# President's Perspective

Roger O. Bouchard, Jr.  
President, Florida Sheriffs Youth Ranches, Inc.

***"Nothing you do for children is ever wasted" - Garrison Keillor***

In my office hangs a small, wooden plaque given to me years ago by my wife, Sheila. Engraved on it are the words "Nothing you do for children is ever wasted." This quote is by the creator and central figure in "A Prairie Home Companion," Garrison Keillor. This program has aired on public radio for over thirty years.

Over the years, I have often looked at this plaque and been reminded of its words. I have come to realize the times I notice it most are during the tougher situations and difficulties. All of us need a reminder of why we do what we do and the reasons for our efforts, but during the most difficult times we need these reminders even more than when things are a little easier.

The past several years have been a real strain and struggle for our country. We are experiencing the worst recession of our generation and many families are without work. The number of homes in foreclosure are rising and more families are applying for food stamps and welfare every day which is overloading our social services system.

The Florida Sheriffs Youth Ranches has not been spared the pain during this time. Charitable donations are down and our revenue is below what it was three years ago. As we meet with our staff and Board of Directors, we are diligently working on ways to meet our budget shortfall. So far, we have been able to fill the gap with money we put in savings during some better financial times. Because of these savings, we have not had to reduce any services to children. We are aware that our savings will not last much longer, but they have allowed us to continue providing homes, clothing, food, education and other services to the children in our care so far.

Each of you receive *The Rancher* because you have chosen to make donations to the Youth Ranches. I cannot express to you how much I appreciate your generosity and support. Without you, we would already have cut back on services and would have to tell children we could not care for them any longer.

As you read the stories in this issue of *The Rancher*, notice the pride and determination in the faces of the youngsters. Each of them has come so far and wants a successful life. I have been working with children for the past 37 years and have seen the difference we can make in young lives. I know more than ever that "Nothing we do for children is ever wasted." Your investment in them will pay great dividends in their homes and local communities for many years in the future.

As I close, I would ask each of you to keep us in your prayers. We not only need the funds to continue our work with children but also the wisdom and direction to know the best way to maneuver through this difficult time. I am fully confident we will make it through these times and continue to be there for the young people who need our care.

# Quotes and Notes

"Last evening was absolutely beautiful with all the handsome young gentlemen from the campus and the beautiful young ladies. I noticed quite a few new residents. Thanks again for inviting me and my guest. He and I marvel at the progress being made with these youngsters."

~ M. Rilott, Donor

"We were desperately searching for help for our 14 year old son, to no avail.... receiving regular calls from school regarding classroom behavior and disruptions, suspensions, bullying, etc.... For years, we had tried therapy, medications, counseling and the list goes on, yet nothing helped...until we found the help we needed from you! THANK YOU! We are healing. We are blessed. We are grateful to you for helping to make this happen. We thank God for the Sheriffs Youth Ranch!"

~ A Grateful Mother

"I was part of the second group to ever be at the Caruth Camp. I also believe I was the second person to ever graduate from the program. I will never forget my experiences there and believe that they contributed to getting as far in life as I have.... Life lessons learned early are priceless!"

~ Jonathan Cook,  
Caruth Camp Alumni,  
Business Owner

*"I came to the Ranch as an angry 16 year old. I didn't know my route in life. I was lost so I turned to smoking marijuana and hanging around with the wrong crowd. My mother was afraid for my life... and so was I.*

*School wasn't a great place for me to be at that time. My grades were straight F's. I was even threatened to be kicked out of school. Before any of that could happen, my mother and I turned to the Ranch for help. Since arriving here, I strived to the top earning my highest GPA ever. During the 2 ½ years I've been at the Ranch I've won many awards. For instance, I won the "Papa" Sinibaldi's "Student of the Year" award, Academic Success Award Runner-Up, and Most Improved Award. My future plan is to become a police officer and do something positive with my life."*

**T**he Youth Ranches believes that for young people to grow into healthy and productive adults, it is important they are taught basic principles needed for success. We have narrowed these life lessons into four basic areas we call the Work, Study, Play and Pray philosophy. All of our programs weave this philosophy into the daily life on campus and use it to help build character and healthy self esteem in our children.

**WORK:** Everyone must learn the value of work if they are to be successful in life. A strong work ethic is learned through having regular chores as well as various jobs while growing up. Each Youth Ranches child is expected to keep their room clean, do their own laundry and help with chores around the cottage. They are not paid for these chores but expected to do them as a part of the cottage family.

