# President's Perspective

A message from Roger O. Bouchard, Jr.  
President of the Florida Sheriffs Youth  
Ranches, Inc.

Recently, one of our Boys Ranch graduates came home on leave from the Air Force. Chuck had just returned from a deployment in the Middle East supporting combat missions in Afghanistan. He spoke of the harsh conditions, long days and hard work as he served in Operation Enduring Freedom.

Chuck shared with us how his time at the Boys Ranch prepared him for this call to serve our country. Previously, he had been unable to live with

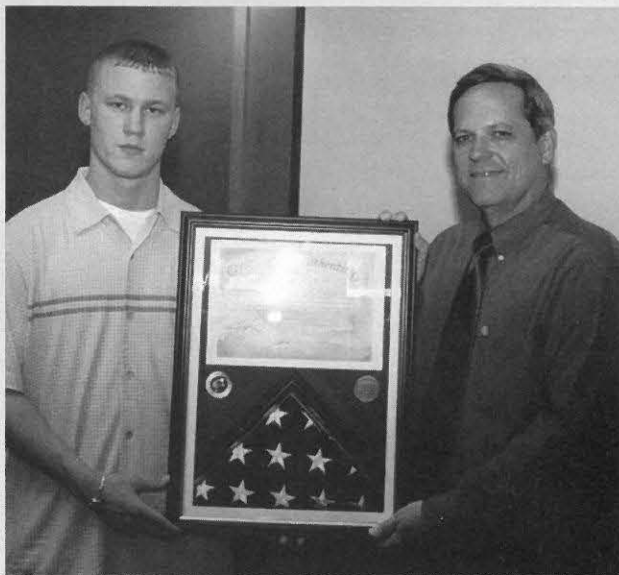

his own parents and was living with friends and neighbors. He knew he needed to finish his education and would have a hard time doing this without more structure in his life. The Boys Ranch provided this structure with love and care during this critical time.

During our visit, Chuck presented me with an American flag that had been flown during a combat mission in Afghanistan. As I accepted this beautifully framed flag, I was so proud of Chuck and his commitment "to make his life count."

Over the years, our donor family has enabled us to provide a loving home, good education and the values needed to grow strong men and women who make a difference in our society. Thank you so much for sharing so generously with the children in our care.

## Jefferson County Residents Help the Youth Ranches

On behalf of Barbara Culbreath, her husband former State Representative John Culbreath donated a 1990 White Plymouth Acclaim to the Florida Sheriffs Youth Ranches. Jefferson County Sheriff Ken Fortune accepted the vehicle on behalf of the Youth Ranches.

Given that Mr. Culbreath's father was once the Sheriff of Hillsborough County, Sheriff Fortune presented him with a pictorial history book about the Florida Sheriffs Youth Ranches and a special lapel pin to signify his support of Florida's Charity for Florida's Children.

## ON THE MOVE and Ready to Go!

Through his younger years, Mike's world had been marked by frequent moves from place to place as his parents relocated many times. From his perspective, he believed there was a pattern in each different school ...everybody picks on the "new" kid.

True or not, Mike decided to take action and began to initiate confrontations on his first day at a new school. Immediately, this aggressive behavior got the attention of his classmates and school administration. Mike was labeled a "troublemaker" and he tried hard to live up to his reputation.

While Mike was a smart and capable young man, he had burned too many bridges and soon discovered his options to stay in school had grown slim. One alternative was still available, but it involved yet another move...a move to the Florida Sheriffs Boys Ranch!

That was in 1998 and Mike had just turned 14 years old.

Today, Mike is 18 and will soon graduate from Suwannee High School. With a 2.5 grade point average, Mike has made the most of his high school years. Like any busy teenager, Mike has participated in Future Farmers of America - showing animals at the fair and attending the national FFA conference; played on the school

baseball team - meeting Atlanta Braves superstar Chipper Jones; held a job in town - saving money to buy his own pick up truck (and pay for the insurance); and attending the prom with his beautiful girlfriend Hitomi.

At the Boys Ranch, Mike has grown up to become a responsible, mature young man who is ready to move on to the next stage in his life...college! Mike has always had an interest in the firefighting profession. Long before September 11th, he wanted to be a member of the New York Fire Department.

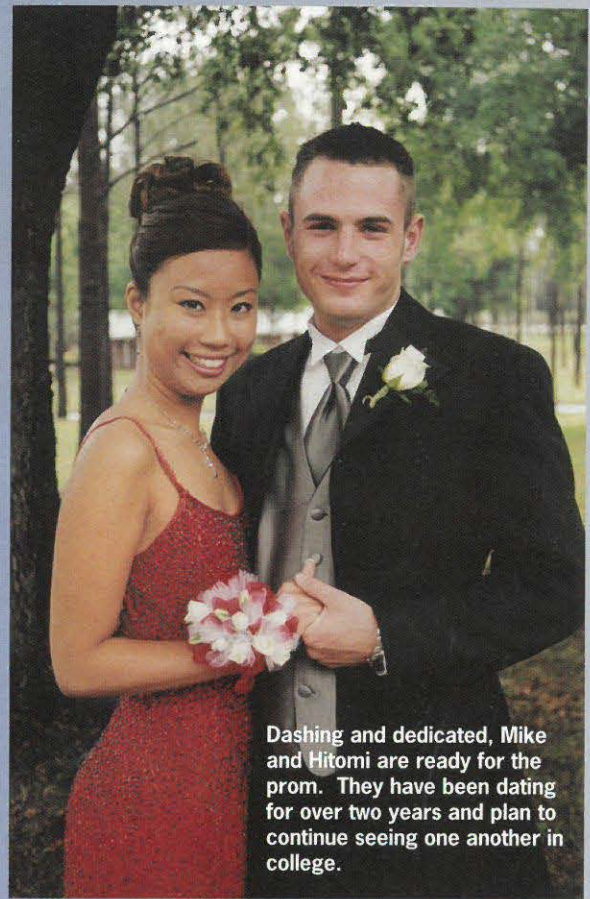

With a slight smile he says, "Most kids here think I want to do this because of 9/11...it's just not true! In fact, just ask my cottage parents...you see when I was in the 10th grade, I sorta got in trouble because I printed out a complete list of every fire department in New York City on the computer...it was 119 pages long. September 11th just intensified my desire to serve in the city."

