President's Perspective

Roger O. Bouchard, Jr.
President, Florida Sheriffs
Youth Ranches, Inc.

Since our last issue of *The Rancher* magazine, all of us at the Florida Sheriffs Youth Ranches have been very busy and excited about all that is going on in our world. Spring is one of our busiest times of the year with a number of special events held by Sheriffs' Offices to help raise funds for the care of our children. Golf and fishing tournaments, gospel sings and lots of good, old fashioned fun times bring people together to hear about the work of the Youth Ranches and to raise much needed funding for our programs. I would like to thank all those who give of their time and resources to make these such a success.

We also had the wonderful opportunity to dedicate the Donald Ralph Cooke School at the Boys Ranch. Mr. Cooke was a successful businessman who I had the opportunity to meet and get to know several years ago. Just as our friendship began to develop, Mr. Cooke passed away. Mrs. Cooke, his wife of 56 years, wanted to do something to honor and memorialize her husband. Since education was such an important part of Mr. Cooke's life, Mrs. Cooke donated the funds to build a new school building at the Boys Ranch. This beautiful and functional facility will allow us to have all our boys attending

our on-campus school in one building rather than spreading them across the campus.

During the spring, we also held awards banquets for the youth at each of our residential campuses. I am always so proud of the accomplishments of these young people, especially those who are graduating from high school. As they go on with their education or leave to serve our country in the military, they will make wonderful ambassadors for the Youth Ranches. I am sure they will be successful in their future endeavors.

Lastly, this is the time of year we are bringing Summer Camp into the lives of thousands of children from around the state. Whether they come to one of our "spend the night" camps or attend day camp in their own community, they are having positive interactions with law enforcement officers and learning how to be better members of their families, schools and communities. Just last week some of our staff members were at the Florida Senate and discovered one of our state senators was an alumni of our Summer Camp, attending two separate summers when he was a child.

Of course, none of these blessings would be possible without the faithful support of our donor family. Although the economic times have presented some real challenges, our faithful donors have enabled us to continue providing services to children who come to us.

Thank you for your faithfulness.

Quotes and Notes

"I look back to fond memories of my days at the Girls Villa with Mom and Pop Mikell and wish that I would have stayed there. It's been a rocky road for me but I have finally gotten my life straightened out. If only I knew then what I know now, I would certainly have taken advantage of the opportunities I had then!" ~ Sandi Huddleson, Youth Villa Alumnas

"I really, truly enjoyed my time at the Boys Ranch and cannot wait until the day I can afford to come back and show my wife and kids the place that helped me become the man I am today. I had some of the best times of life there and learned so many life lessons there. Had it not been for the ranch, I would be dead or in jail. Instead, I have a great family and good job." ~ David "DJ" Seymour, Boys Ranch Alumnus

"Thank you very much for inviting me to the Open House in Bradenton. Frankly, I was so nervous, I actually thought of not going. Lucky for me, I went! I got to talk with three of the boys. After hearing how they came to the Ranch and how their Ranch experience was helping them, I found myself thinking "I hope I'm that mature when I grow up." Also, I got to talk with four of the parents. I am in awe of their work and professionalism doing what is arguably the hardest job in the world -- being a parent.

All in all, the few hours I spent there absolutely impressed upon me that my support is well deserved. Thank you for the invitation to see this good work for myself." ~ M. Boots, Donor

These youngsters loved the colorful creations of their first tie-dye project during arts and crafts.

