President, Florida Sheriffs
Youth Ranches, Inc.

If You Only Give Me a Chance.

I cannot begin to tell you how many times I have heard those words in my lifetime. While there are only seven words in this statement, they are very powerful. They imply a willingness to change, to improve, to try harder, to go the extra mile and to succeed. Over my thirty years with the Youth Ranches, I have heard these words from children, parents, employees and applicants. On each occasion, they have caused me to step back and take a closer look at the person asking for the chance. As a result, I have given many chances and on all but a few occasions, I have not regretted that decision - especially with the children. Most of them had already been discarded or not given that second chance and they simply did not need to hear the word "no" at the moment of their request.

How many times have most of us regretted a decision? Decisions made in anger, in haste, or at a moment in time when all the facts were not available? How many times have we blurted out a statement and in the flash of the moment, instantly regretted what we said? How many times have we carried the guilt of an action much longer than needed? How many times have we said to ourselves, if only I could start over?

This is what we do at the ranches: we create opportunities for children to succeed. We give them something as simple as a second, third or even a fourth chance to learn from their mistakes. Providing opportunities to start over through loving acts of forgiveness, allows us teachable moments where problems can be resolved and lives are forever changed.

As you know, the Florida Sheriffs Youth Ranches is not an organization supported by governmental funding. This is in contrast to many other childcare

Quotes & Notes

My name is Chris Roll. I attended Caruth Camp in 2010 and 2011. I had some of the best counselors ever: Padilla, Gradwhol, and Mr. Darling. I was so excited to win a yellow bandana and future counselor award.

I am writing you to tell you that my life changed from doing summer camp. I left Caruth and went on to work at a summer camp with the local school district in my town.

I just want to say thank you for the great time I had! Because of the staff I was able to conquer my fears on the high ropes and come out of my shell.

Thank You,

Christopher R. Roll,
Youth Pastor

Thank You for Supporting our Youth!

A Forever Home

In 2011 our staff received a phone call from the Highlands County Sheriffs Office about a child. This young man's father was terribly ill and his mom had passed on some years before. Highlands County Sheriffs Office Deputy Bobby Burch had met Robert through Big Brothers, Big Sisters.

During his father's illness, Deputy Burch spent a lot of time with Robert. As time drew short for his dad they talked about where Robert would live after his father passed. Deputy Burch helped research options for Robert and his one question always was, "If Robert comes to live with you can I still be part of his life?" This was very important to both of them.

Robert and Deputy Burch came to explore the Boys Ranch and decided it would be just the right fit for Robert. Robert moved on campus and enjoyed life at the Boys Ranch. Deputy Burch came for regular visits and played ball or went on cottage trips with the kids to bowling or the movies.

Robert fit right in. "It really felt like a family. Mom and Pop Diaz and their entire family treated all of us like family. We would have cookouts and go to baseball games and spend time together like most families." This was just what Robert needed, a family of his own.

The next year passed quickly. Although he enjoyed the Boys Ranch and his cottage parents, Robert longed for parents of his own. He asked our staff how he could go about getting adopted. About this time his cottage parents were considering a job change. When they made their decision to leave the Youth Ranches they asked Robert if he would like to come live with them. Robert loved the Diazes. "They already treated me like a son and it made me so happy that they wanted to continue the relationship," says Robert.

Robert recently graduated from high school and joined the Army. He has finished basic training and has moved on to Advanced Individual Training. He shared, "I think about how going to the Boys Ranch changed my life. I would have been homeless and without a family. I probably would not have chosen the military for my career. I am thankful God guided me to a place where I could have the best future."

Our vision is to see young men and women who, because of the Florida Sheriffs Youth Ranches, are able to face the future with a sense of direction, ability, and hope.

Thank you for giving our boys and girls hope for their future! ★

Finding Hope

**At 13 years old Tia thought she knew it all.
She acted like it too.**

When she started middle school, Tia started hanging out with older kids. They provided friendship and guidance. Even though those friends filled a need in her life they were a negative influence. Tia soon was skipping school and being defiant at home. When Tia was between the ages of 13 and 15 their family tried counseling and other resources to address their issues. Tia really wanted to change and heal her relationship with her mom. She and her mom were having difficulty overcoming their personal issues and their relationship issues.

Tia shared, “I lost hope. I lost hope in my ability to change. I lost hope in ever

having a good relationship with my mom again.”