Given Mike has an aunt that lives in Pennsylvania, he has enrolled in Philadelphia Community College with plans to transfer to Penn State in two years. "They have a good two year fire science program there, and I really like the area."

When asked about his life at the Boys Ranch, Mike takes a moment to think, then responds "I had a lot of opportunities to do many things here. This

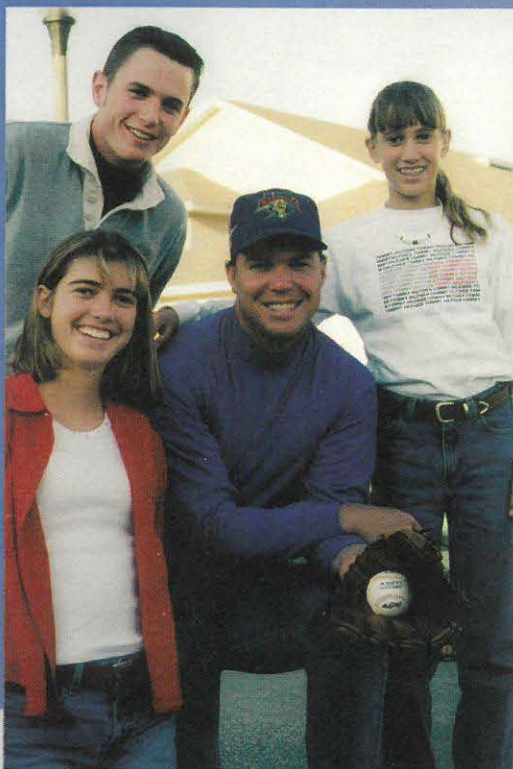

Mike discovered the value of hard work at the Ranch. He works on the farm and held a job at Hardees in town. Mike carefully saved his money and was able to purchase his own pick up truck.

Dashing and dedicated, Mike and Hitomi are ready for the prom. They have been dating for over two years and plan to continue seeing one another in college.

has been the best place for me during the last four years. I have learned how to deal with my anger and let things go...let it ride...take things as they come and live to see another day. I don't let stuff get to me like before...everything happens for a reason and, sometimes, you just have to move on."

As he begins this new journey, Mike realizes so many faithful donors sent contributions that helped support him while he lived at the Boys Ranch. "I want to tell them 'Thank you' - their investment in me won't go to waste. I am more determined to succeed because I never want to be in the position where I have to look that person in the face and say 'I blew it'. My goal is to be independent and self-sufficient. I am going to make it!"

Mike's skill in horseback riding earned him the coveted Carleton F. Tweed Memorial Horsemanship trophy and belt buckle presented by Boys Ranch Alumnus Bobby Vicenzi at Open House.

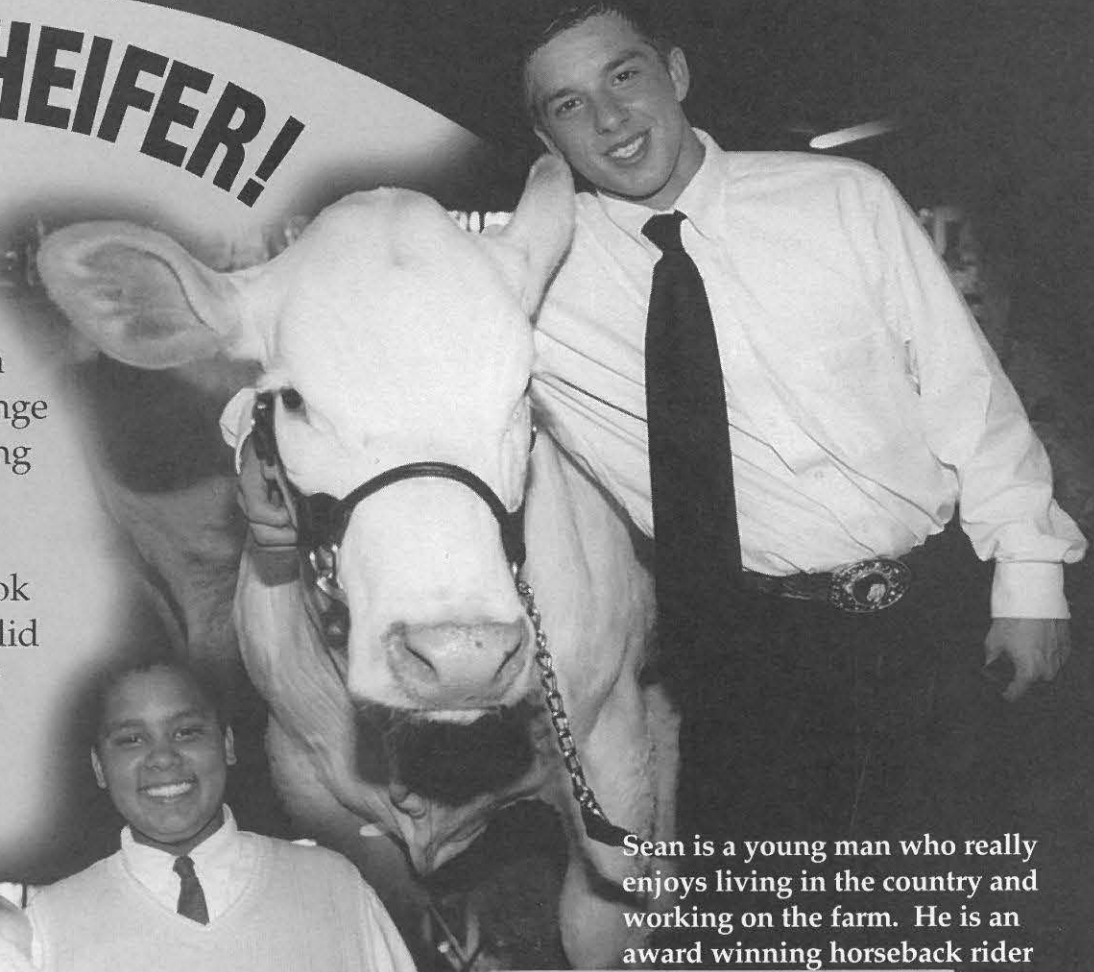

While living at the Boys Ranch, Mike had the opportunity to meet Atlanta Braves Superstar Chipper Jones.