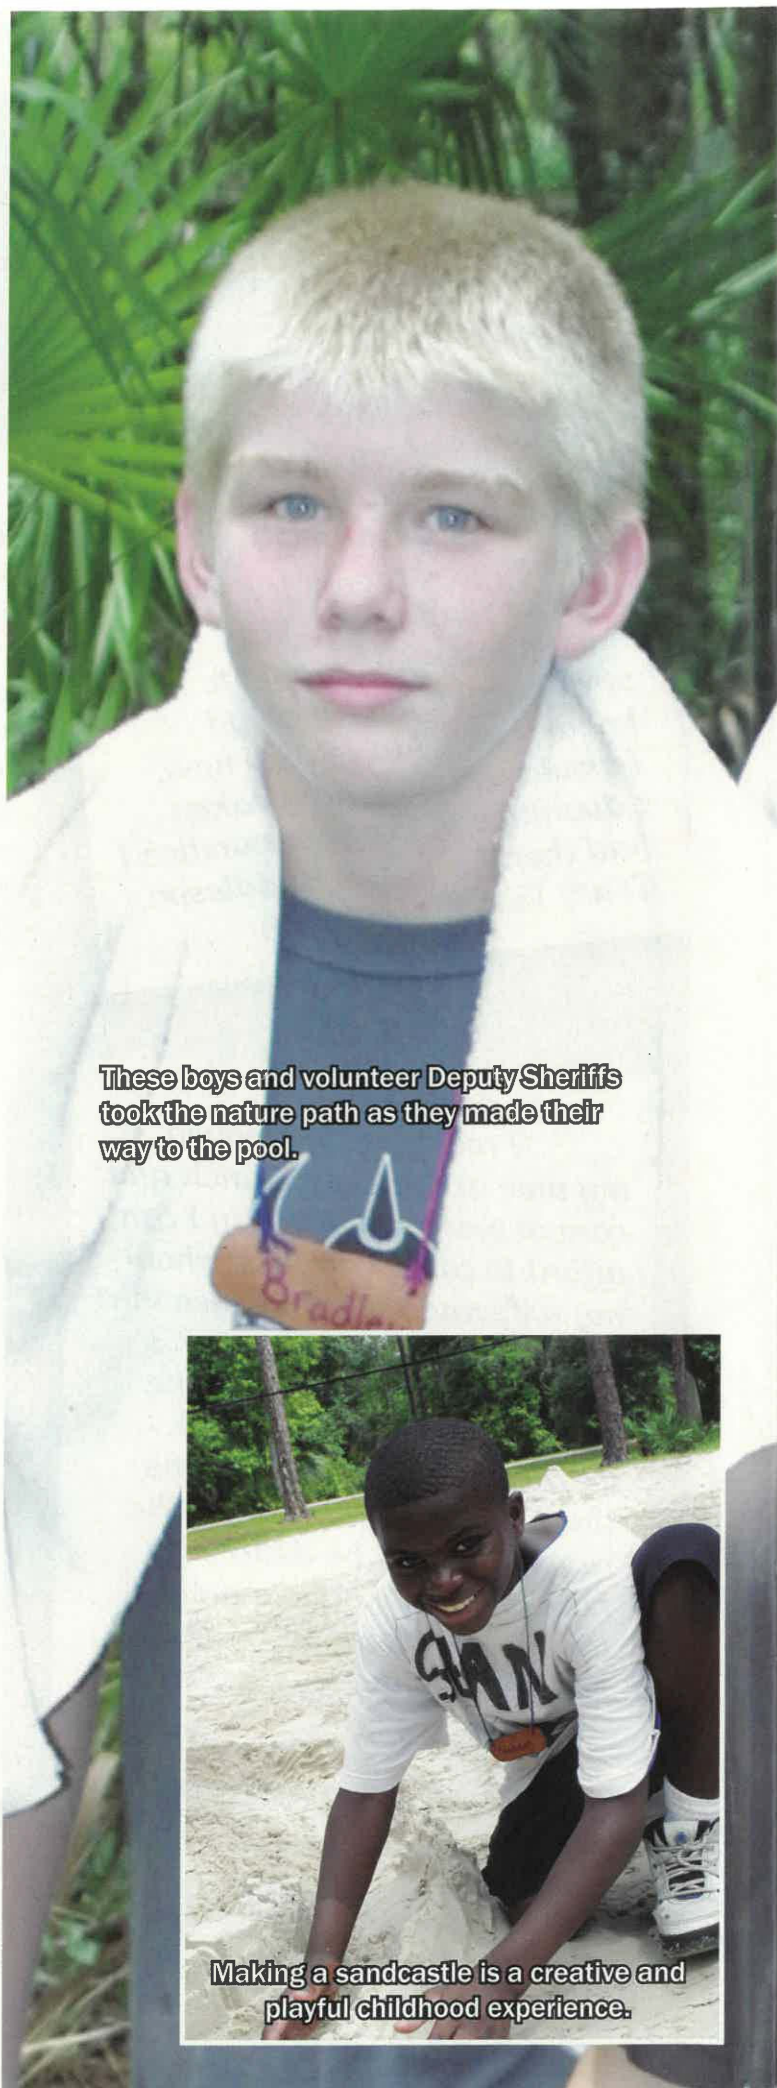

Every summer the Florida Sheriffs Youth Ranches provides thousands of boys and girls with a unique and special summer camp experience. Some attend overnight camp at one of our two permanent locations and others attend a day camp right in their own community.

The giggles, smiles and adventures of summer camp are contagious. Kids meet new friends and have the opportunity to enjoy outdoor activities that engage their bodies and minds in wholesome recreational fun!

Swimming, hiking, arts and crafts and yes, sometimes even playing in the sand can surface a smile in even the toughest of kids. Volunteer Deputy Sheriffs and other counselors encourage the children to leave the worries of home behind and just enjoy the incredibly exciting experience of summer camp.

Woven into all the fun, our boys and girls create solutions for challenging games which teach sportsmanship, leadership and positive peer relationships. In a structured, yet playful environment, children love to learn and explore the world around them.

Thanks to your generosity and camp sponsorship we hope to reach out and touch the lives of some of the neediest children across Florida. We are so grateful that you have chosen to support the Florida Sheriffs Youth Ranches ~ "Florida's Charity for Florida's Children."®

National Recognition *for Rancher and Alumni*

Rancher Wesley won national recognition for the CORE Student of the Year. The award was presented by Youth Ranches Vice President of Program Bill Frye (left) and Boys Ranch Farm Manager Jeff Parker (right).

The Florida Sheriffs Boys Ranch co-hosted the annual Coalition of Residential Education's (C.O.R.E.) National Conference. During the visit CEO's and other staff from residential programs nationwide toured the Boys Ranch and attended workshops. Youth Ranch staff conducted seminars and made our guests feel welcome.