Along with their chores, each child has a specific job on campus. In order to get a job, they must fill out an application and interview with their potential boss. Jobs are located at a variety of worksites around campus but can include farm work, maintenance, food services, grounds keeping, mechanics or office work. In their job, youth earn spending money but more importantly, they learn work skills and how to work with a boss and co-workers.

**STUDY:** Our philosophy is that each child who comes to us should receive the benefit of as much education as they can absorb. Since many of our youth come with educational deficits, most begin their studies at one of our on-campus schools. Through personally designed education plans, tutoring and special classes, they are able to get caught up in their schoolwork and often are able to get back on grade average.

Along with their schoolwork, youth learn proper behavior, study habits and respect for their teachers. If they prove they can succeed, youth often are able to leave our campus school and attend public schools. This privilege enables them to try out their new skills in a more competitive setting.

For youth who graduate high school from the Youth Ranches programs, a wide variety of further

# WORK, STUDY, PLAY & PRAY... Growing Up the American Way!

education is possible through the Youth Ranches Scholarship Program. This includes college, trade or vocational school, or other advanced training for those who qualify.

**PLAY:** One of the greatest problems we see in many young people is that they do not know how to use their time in a positive manner. Because of this, they watch hours of television, play video games or just “hang out” with their friends.

At the Youth Ranches, we want to introduce our youngsters to a wide variety of positive activities and show them the joys of having positive fun.

Activities at the programs include athletics of all sorts and all types of outdoor activities such as bicycling, fishing, camping, hiking and canoeing. Arts, music, drama and creative writing are encouraged along with woodworking and crafts. Some of our programs have active horseback riding programs and we have found this to be very effective in working with tough youth. It is a wonderful experience to see children learn to control a large animal and then use those principles to control their own behavior.

Our philosophy is to surround our kids with as many positive experiences as possible and encourage them to experiment with different activities to see which ones they enjoy and gain success.

**PRAY:** Although the Youth Ranches is not a religious or denominational children’s home, we have found and truly believe that life is not complete without a spiritual base. Each resident of our programs is required to attend religious services weekly. Prayers are said at each meal and regular devotions are held in the cottages.

It is our belief that young people need to know there is a God who cares deeply about them and has a plan for their lives. As youth attend church or chapel services and learn more, they are encouraged to commit their lives to God and allow Him to guide them as they grow and mature.

Sounds simple, right? Well you would be amazed at how many children we serve who have never experienced these basic concepts. It takes time, patience, attention and so much more to nurture our children into productive, healthy young adults. If you believe and embrace these principles, please know we are only successful because of you...your gifts provide the day to day funding we need to ensure these children have a brighter future.

Thank you for what you have done in the past and for what you will make possible in the future! Thank you for caring and sharing!

# Striving for Their Personal BEST!

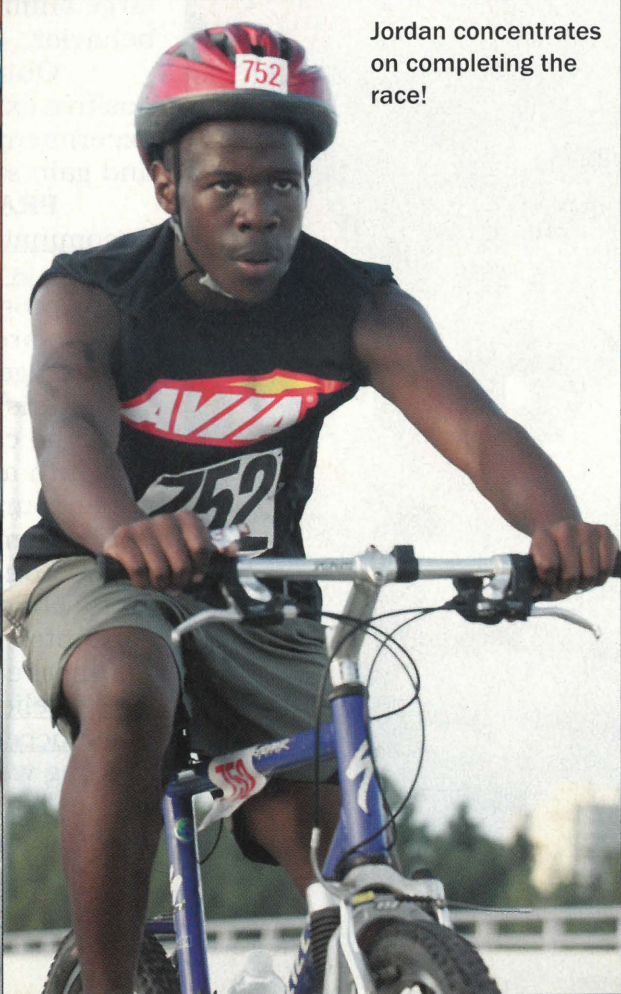

**E**arly in the morning while it was still dark, five boys from Youth Ranch/Safety Harbor – Jordan, Terry, AJ, Tyler, and Matt – headed out for a day of challenges. They were up early to compete in the 2009 Sand Key Triathlon.