*President's Note – You will be pleased to know scholarship funds have already been set aside for kids like Mike. So many other youngsters in our care need the ongoing day-to-day gifts of support that operate the Florida Sheriffs Youth Ranches. Your generous contribution will allow us to raise others like Mike and*

*help them grow up and become productive, law abiding members of our communities. Thank you so much for sharing your resources with the Florida Sheriffs Youth Ranches and investing in... "Florida's Charity for Florida's Children."*

# WHAT A HEIFER!

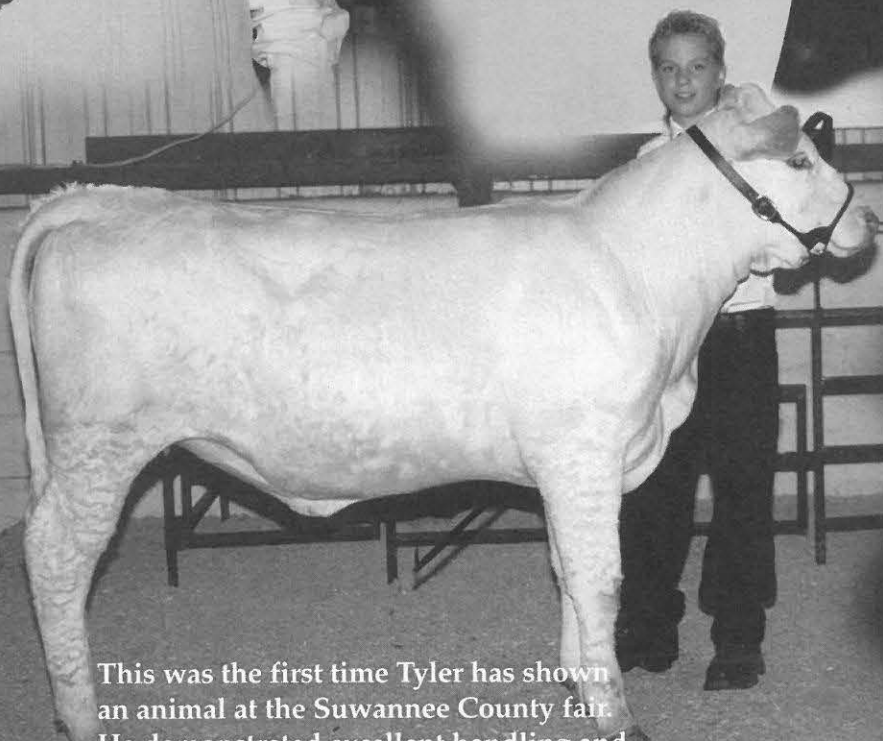

Boys at the Ranch enjoy the challenge of raising a young heifer to show at the county fair. This year several young men took on the challenge and did well. We are proud of their hard work and positive attitudes!

Sean is a young man who really enjoys living in the country and working on the farm. He is an award winning horseback rider and his heifer won first place in his class!

Jeremy has participated in this event every year. He is proud of his heifer and it shows in the smile on his face.

This was the first time Tyler has shown an animal at the Suwannee County fair. He demonstrated excellent handling and showmanship skills in the arena.

# Youth Villa Classic

In the early 70's, the Sheriffs of Florida began searching for the right place to begin a sister program to the Florida Sheriffs Boys Ranch. They recognized abused, neglected and troubled girls needed the same guidance and care as the boys served at the Boys Ranch.

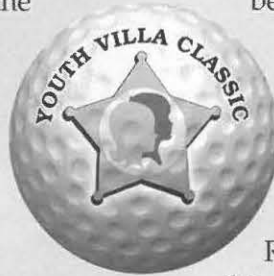

With the support of key individuals in the Polk County area, the County Commissioners and the Mobil Corporation agreed to a 99 year lease on a large track of beautiful land located just outside the city of Bartow. Local community leaders immediately stepped forward and embraced the Florida Sheriffs Girls Villa, now known as the Florida Sheriffs Youth Villa.

At that time, a fledgling Chamber of Commerce event called the Bartow Classic had

evolved into a week-long festival that included two golf tournaments, a barbecue, dinner/dance, and a civic luncheon. The business community felt it would be wise to adopt a charitable beneficiary and naturally selected the Florida Sheriffs Youth Villa.

Now, decades later, the event is still going strong and the money raised still supports the girls who live at the Youth Villa. This past year, a \$20,000 check was presented to the Youth Ranches representing the proceeds from this event.

Many of the major sponsors have been so faithful in their annual commitment to this event and the girls we serve. We want to thank them for their generosity and let them know how much we appreciate their support!

# Moose Make a Marvelous Gift!

It may not be the most glamorous building at camp...but, perhaps one of the most necessary! The Florida Bermuda Moose Association just made Caruth Camp a bit more enjoyable by providing each campsite area with indoor plumbing.

Until recently, each campsite of children had to hike about a quarter mile to the pool house for evening showers. Given the hot summer nights, the hike back to the bunks might lead to a clammy, restless night of sleep. Thanks to the generous men and women of the Moose, it is now just a short walk to the closest facility.

In the early 80's, the Officers of the Florida Bermuda Moose Association were seeking a Civic Affairs Program that would be worthy of their collective and individual support. Then State Director Cecil Webster contacted Don Genung, former Sheriff of Pinellas County. Genung convinced Director Webster the Florida Sheriffs

Youth Ranches was indeed a charity worthy of their support.