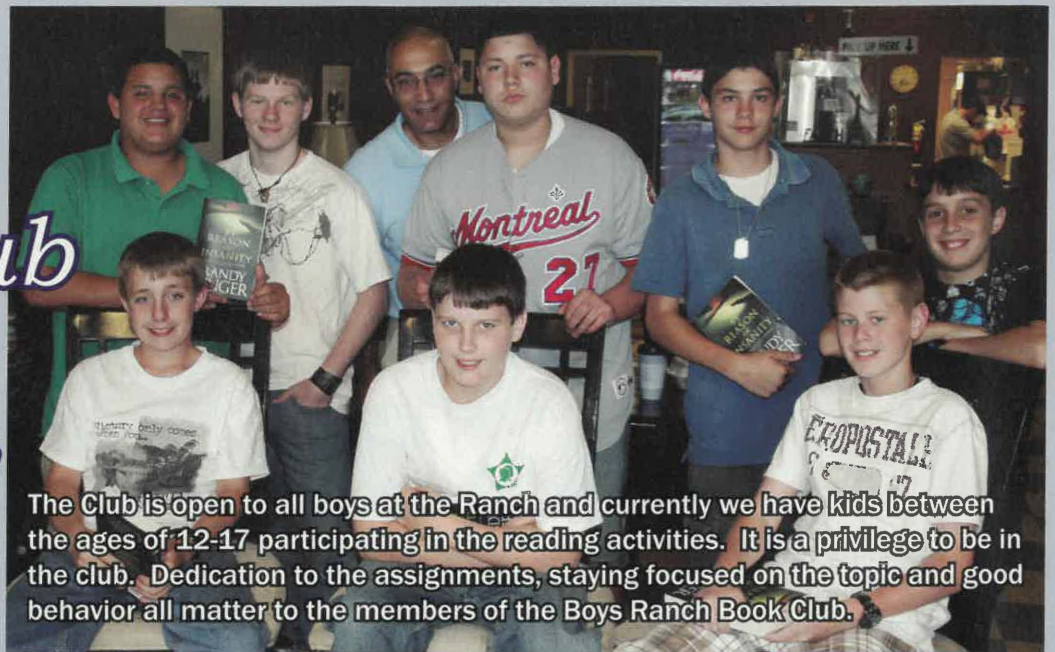

During the visit, Boys Ranch Alumnus, Leonard Russek received the Alumni of the Year award and Rancher Wesley (four year resident of the Boys Ranch) received the Student of the Year award. These prestigious awards are a great honor and are chosen from many nominations from across the nation.

After the conference, the Executive Director and Founder of C.O.R.E. wrote saying, "Should I live to my 90's, I believe I will always remember as one of the highlights of my professional life riding on top of a couple bales of hay with my CORE colleagues, surrounded by Wesley and other students, seeing your campus as we moved along; the welcome by the boys on horses doffing their hats; the warm and welcoming banquet with the bear all dressed up as we presented the national awards; and so much more. Your program is truly inspiring. You all were/are so generous, warm, and welcoming. Your students were so courteous and proud. This overall sent a clear message that your program is serving them so well. This conference was one of our best ever. Thank you so much."

Boys Ranch Alumnus Leonard Russek was one of the first two boys admitted to the ranch in 1959. He has given back generously by serving on the Florida Sheriffs Youth Ranches Board of Directors and making a \$50,000 gift in honor of our 50th Anniversary. Members of CORE honored him with the Alumnus of the Year award.

Boys Ranch Book Club in Full Swing!

The Club is open to all boys at the Ranch and currently we have kids between the ages of 12-17 participating in the reading activities. It is a privilege to be in the club. Dedication to the assignments, staying focused on the topic and good behavior all matter to the members of the Boys Ranch Book Club.

Last year, Boys Ranch Chaplain Dominick Morales and the boys decided to create the Boys Ranch Book Club. They selected several authors including C. S. Lewis, Ted Dekker and Randy Singer and then chose titles written by those authors. They have read a total of 15 books since the club began.

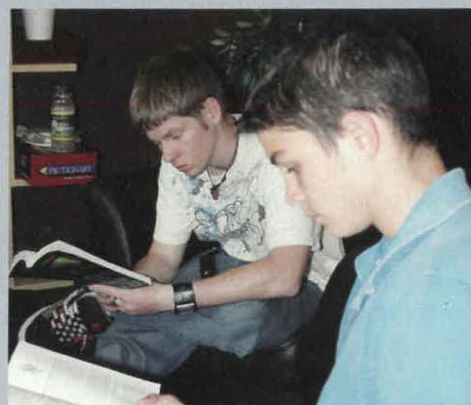

Once selected, books are ordered so everyone has the same edition and the reading begins. Youngsters are expected to read the assigned chapters prior to the meeting of the book club. The boys who have met this goal will ride with Chaplain Morales to a local coffee house in town where the boys gather and begin reading favorite passages aloud. Sometimes, there is a lively discussion and other times, a pensive, almost solemn time of reflection and thought.

Many of Chaplain Morales' questions begin with "What do you think about...?" This gives the boys an opportunity to form thoughts, opinions and reflect upon the choices made by the characters in the book.

It is a privilege to be a member of the Boys Ranch Book Club and this engaging opportunity has improved the confidence, public speaking skills and reading comprehension abilities of the boys and adults alike. We are proud of these young men as they strive to better themselves in so many valuable ways.

Gathered in a circle, the boys discussed the most recent book, *By Reason of Insanity* by author Randy Singer. Chaplain Morales asked, "Is the insanity plea fair or unfair?"... "Was temporary insanity a good justification for a crime?"... and "Can insane people also be intelligent people?" The boys discussed mounting circumstances of the crime, the thoughts and feelings of the victim and the motives and choices of the accused. It was an interesting and insightful discussion.