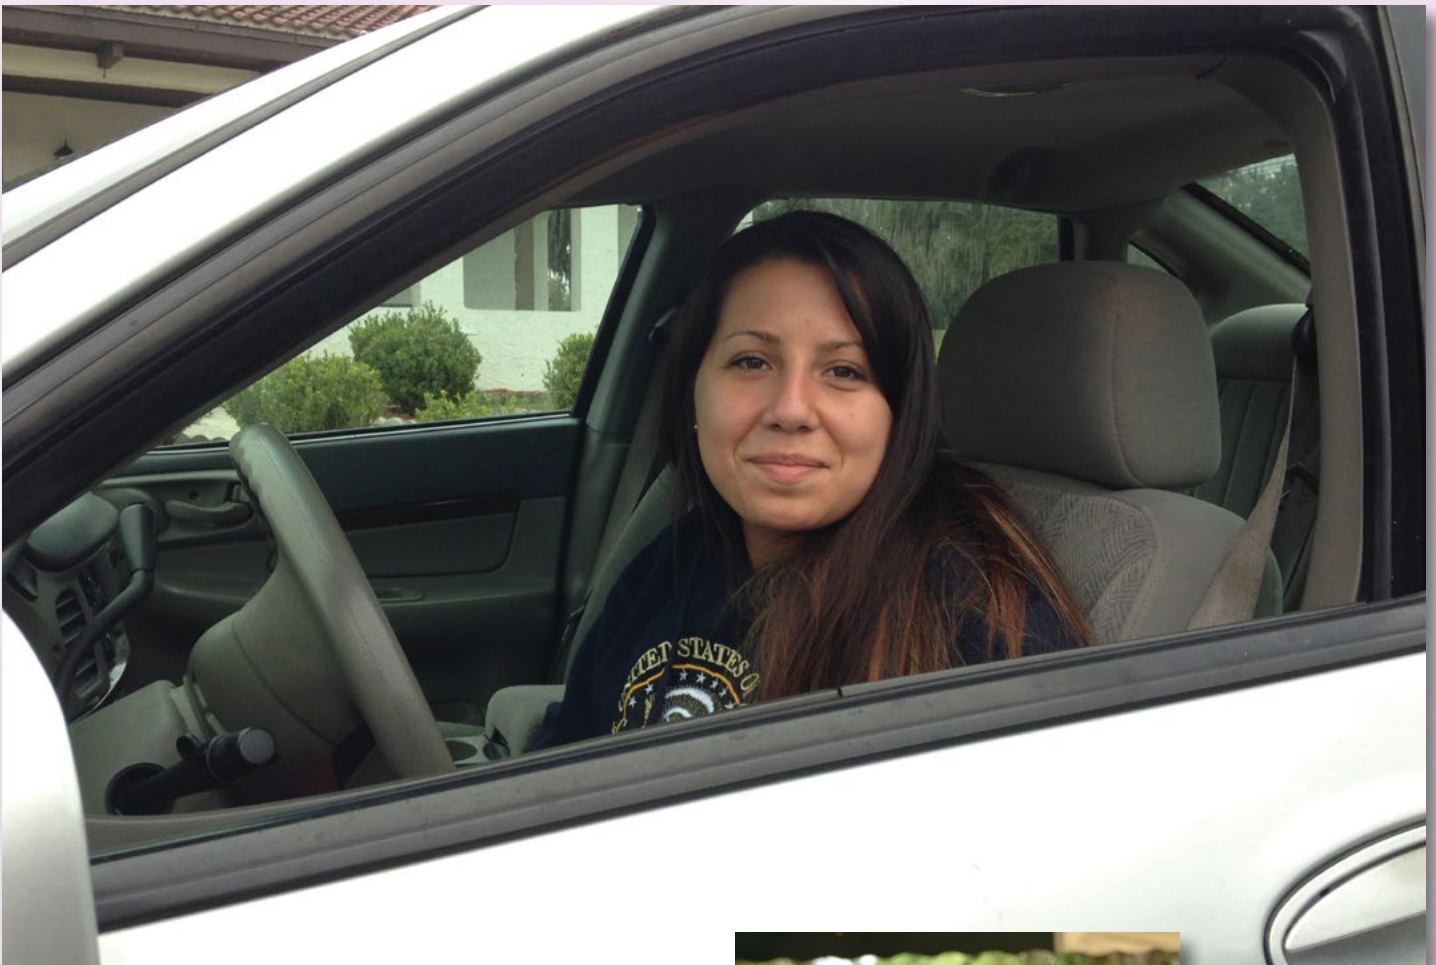

Tia’s mother was searching for a program that would help their family become whole. She found the Florida Sheriffs Youth Ranches on the internet and called the Youth Villa. Within weeks Tia had moved to the Villa. She promised her mother she would really try to get her life on track for success.