The Officers of the Florida Bermuda Moose Association reviewed the matter carefully and formally recommended the Youth Ranches as the statewide Civic Affairs Program. The Lodges of Florida along with the Women of the Moose enthusiastically embraced the idea and began to raise money for the Moose Campsite at Caruth Camp.

Since then, individual members and Lodges across the state have continued their support of the

children in our care. They renewed this commitment last year when they approved the funding for two new shower and bathroom facilities – one for each campsite.

Building upon the bond of friendship established between Genung and Webster, Suwannee County Sheriff Al Williams and Sumter County Sheriff Bill Farmer personally thanked the Moose for this substantial gift.

The 2002-2003 Florida Bermuda Moose Association Executive Board and many individual members were on hand to help dedicate the new

facilities. The President of the Association Jesse McKenzie said, "Every time there is a need for kids, the Moose will step up to help." Moose Regional Director Rodney Hammond added, "The men and women of the Moose are doing our part to help children."

Just prior to the ribbon cutting portion of the ceremony, Florida Bermuda Moose Association State Secretary Liguori Saladin presented yet another significant gift from several Moose Lodges in Florida.

Youth Ranches President Roger Bouchard responded with a sincere expression of appreciation to the Officers, and the many generous people who worked so diligently to raise the money to fund these buildings by saying, "Thank you so much! Thank you for all you do for the children of Florida."

During the recent "Picnic in the Pines" Open House celebration at the Florida Sheriffs Youth Ranches Caruth Camp, the Chairman of the Youth Ranches Board of Directors Suwannee County Sheriff Al Williams paused and turned to extend his personal appreciation for the leadership displayed by the Florida Bermuda Moose Association Executive Board. "Thank you, Thank you, THANK YOU!" he said as he encouraged them to carry back these words of gratitude to each and every Moose member in Florida.

## Cops and Computers for the Community

Cops and Computers for the Community seeks to empower individuals of need and assist community-based agencies with the educational tools that provide digital learning. They believe firmly that access to modern technology increases education, knowledge, and communication that will promote a positive lifestyle.

With this goal in mind, this group of various law enforcement personnel and volunteers donated 21 computers to the Florida Sheriffs Youth Ranches – one for each cottage on our four residential campuses and another for an Alumna who is attending college. Their generosity and caring spirit is helping our boys and girls work on their homework and preparing them for a brighter future.

## Other Ranch News

**Visit the Ranch** - For several years, a group known as the Wacahoota Good Ole' Boys have supported the Florida Sheriffs Youth Ranches through an annual golf tournament. Recently, several members of the group visited the Boys Ranch and met many of the youngsters in our care. During the tour, they visited the Chapel, Learning Center and a cottage. The boys demonstrated their leadership skills as they showed our guests their home!

**Bay County Generosity** – Bay County Sheriff Guy Tunnell (second from right) took advantage of an “in the trenches” workday as the Bay County Sheriffs Office decided to donate the semi tractor to the Florida Sheriffs Youth Ranches. Major J. B. Holloway (left) coordinated the details of the donation and Bay County Sheriffs Office Mechanic James Taylor ensured the donated vehicle was road worthy. Longtime Youth Ranches employee Woody Neely (second from left) accepted the gift and drove it back to the Ranch.

**Steinhatchee AARP visits the Ranch.** Taylor County Sheriff Bummy Williams (front row 2nd from left) brought a group of interested friends to visit the Boys Ranch. The tour group got an inside look at the campus and met several boys, who live at the Ranch, including one from their hometown!

# A Generous Heart!

Life was tough for Doug Lamoureaux as he grew up in a single-parent home during the 40's and 50's in New York. He was bored in school, dropped out after the 8th grade. He managed to make a pretty good living as the owner of two service stations and the first coined-operated car wash in the area. His good fortune was increased in 1952 when he married his childhood sweetheart Margery, a girl he met in Central Park when she was just 10 and he was 11.

When Doug was 34, he was injured in an accident, and part of the settlement would pay for some post-high school education. But, he had to finish high school first! So, he completed the GED, and then scored high enough on the college entrance exam to be awarded a scholarship to the State University of New York. He made the Dean's List during his freshman year and graduated with a Bachelors Degree in Engineering two years later! He initially took a job as an engineer with the U.S. Government Department of Energy and later worked for Exxon.

In 2000, Doug and Margery retired and moved to Hernando County where he first learned about the Florida Sheriffs Youth Ranches. He remembered his own difficult childhood and wanted to make things better for the children at the Ranch. One thing he possessed that had some monetary and personal value was a Gibson guitar. With help from the Hernando County Sheriff's Office, he contacted the Youth Ranches and donated this valuable instrument. The Ranch sold the Gibson guitar and bought several Fender guitars and other equipment so more Ranchers could benefit from Doug's gift of music.

After that initial connection with the Youth

Ranches, Doug decided to save coins throughout the year. Last year his savings amounted to around \$60; this year he brought in over \$75. The year-long process of collecting coins keeps his mind and heart on these deserving boys and girls.

Sadly, Doug's beloved wife of 50 years died in August of 2002, but his children are nearby. Douglas, Jr. owns an engineering firm in Pasco County, and daughter Michelle lives with her husband and son in Ft. Walton.