Triathlons vary in length and events. For this triathlon, the boys would swim .3 miles, bike 11 miles, and then run 3.1 miles. They knew they had a long race ahead of them. The fastest people finished it in was about an hour while most people took an hour and a half or longer.

The boys spent months conditioning their bodies in preparation for this race. They could regularly be seen running, swimming, biking, or doing push-ups and sit-ups around campus. Staff coached them, encouraged them and made sure they were ready to compete.

A.J. making his way up a hill during the biking part of the event.

Jordan concentrates on completing the race!

After arriving, they got a surprise change of plans - the swim event had been cancelled due to dangerous winds and waves. Instead, they would have to do a short run on the beach before doing the biking and the longer run. Though many adults around them grumbled, our boys took the news in stride and got their minds on the race.

After a prayer and some stretching, they were ready to race. Three of the boys did a relay: Matt would do the short run, AJ would do the bike portion, and Tyler would do the long run. The remaining two boys - Jordan and Terry - competed in the whole race.

***Though some were worried they might not finish, staff expressed total confidence in them and told them their hard work would pay off.***

Boy did it ever! Jordan and Terry not only finished... but won second and third place, respectively, in their age category. All met their goals of finishing the race and all did it with excellent attitudes. Most importantly, all the boys learned they can be winners when they work hard to accomplish a great milestone like this triathlon.

*A special thank you to the donors who generously supported this effort. Mr. Steve Litschauer from "On a Shoestring" shoe store in Bradenton donated top of the line running shoes to all of the youth, as well as running shirts and running socks. The bikes the youth trained on were compliments of Frito-Lay. And the entry fee for the event was paid by an anonymous donor. These boys were grateful to be able to race, and thank our donors for their faithful support.*

Setting his eye on the goal, Terry finished the race and placed 3rd in his age category. Way to go!

GROCERY STORE FREQUENT

We do! Our Cottage Parents are all this and so much more! Think about what it takes to meet the needs of 10 growing and active teenagers. They are here, there and everywhere!

Our kids are involved in sports, music, church and many other different activities. They work at jobs in town and invariably always have a doctor, dentist or other appointment. Then, there is the shopping and a variety of errands that always need to be handled. Our Cottage Parents are "on the go" all the time...and now they need your help!

Statewide, we have 19 cottages of children, all who need reliable transportation. Nearly half of our large vans have over 100,000 miles on them and need to be replaced. We realize times are tough but would you consider an outright gift of \$20,000 to help us replace one of these vans?

Our Family Case Managers, Donor Relations staff and others use sedans to complete their counseling services with the families of our children or meet with the donors who support our vital work. Right now, nearly 60% of those vehicles have over 100,000 miles on them. Would you consider a gift of \$16,000 to help us make their travel as safe as possible?

The need is evident and ongoing. Florida is a large state and we want to continue to serve as many children as funds permit. Thank you for giving thoughtful consideration to provide us with the tools we use on a daily basis.

# Hello, my name is Keegan...

*"I am almost 17 and I have been at the Ranch for two years and this is my story.*

*I never really grew up with everything I wanted. My father walked out on me before I was born and I never really had that kind of Father figure in my life. It was just me, my mom and my twin. Nobody was there to teach me the simple things you learn as you grow up.*