The transition to structure and regular discipline was difficult at first. The daily schedule with strict expectations was one thing but having someone home everyday to reinforce the expectations was new. After a few months Tia found she really enjoyed the structure and caring environment. She settled into a new routine.

Tia receiving the Director's Award and the Community Service Award.

Chapel attendance is part of Ranch life. Tia found herself looking forward to chapel each week. The hope, grace and mercy taught by their chapel volunteers appealed to Tia. She found herself believing in her ability to change. Tia found hope again!

Tia practicing her driving skills in preparation for her driving test.

This hope was the key to unlocking Tia's potential. Over the next two years Tia became a model student and a positive leader. She shared her time with students in the "Buddies" program which provided mentors for younger students. Tia's grades soared and she joined the JROTC program.

In Spring 2014 Tia won the Youth Ranches most prestigious award, the Director's Award. It was awarded for her accomplishments, positive attitude and embodiment of Ranch principles. She followed up a very successful junior year of high school with a trip to Washington D.C. As part of the Envision program Tia was offered the opportunity to go to Washington D.C. and observe the government in action. Envision matches up excellent students with special educational opportunities.

Tia will graduate this year and continue on to college. Tia hopes to work in criminal

Life Behind the Camera

Mr. John Reed is an accomplished photographer known around the state for his nature photography. He came to know us through one of our staff members. He loves to teach others about life behind the camera. Mr. Reed worked with our boys at the Donald Ralph Cooke School on a 4 week class. The class started with a general discussion about photography and what it meant to each student. Using a practical, hands on approach Mr. Reed covered the basics of photography. He used each lesson as an opportunity to teach more in-depth about lighting, composition and the more technical settings on cameras.

For Josh the most important part was getting out and taking photos. “After we learned how to use the camera we would take pictures and then critique them. Each one of us would talk about what we liked or didn’t like about the photo and then what would make it better.”

Donald Ralph Cooke School Principal Susan Moffat shared, “It was interesting to watch their picture composition change from random subjects to well composed or artful photographs.” The class equipped students to be part of capturing life at the Boys Ranch and in school. Josh is now the “go to” guy for documenting special activities at the school for the year book.

From left to right: Joseph, Josh, Gabe and Beau.

Josh said he learned about focus when taking pictures. Instead of walking up to a scene and being distracted with everything he would focus on one aspect of the view. “I don’t want to take pictures for a career but I do like knowing that when I take pictures I know how to do it right.”

Life experiences and exploring skills and careers is very important for us at the Youth Ranches. We never know when something will ignite the spark that shapes a child’s future. ★

◀ Gabe experimented with perspective in his photo of a tree.

▶ Beau went behind the scenes in a horse's life for his photo.

◀ Josh said he just caught these sheep at the right moment as they played bashful for his camera.

It's Blooming Time

Sarah is excited to show off her young plants.

At the Florida Sheriffs Youth Ranches we grow all kinds of things! Hay, trees, cows and horses are a few things you hear about regularly. This year the girls at the Youth Villa have branched out in their education to include a robust horticulture course.

The girls learn about responsible fertilizing. They want the plants to be healthy but not endanger the environment.

peppers just waiting to be picked. Glance around and you see decorative coleus of a bright green and deep burgundy spill

When you walk into the greenhouse at the school you are overwhelmed with color. There are amazing bright green tomato plants reaching to the sky. Look carefully and you see each plant laden with baby tomatoes. There are pepper plants adorned with a variety of red, yellow and orange

out of their planters. No garden is complete without the natural pesticide provided by lovely marigolds.

The girls are learning how to propagate plants through seeds and cuttings. They are learning how to correctly fertilize and support plants for successful growth. We have a tilapia tank which raises fish and supports an aquaculture bed that is a great example of natural fertilizers and symbiotic relationships.

Agriculture Teacher Mr. Curtis works diligently to provide a well-rounded curriculum related to all areas of agriculture. As the girls were sharing their beautiful greenhouse they discussed a recent study unit on swine. They cheerfully chatted about the breeds, names for each gender and age, and the cuts of pork.

Rose shows how she carefully strung support lines for the tomato plants. Plants with the correct support are healthier and produce better results.

We also find that educational success supports a good self-esteem and believe in the ability to succeed in other areas of life.

Our plants are blooming and our kids are blooming! Thank you for helping us grow great kids! ★

Elizabeth McClendon and Beverly Bozeman of Florida Ranch Sorting present proceeds from their monthly competition to FSYR Director of Development Wayne Witczak. They made a long term commitment to continue their support.

Making Work Fun!

