academic progress while living at the Ranch. Nick (from left to right) has gone from a 1.5 GPA to a 3.0 GPA; Justin has improved from less than a 1.0 GPA to a 3.1 GPA; Cody has moved from a 2.8 GPA to a 3.8 GPA and Cliff has jumped from a 1.8 GPA to "Straight A's!"

This new eight room school building will dramatically enhance the academic program at the Florida Sheriffs Boys Ranch. All funds for the construction were given in honor and memory of a great man who believed in the power of a good education ~ Mr. Donald Ralph Cooke.