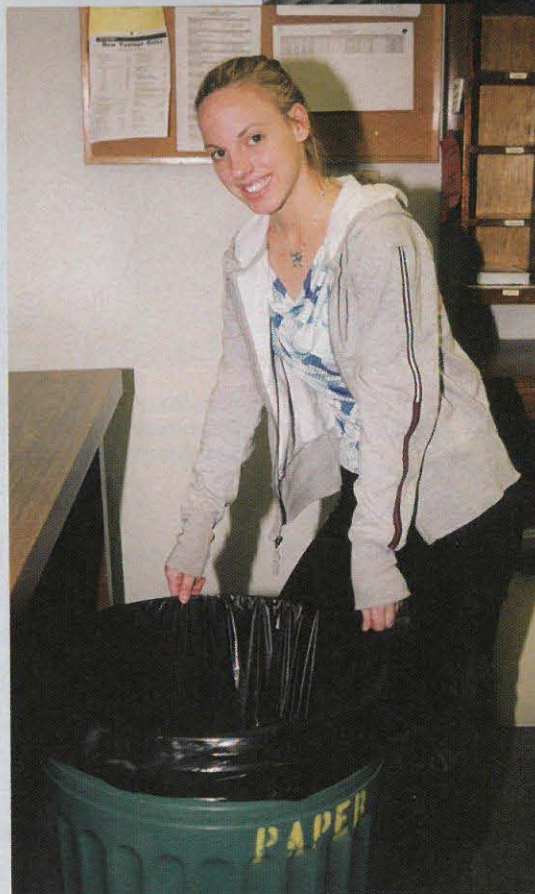

# Building a Strong Work Ethic

*At the Florida Sheriffs Youth Ranches, we believe it is good for a child to display a positive attitude as they develop good work habits.*

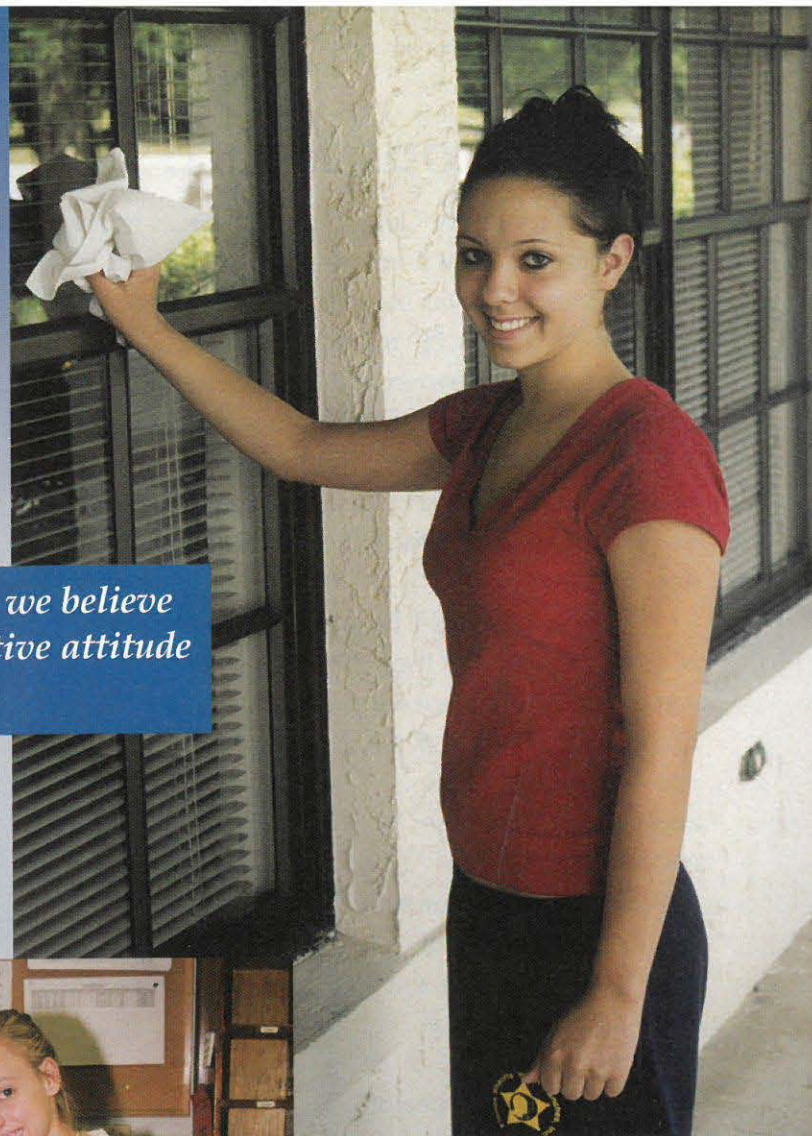

Many of the children living at the Ranch have never been taught some of the basic values that relate to their future ability to earn a living. No matter what our minds can achieve, we must all learn to respect authority as we work for a supervisor, cooperate with a positive attitude as we work with others and perform with quality as we do a good job at the task we have been given. These basic concepts are woven into the work program at the Florida Sheriffs Youth Ranches.

We believe work is different than chores. Everyone in the cottage must share the chores (making the bed, helping in the kitchen, cleaning the bathroom, etc.) that will ensure the home runs smoothly. These are a daily part of life and there is no allowance given to do what is expected of everyone.

A job or work program is a bit different. As each child participates in the work program, they begin to demonstrate responsibility and explore opportunities to earn a wage. Initially, a youngster starts off on the "Cottage Crew." Typically, these are

youth who have just come to the Ranch or are in need of direct supervision. The Cottage Parents assign them duties in and around the cottage such as mowing the lawn or cleaning windows. The base salary for these jobs is 75 cents per hour.

Once a child has proven he or she can report to work on time, handle basic instructions and do a quality job, the youngster is eligible to apply for other jobs on campus. These may involve working in the office, with the maintenance staff, at the farm or at

Talisha enjoys helping with the chores in the kitchen. She is cutting celery to put in the salad for the evening meal.

other on-campus work sites that interest the child. They must complete a job application and go for an interview, just like a "real" job.