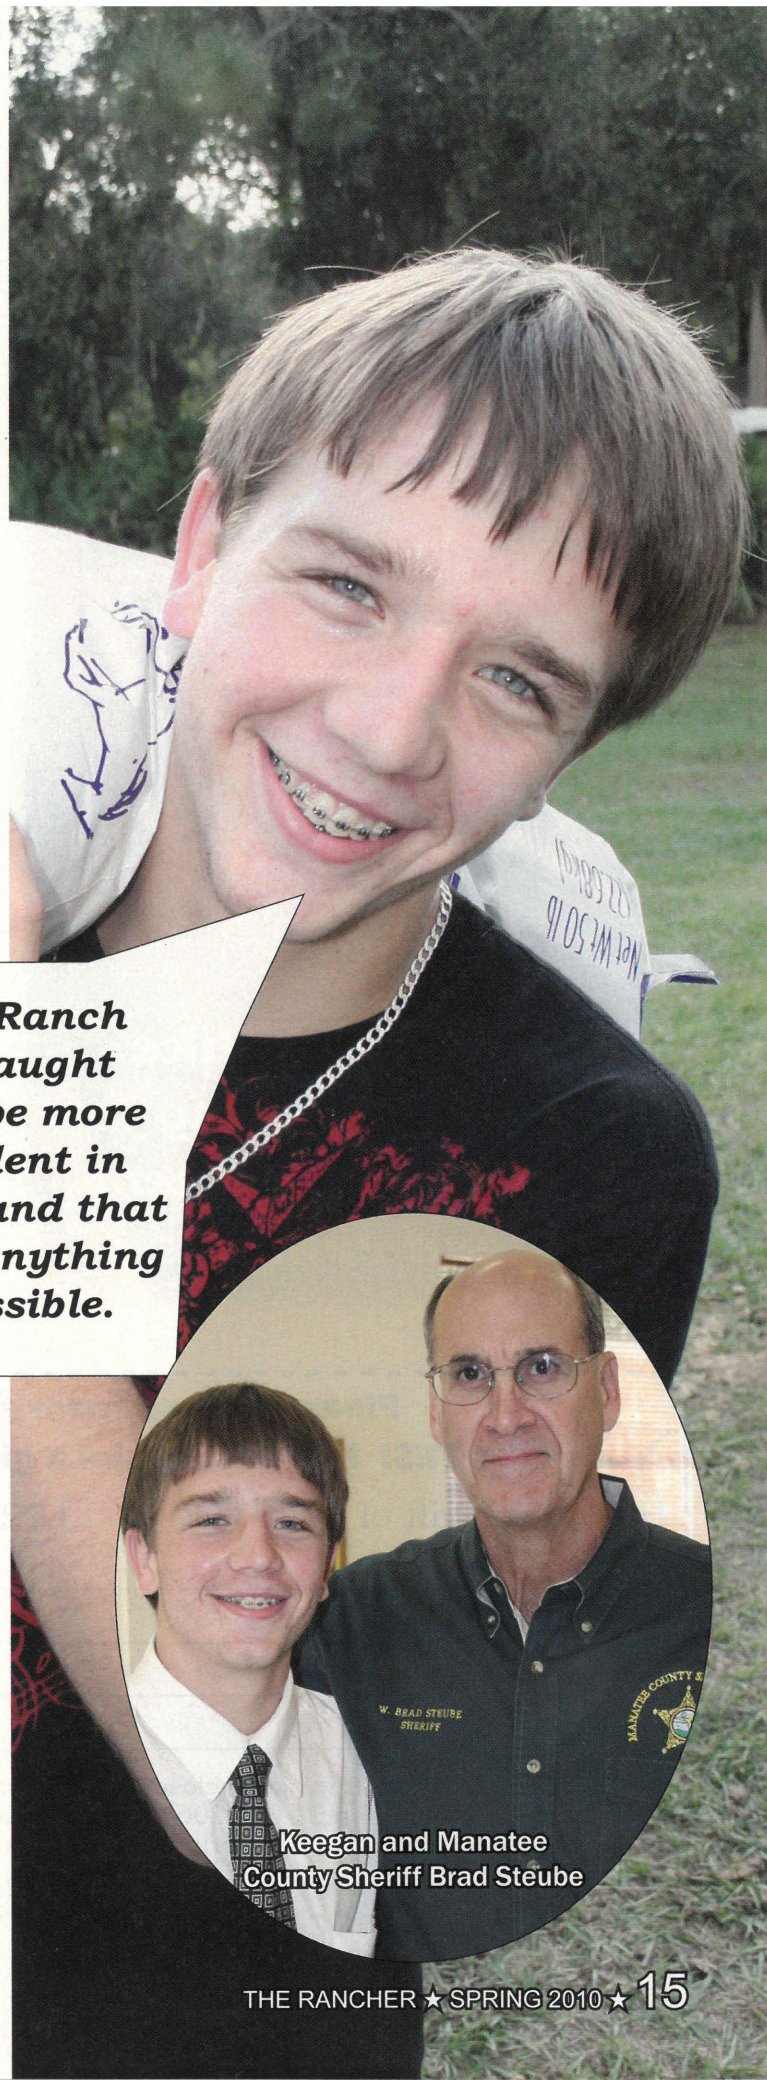

*I had to learn them on my own. That's when I started failing in school. I just didn't really care about myself until one day I woke up and realized that there were only two options for me, in jail or dead. I needed to straighten up. That is the reason that I came here to the Youth Ranch-Bradenton/Sarasota to get away from the bad things I was doing. I was running away, fighting in school, doing drugs, until I found the Ranch and started working on my new life.*