Ranch sorting is a western style equestrian sport that evolved from the common ranch work of separating cattle into pens for branding, doctoring or transport. Ranch Sorting is an event that pits a team of two riders on horseback against the clock. Teamwork is the key with both riders working in harmony to cut out the correct cattle and drive them to the pen while keeping the wrong numbered cattle back. There are several variations of ranch sorting with one, two or three riders on the

team, but all require sorting the cattle from one pen to the other in the correct order.

For our boys at the Boys Ranch the activities of Florida Ranch Sorting are a natural fit. Essentially, they make work fun! Our boys do these activities as part of their regular work process. Having an opportunity to compete makes their daily chores more interesting.

Our boys competed in the recent Florida Ranch Sorting event. They had an opportunity to meet members of the National Ranch Sorting Association. Pictured are Josh, Dave Wolfe, Tyler, Boys Ranch Farm Manager Jeff Parker, Joe, and Mandy Wolfe.

The Florida Ranch Sorting Association and the National Ranch Sorting Association have decided they also feel there is a connection between their sport and children. They have stepped up to support our activities with their charitable giving.

ONE WEEK CAN CHANGE A LIFE!

Every year the Youth Ranches serves thousands of children in our camping programs and every child has a story. Unfortunately many of the stories are similar...stories of need, abuse, neglect and anger.

These children rely on others to help them through the tough times and to show them there is a bright, hope-filled future waiting for them.

We are relying on you to help provide that one week of camp.

One week of camp will teach children "Law Officers are Your Friends." Immediately there is one adult a child can turn to in a time of need.

One week of camp will teach a child healthy and enjoyable activities that can

turn into a lifetime hobby or interest. This will help them spend their recreation time in a positive way rather than turning to mischief or petty crime for entertainment.

One week of camp will teach children to respect themselves, respect others, respect their community and respect authority. They learn it is important to help others and to become the best they can be – lawful, productive citizens.

One week of camp can put a family in contact with people who will help them through their times of need.

We all know one event can change a life forever. Please help provide that experience for a child through your camp sponsorship gift. \$250 will send a child to camp for one week. If you are unable to sponsor a full week of camp, a donation of any size will be added to the generosity of others to help support a child in need.

Your partnership with the Florida Sheriffs Youth Ranches is a sure combination for success. Your gift will make a difference in the life of a child. Please send your camp sponsorship today!

Family Legacies Come in Many Forms

Visiting with different donors, we get ideas about how they want their family to be remembered. Some choose to leave all their money and property directly to their family, hoping they will continue to support favorite charities. Others have made specific plans to ensure their charitable wishes are followed.

Here are a few of the more creative ideas we have seen in recent years:

- Naming the Florida Sheriffs Youth Ranches as a beneficiary of a life insurance policy, retirement account or bank account
- Specifying a particular percentage of your estate for the Florida Sheriffs Youth Ranches OR the opposite, specifying a particular percentage or piece of property for your heirs and leaving the remainder of your estate to the Youth Ranches
- Investing in a charitable gift annuity where the remainder after death goes to the Youth Ranches
- Making a cash gift of \$1,000 or more to the Youth Ranches in honor of a family member and request they be made a Lifetime Honorary Member of the Florida Sheriffs Association

- Contributing a minimum of \$10,000 and creating a family named endowment fund at the Ranch
- Establishing a Charitable Remainder Trust where distributions (set amount or %) are made to family members for a period of years and once complete, the balance is donated to the Youth Ranches
- Establishing a Charitable Lead Trust where a distribution (% or set amount) is made to the Youth Ranches for a period of 10 or 20 years, then the balance is distributed to your heirs when they are older and better prepared to receive these funds

These are just a few options to consider. As always, we encourage you to discuss this with your personal attorney or advisors to chart the best course for your future and remember to update your will annually as things and people in your life change!

*Thank you for
Caring and Sharing!*

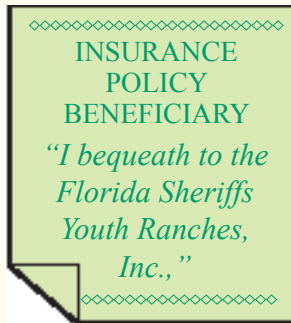

Make a Great Charitable Gift!

Would you consider making a gift to the Florida Sheriffs Youth Ranches through your will, trust or possibly list us as a beneficiary of a life insurance policy?

Your gift, small or large, will help us prevent juvenile delinquency and develop lawful, productive members of our communities.

Many people believe in our children and want to help, but they need to preserve the money they have right now to cover the rising cost of medical care and other living expenses. We understand this dilemma and know you should first care for yourself and your loved ones. However, one way you can fulfill your intent to support our boys and girls is by including the Florida Sheriffs Youth Ranches in your will or other estate plans.