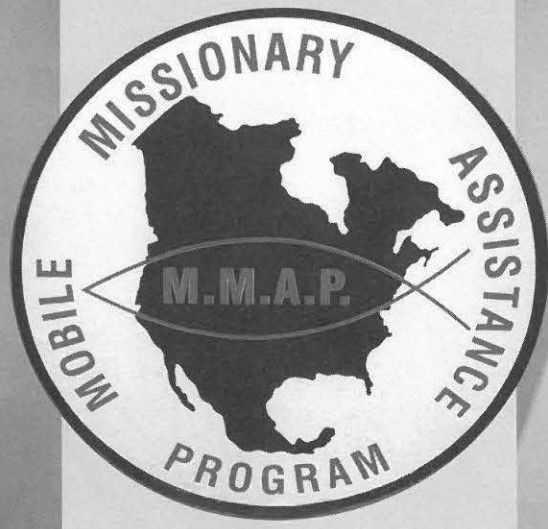

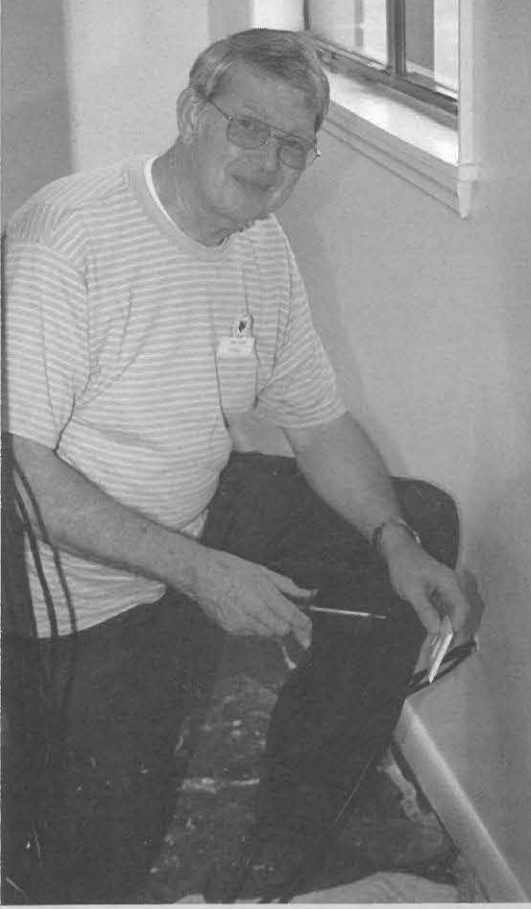

Youngsters receive performance evaluations and feedback on their work habits and skills. During these formal meetings, they are eligible to receive a promotion for a job well done. Of course, like all real jobs – if performance is poor or tardiness is a problem, they may also experience a demotion, reduction in pay or even be "fired" and have to return to the Cottage Crew.

Ultimately, as a teenager grows up at the Ranch, we want them to get a job in town. They are constantly preparing for a future of self sufficiency and productivity.

We also believe in teaching good money management habits that will hopefully establish a foundation for future fiscal responsibility. As each teenager earns a paycheck, ten percent of the money is set aside in a savings account in their name. Another portion is given to the youngster with an emphasis on tithing, and some is pure old "pocket change."

Each spending opportunity is an opportunity to teach our children about priorities. For instance, if a child wants to go to the local high school football game, he must know the admission fee and plan accordingly. Or if a particular pair of new shoes has caught the eye of a young lady, she must save her money to buy the special item.

As we help these youngsters become productive members of our community, the traditional value of "a days work for a days pay" is a vital part of our program. Each and every day, we seek ways to teach these boys and girls the value of a good day at work.