*I currently have a 2.33 GPA which is much better than the 1.06 GPA I had before I came here. I did not study at all before. The teachers here at the Ranch actually made learning fun for me. The Ranch also gave me the skills that I needed to get an off campus job at Steak-N-Shake and I have been working there for almost a year.*

*Another thing the Ranch has taught me was to be more confident in myself and that in life anything is possible. Especially when you have help like I have here living at the Ranch. I live in the transitional cottage on campus where we use the positive peer culture to help bridge the gap between the Ranch life and the adult world off the Ranch. This cottage is designed to teach us day-to-day life skills like how to complete a resume', cook meals for yourself and schedule out or day to day planning.*

*The Ranch has also helped me work out my future plans. At this time, I want to join the Army, become a Ranger and to prove to myself that I am somebody and that nothing is going to stop me from doing what I want to do."*

**...the Ranch has taught me to be more confident in myself and that in life anything is possible.**

# Sponsor A Kid at Camp!

She was nervous about meeting new kids. \*Jeannie didn't have any friends. If she wasn't at school, she was helping out at home. Her little brother was often sick and required a lot of attention. With her mom working two jobs, the responsibility for her brother often fell on Jeannie.

Jeannie always felt she should do what she could to help at home. Some days it was tough to have so much responsibility, but watching her brother was the least she could do.

This trip to camp was a great treat! Her school resource officer knew their situation at home and had approached her mom. He told her mom about the Florida Sheriffs Youth Ranches Summer Camp.

Each summer, the Florida Sheriffs Youth Ranches provides a wholesome atmosphere and positive camping experience for boys and girls. The children participate in many different therapeutic camping opportunities like canoeing, archery, swimming and other recreational activities as they spend time enjoying the beautiful, tranquil outdoor environment.

Volunteer Deputy Sheriffs and other Law Enforcement Officers work directly with the youngsters to form positive, healthy relationships. Every day contains a balance of work and play as we help these boys and girls become productive, law-abiding members of our communities.

Will you consider sponsoring a child at Summer Camp this year? Deserving kids like Jeannie are waiting on you! Please send your camp sponsorship today.

# Sisters' Bond Grows Stronger at the YOUTH VILLA

“Our mom died when we were very young,” 17 year old Laurelee said rather matter-of-factly. “My dad was a truck driver who was rarely home. I was the older sister, so naturally I helped ‘raise’ my little sister.”

Being in an adult role while still young is never easy. Laurelee did the best she could, but there seemed to be a growing resentment between the sisters. Over time, Laurelee began to realize she needed help, especially in school. About two and a half years ago, she found a new home at the Florida Sheriffs Youth Villa.

“I am really glad I am here. Without the Youth Villa, I know I would have struggled more in school. I use to get F’s because I never went to school. Now, I make A’s and B’s and live in a stable home with great Cottage Parents who give me the guidance and support I need to succeed. The Youth Villa has completely turned my life around.”

Six months later, Laurelee’s younger sister Audrey joined her at the Youth Villa. Audrey had been fighting with their dad because of trouble with school. She was so far behind, she just wanted to give up!

Audrey’s progress has been remarkable. She credits her Cottage Parents for her success. “Mom and Pop know what to say and what to do...they can be pretty strict but they know I need it. They hold me accountable and encourage me to do my very best. Now, I am making A’s and B’s and hope one day to be a traveling nurse.”

The relationship between the sisters is healing, too. Initially, they purposely lived in different cottages so each could grow and mature under the nurturing love of their Cottage Parents. “It was tough to transition back into being a sister, not the parent,” said Laurelee, “but now I can be a mentor and leader for all the girls here, including my sister.”

Audrey added, “I once looked at Laurelee like a mother which was sometimes tough. We are doing okay and now we live in the same cottage.” And just like sisters sometimes do, the girls share similar interests such as being avid GATOR fans and a desire to continue their education after they graduate from high school. “We are trying really hard to make it. We know we have opportunities here and we are very fortunate to be here.”