As you think about your plans, a simple way to make a commitment

of this type would be to change the beneficiary of a life insurance policy or add the Florida Sheriffs Youth Ranches, PO Box 2000, Boys Ranch, FL 32064

as a beneficiary to your investment or retirement account.

This will ensure the remaining funds will be used to help serve the children in our care. If you have any questions or would like to learn more about these gifting options, please contact President Bill Frye at (800) 765-3797.

Your will should be reviewed annually.

About your estate planning...

Many of our friends have thoughtfully made provisions in their estate planning for our boys and girls. If you are considering a gift of this nature or if you would just like to know more about the many and varied opportunities for sharing, we can help. At your invitation, it would be our privilege and pleasure to visit you in your home. If you prefer, you are welcome to visit us or we can furnish information by mail or telephone, whichever is most practical and convenient.

Stock the Ranch

Rockwell Building Systems enjoys giving back to the community. This past holiday season they selected the Florida Sheriffs Youth Ranches to be their charity of choice. They put out the word to staff and friends that they were going to stock the Youth Ranch Safety Harbor with sports gear. They supplied the campus with every kind of ball and accessory that you can imagine!

The Rockwell group visited the campus and hosted a field day

showing the children how to use all the sports equipment they provided. Thank you Rockwell Building Systems for helping our kids play every day!

Alachua County Sheriff's Office PIO Sgt. Becky Butscher, Sheriffs Ranches Enterprises Director of Business Development Lisa Mills, Southeast Car Agency President Tom Cousins, Alachua County Sheriff Sadie Darnell, Gainesville Sun's Olivia Werner, Gainesville Automotive Alliance President Rick Davis, Gainesville Automotive Director of Sales and Marketing Brandon Maynard and Lynda Strickland with the Gainesville Sun all helped to make this year's "Cars for Kids" in Alachua County a wonderful success!

Cars for Kids

Cars for Kids was envisioned as a way auto dealers and communities could come together and support the Florida Sheriffs Youth Ranches. Four years later, cars and truck loads of non-cash items have been donated to Sheriffs Ranches Enterprises to raise funds to care for kids. This event has been duplicated around the state. It sparked a separate event called "Change Oil, Change Lives" created by SRE Board and FIADA member Lisa Compagno and her family. We are grateful for partnerships like this that share our mission with the community and help raise the necessary funds to take care of our children!

The Defenders Law Enforcement Motorcycle Club led by President Paladin (center right), made a special presentation to Hillsborough County Sheriff David Gee (center left) and FSYR Director of Development Wayne Witczak (center). The Defenders LE MC selected the Florida Sheriffs Youth Ranches to be the beneficiary of the National Rally celebrating their 10th anniversary.

AWARDS, EVENTS & PRESENTATIONS

Sarasota County Sheriff Tom Knight and Youth Ranches Vice President Donor Relations Maria Knapp were delighted to accept a generous gift from Mr. John Swift of the Swift Family Foundation. The Swift family has been a generous supporter of the Youth Ranches programs for over ten years.

Gilchrist County Sheriff Bobby Schultz and Sgt. Michelle Jones present the proceeds from the first Annual Gilchrist Family Fun Fest to Florida Sheriffs Youth Ranches Vice President Donor Relations Maria Knapp. The wonderful family event featured family and kid friendly resources from around the community. For a slight fee attendees could temporarily detain their favorite local dignitaries. The day finished with an auction of fantastic desserts and local goods. Thank you to Sheriff Schultz, Sgt. Jones and their committee for stepping up to help care for our boys and girls.

Lake Placid High School decided they wanted to help kids enjoy camp. They had a fundraiser to provide bikes for summer camping programs. Pictured with their generous gift is the Lake Placid Student Government Association.

The annual Bay Washington Golf Tournament was held on October 25, 2014 at the Holiday Golf Club in Panama City, Florida. The tournament raised \$5,094.00 for our Ranchers. Pictured from (L to R) are Ms. Sally Sparks, Bay County Sheriff's Office Administrative Assistant and Tournament Coordinator, Mike Heller, Youth Ranches Special Event Manager and Jim Carlisle, Golf Pro and Event Coordinator for the Holiday Golf Club.

Retired Sheriff Buddy Smith holds the annual Calhoun County Gospel singing to benefit the Florida Sheriffs Youth Ranches. For over 20 years this event has brought the community together for an evening of entertainment and philanthropy. Sheriff Smith (right), presented Mike Heller, Special Events Manager, with the proceeds from the annual event.