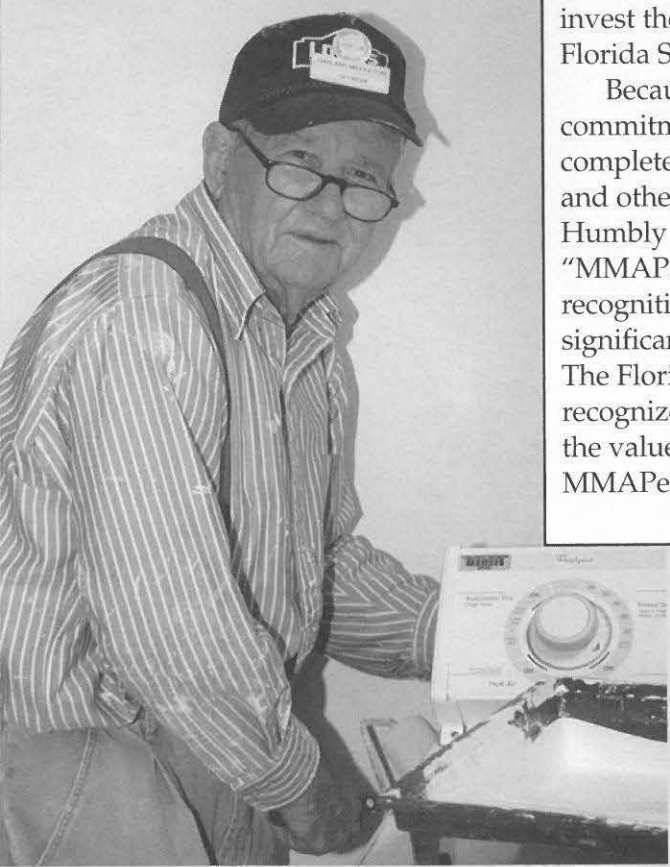

## Reaching Out to Lend a Helping Hand

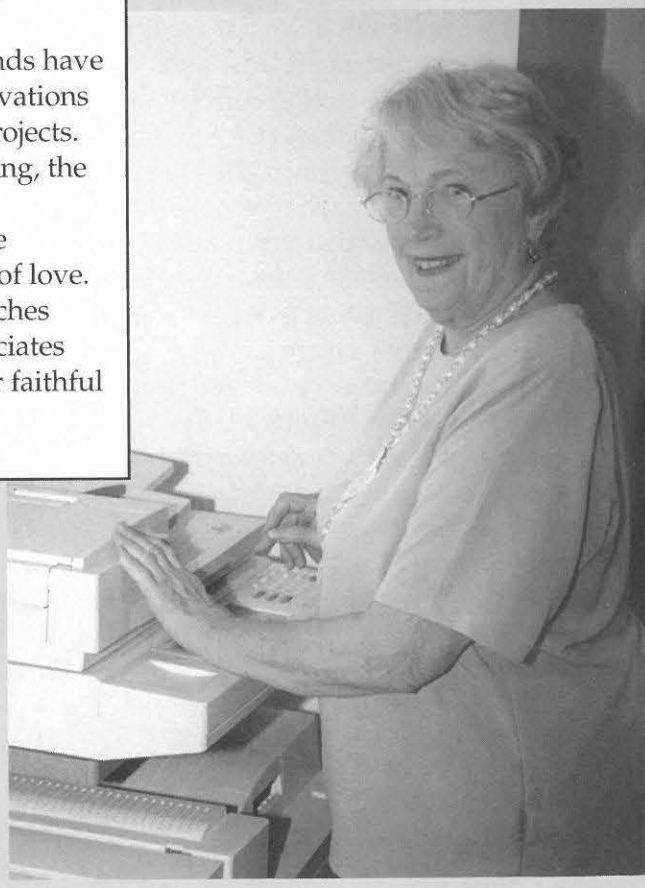

The Mobile Missionary Assistance Program is a national organization of retired Christian couples who dedicate themselves and their talents to lend a helping hand to those in need. For over a decade, these caring and devoted friends arrive in their RV's to invest their time and skills in the Florida Sheriffs Youth Ranches.

Because of their abiding commitment, these special friends have completed many building renovations and other supportive service projects. Humbly committed to this calling, the "MMAPers" rarely receive the recognition they deserve for the significant impact of this labor of love. The Florida Sheriffs Youth Ranches recognizes and sincerely appreciates the value and dedication of our faithful MMAPer friends!

Carl and Shirley Shrenk of Florida joined the MMAPer group on this project in their home state. He replaced the switch plate on a wall outlet and she prepared copies of a training booklet.

Garland and Martha Middleton of Georgia enjoy the feeling of helping others. He is helping to paint a laundry room and she provided support in the office.

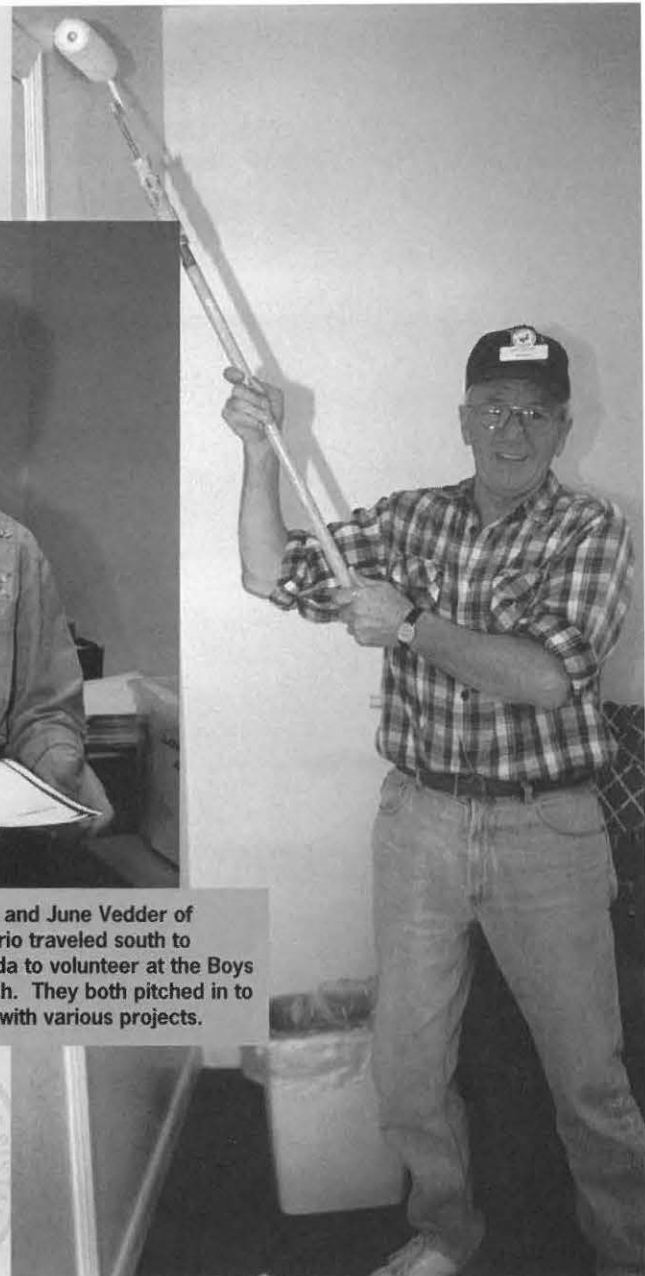

Jim Rhodes of Indiana drills a hole to install a door stopper that will protect the kitchen cabinets from damage.

Ralph Rowe of Oregon carefully paints the area between two bulletin boards in the boys' room in Jellison Cottage.

Jake and June Vedder of Ontario traveled south to Florida to volunteer at the Boys Ranch. They both pitched in to help with various projects.

# Sending You Postcards from Camp!

Summer Camp is nearly here. Hundreds of boys and girls from across the state would like the chance to attend camp...but it can only happen with your help!

If you decide to fully sponsor (\$200) a boy or girl at camp this summer, you will receive a handwritten postcard from a deserving youngster expressing appreciation for your support. These heartwarming notes are written by the campers to express their sincere thanks for your special generosity.

Each and every year, we see the difference camp can make in the life of a child. With our special emphasis on the prevention of juvenile delinquency, we focus on those children who have few alternatives for healthy and productive activities. Deputy Sheriffs and other Law Enforcement Officers work with the children each week to help develop positive relationships and respect.

# Willing Hands and Hearts

With the help of many good-hearted volunteers, over \$30,000 was raised at the Indian River County Sheriff's Office Annual Barbecue. Sheriff Roy Raymond hosted the event that included live music, tours of the jail and 911 communications center, other emergency service displays and a very popular K-9 demonstration.

Many generous sponsors, the local community and the Indian River County Sheriffs Office joined together to make this substantial contribution to the Florida Sheriffs Youth Ranches.

Indian River County Sheriff Roy Raymond and Executive Secretary/BBQ Chairwoman Mary Ellen Jones present Youth Ranches President Roger Bouchard (right) with a generous check at the annual barbecue. While the initial estimate was \$25,000, the final amount raised by the end of the day was \$30,000.