# A LIFETIME of Service, A Legacy of Caring

Katharine Doe Chalmers wanted to serve her country and received a direct commission into the United States Naval Reserves in 1942. She served on the Headquarters staff at the Naval Air Station in Jacksonville, reporting directly to the Chief of Naval Air Operations. During this time, she was promoted to LCDR and was involved with development of THE BLUE ANGELS, becoming fondly known as the "Mother" of THE BLUE ANGELS.

In 1948, she transferred from the Naval Reserve to the US Navy and reported to the Chief of the Bureau of Aeronautics. Among other duties, LCDR Chalmers worked as The Naval Liaison Officer to the United States Congress and handling assignments issued by The Secretary of the Navy and The Judge Advocate General. In 1962, she retired from the Navy but continued to serve her community in many different ways.

"Kitsy" (as she was known to her friends) and her husband, David, retired to Florida in 2003. They shared a desire to have a secure retirement and make a substantial gift to a worthy charity. After careful consideration, Mr. Chalmers purchased a Charitable Gift Annuity with the Florida Sheriffs Youth Ranches. He was quite pleased with the arrangement which paid Kitsy a fixed percentage of the original principal (based on her age, this was 11.3% annually) until her death earlier this year. "She would be so proud to know that the income was available to her while she lived and now that she is gone, her money is being used to help the boys and girls of the Florida Sheriffs Youth Ranches."

This donor is just one example of many who found this avenue of support both satisfying and significant. We are so grateful for those who choose to reach out and help in this very special way.

## Youth Villa Classic Check Presentation

Each year community members in Bartow come together to host a series of events known as the Florida Sheriffs Youth Villa Classic. Through this event they have funded maintenance and renovation projects on the Youth Villa Campus. We appreciate their hard work and dedication to our mission.

The proceeds of \$34,750 from this year's event were received by Youth Ranches President Roger Bouchard (right), Polk County Sheriff Grady Judd (second right) and Youth Villa Program Director Jim Semple (center). The presentation was made by Villa Classic Committee Chair Freda Ridgeway (center left) Youth Tournament Chair Karen Guffey and Women's Team Tournament Chair Pat Lowry. Also on hand for the presentation was past committee chair Wally Edwards (left) and Committee Member Pam Mitchell.

## Battle of the Badges Benefit for the Youth Ranches

The Volusia County Sheriffs Office hosts a great family-friendly event each year to benefit the Florida Sheriffs Youth Ranches. The centerpiece of this year's event was an in-shore fishing tournament. Sheriff Ben Johnson (center) and his hard working committee presented Youth Ranches President Roger Bouchard (center right) with \$50,000 raised through the event.

### Ranchers Show Off Culinary Skills in Duval County

Duval County Sheriff John Rutherford hosts an annual Christmas Party and recognition event for the Sheriffs Office. Aramark Food Services prepared the food and invited boys from the Boys Ranch to come help serve for the evening. Aramark runs several food programs for the Youth Ranches in addition to teaching culinary arts and food service skills to the boys we serve. The skills they have learned have lead to jobs in the community and direction for some youngster's future careers. Sheriff Rutherford took a moment to say hello and thank the boys for their services.

### "Odd Fellows" Give to the Youth Ranches

B.W. Rowe (left) and Buster Paris (right) Chairman of the Tallahassee Odd Fellows Charity Committee present FSJR Vice President Donor Relations Alison Evans with a generous donation. In addition to this presentation the Odd Fellows purchased presents for each of the boys at the Boys Ranch in Live Oak and representative Peggy Moffit delivered them just in time for Christmas. We appreciate their concern and kindness for the children.

## Please Donate Your Vehicle to the Sheriffs Ranches Enterprises

The Sheriffs Ranches Enterprises accepts vehicles in fair to great condition. If your vehicle has proper emission controls, fair tires, no major body or rust damage, and the engine/transmission are in good working order, please consider sharing this resource with our charity. This donation goes to benefit the boys and girls of the Florida Sheriffs Youth Ranches.

For more information or to set up an appointment for a Sheriffs Ranches Enterprises representative to pick up your vehicle, you may call 800-765-3797.

Please note: The American Jobs Creation Act of 2004 contains new rules pertaining to the charitable deduction allowed for vehicles donated to a qualified charity after December 31, 2004. Basically, this law limits the donor's tax deduction to \$500, or the gross proceeds from the sale of the vehicle, if over \$500. We recognize that each individual's tax situation is different and the impact of any charitable deduction is based on a variety of circumstances. You are strongly encouraged to consult with your independent tax advisor.