Volunteers make all the difference! This group of ladies, led by the Sheriff's wife, Scooter Raymond (with hat), were all smiles as they served some of the best barbecue in the county.

## Our Boys are Winners!

James (left) and Nate are two young men with a talent for creative thoughts and the mighty stroke of the pen. Each boy was given a classroom assignment and encouraged to succeed by Boys Ranch Teacher Susan Moffat (center). Their writings were so good, Ms. Moffat entered them into the Suwannee County 32nd Annual Community Arts Festival. Nate won a red ribbon for second place in one category and James won first place and Best in Show for his excellent poetry work. Congratulations guys!

*The proper legal name to provide a bequest is:*  
 " I bequeath to the  
 Florida Sheriffs Youth  
 Ranches, Inc.,  
 Boys Ranch, Florida 32064 . . . "

Sarasota County Sheriff Bill Balkwill made it a point to visit with some very special donors. Mr. Ben Flink (seated left) provided the funds for the third cottage at the Youth Ranch, named in memory of his beloved wife Hilda. Joining Mr. Flink and Sheriff Balkwill are good friends Peggy Green, Avery Warner, Edith Hering and her friend Sherry.

## Great Fellowship and Fun

The Florida Sheriffs Youth Ranch in Bradenton/Sarasota hosted the annual Open House in early April. Many special friends and donors took the opportunity to visit the campus and meet the boys in our care.

The day was beautiful as our guests enjoyed live music and a delicious barbecue lunch. The boys and staff took great pride as they provided tours of Aurora, Sotatee and Flink Cottages, the Ruth Bell Learning Center, the Kiwanis Club of Bradenton Administration Building, the Wilson-Wood Foundation Activity Center, the Linnie E. Dalbeck Pool, the Selby Horse Barn and the McCune Maintenance and Vocational Center.

We are so blessed to have these beautiful facilities for the boys at the Ranch. Each and ever gift (both large and small) helps us prevent juvenile delinquency and teach these deserving young men to become responsible and productive members of our community.

Cottage Pop Evilsizor drives borrowed golf cart as Rancher Kwaena (front seat) answers questions about life at the Youth Ranch.

Youth Ranch Bradenton/Sarasota Alumnus Larry Braden brought his wife Tammy to the Open House. Larry lived at the Ranch for four years and was proud to show his bride the place where he grew up. One of the plaques Larry won while living at the Ranch shows he earned the Most Improved Rancher Award in 1999. Today, Larry works at Kash and Karry and is proudly supporting his new family.

Rancher Dion (left) provides our guests with a guided tour of the classrooms in the Ruth Bell Learning Center.

The Ruth Bell Learning Center is the on-campus school for many of our Ranchers. Each youngster has an individual educational plan to help him "catch up" on his education. The funds for this building were given by a retired teacher who valued education and believed that every boy deserved the chance to excel in this area.

**Vantastic Donation -** Ranchers and staff from the Youth Ranch in Bradenton/Sarasota send a word of thanks to the Wilson Wood Foundation for the new van. There are three cottages on this campus and the boys living in Sotatee Cottage will benefit the most from this generous gift.

## Ranchers Experience Success!

Recently, several of our Ranchers had the privilege of serving as Pages in the Florida Senate. This week-long experience enabled them to see our government in action. Along with their role to help transmit messages and other communications to the Senators, they participated in a mock session, developed potential legislation and experienced the hustle of the last few days of excitement in the Florida legislature.

Even though Ranchers Ramsey, Roger and Mike served as Pages in the Florida Senate, our local State Representative Dwight Stansel invited them over to his office in the House of Representatives for a meeting. Representative Stansel attended high school with several former Ranchers and knows the difference the Florida Sheriffs Youth Ranches can make in the life of a deserving youngster.

## HONOR ROLL

**Roster of Builders** - This Honor Roll gives special recognition to generous supporters of the Florida Sheriffs Youth Ranches and its six child-care programs: the Florida Sheriffs Boys Ranch, Youth Villa, Youth Ranch/Safety Harbor, Youth Ranch-Bradenton/Sarasota, Youth Camp, and Caruth Camp. Those who give \$250 or more in cash, or \$500 or more in non-cash gifts, receive a Builder Certificate. Those who give \$2,500 or more in cash, or \$5,000 or more in non-cash gifts, receive Lifetime Honorary Membership in the Florida Sheriffs Association. A large wall plaque is awarded to each Lifetime Honorary Member, and gold stars are added when that person's total gifts reach \$5,000 (one star); \$10,000 (two stars); \$15,000 (three stars); \$20,000 (four stars); and \$25,000 (five stars). For gifts of \$50,000 or more, there is the Golden Star Award. Donors of \$100,000 or more receive the Grand Star Award. We want our donors to know we have never permitted other organizations to use our lists of supporters, and we will continue to do everything possible to preserve their privacy.

**SHOOT OUT A GREAT SUCCESS!**

Pasco County Sheriff Bob White thanked the participants and sponsors who helped raise funds for the Youth Ranches.

Pasco County Sheriff Bob White is determined to make an impact on the lives of deserving boys and girls. Just a few years into his first term, he has surged forward as a leader in the fight to prevent juvenile delinquency.

Counting on the support of many dedicated volunteers and friends in Pasco County, Sheriff White organized a Sporting Clays event that generated over \$40,000 for the Florida Sheriffs Youth Ranches. "We are proud to be a part of the 46 year history of the Youth Ranches. I believe firmly in the 'work, study, pray and play' philosophy taught at the Ranch," said White recently.

"This is an amazing event," noted Roger Bouchard, President of the Youth Ranches. "This is just the second year and it is one of our biggest fundraisers in the state." He went on to praise Sheriff White and the men and women of the Pasco County Shoot Out Committee for their many hours of dedicated service that ensured a successful event.

Several of the boys from the Ranch attended the event and had the chance to personally express their appreciation to Pasco County Sheriff Bob White (back) for his leadership in coordinating this event.