Concentration and focus, these boys enjoy being part of the Boys Ranch Book Club.

DONALD RALPH COOKE

**August 19, 1917 ~
March 13, 2004**

Mr. Donald Ralph Cooke was born in Montreal, Canada. He was born to Ralph and Nancy Cooke and had three siblings. Mr. Cooke was an incredibly bright man and the only person in his family to obtain a college education. He worked his way through college as an athlete, boxing coach and instructor. Mr. Cooke earned his Master's Degree in Business Administration at The University of Western Ontario in London, Ontario, just outside of Toronto, in 1940. It is one of Canada's oldest universities, founded in 1878 by Bishop Isaac Hellmuth and the Anglican Diocese of Huron.

Mr. Cooke came to the United States of America in 1942. He thought this was a great country and wanted to start a business of his own. He became a US citizen and took a job as a radio announcer in Michigan. His business was known as Donald Cooke, Inc., and was located at 666 Fifth Avenue in New York City. Mr. Cooke was a New York Sales Representative for United States and Canadian radio and television stations and magazines

He married Dorothy Hertha McLaughlin at St. Thomas Episcopal Church in New York City, New York. They enjoyed 56 years together.

Mr. Cooke believed a strong education helps make a man very successful. He was living proof of this theory and his wife Dorothy has built this school as a tribute to him. Mr. Cooke was an honest businessman, full of integrity and humility. He also had an excellent sense of humor, a very quick wit and was a gentleman in every sense of the word.

Mr. Cooke was born in Montreal and resided in Toronto, Canada; New York City; Millbrook, New York; Asheville, North Carolina and Port Saint Lucie, Florida. He enjoyed his life tremendously and truly lived the American Dream.

Dedication of The Donald Ralph Cooke School Written and Spoken by Mrs. Dorothy Hertha Cooke

Donald Ralph Cooke was a kind intelligent gentleman very aware of his responsibilities and obligations. He had a quiet strength and was not only a happy man but an excellent husband.

Donald Cooke loved music and was self taught on both piano and organ (which he resounded throughout our home.) He also enjoyed sports – having been both a Boxer and Hockey Player in College. A favorite was watching baseball. We had a box behind first plate at Yankee Stadium in New York City during the Mickey Mantle-Yogi Berra era that he enjoyed tremendously.

Mr. Cooke was a firm advocate of keeping your eyes and ears open and your mouth shut. In Board of Governors meetings he would let everyone have his say and would be the last to speak – with knowledgeable pros and cons on the subject. He was not “a know it all” type but a very smart man!

I personally dedicate this beautiful School in honor of my husband DONALD RALPH COOKE and to all the boys here who have and will pass through to become as fine a gentleman as Mr. Cooke.

School Dedication Begins a New Era of Learning at the Ranch

The day was bright and beautiful as the ribbon was cut on the Donald Ralph Cooke School at the Florida Sheriffs Boys Ranch. This incredibly beautiful eight-classroom facility is exactly what we needed to help build the future of these deserving young men. Many dignitaries gathered to celebrate the tremendous gift made by Mrs. Donald Ralph Cooke in honor and memory of her beloved husband.

St. Lucie County Sheriff Ken Mascara spoke boldly to the boys who live at the ranch and will attend the school, "...hard work, education and giving generously separated Mr. Cooke from the average person. Those traits can separate you from the average person, and I hope each one of you take advantage of this special opportunity to learn and make your mark in society."

Mrs. Donald Ralph Cooke reflected personally on Mr. Cooke's achievements and also encouraged the boys to take advantage of the

opportunities available to them at the Boys Ranch. Several special friends and other members of the local community were on hand to personally thank Mrs. Cooke for her generosity as we honored the life of Mr. Donald Ralph Cooke.

(l-r) Suwannee County Sheriff Tony Cameron, Suwannee County Superintendent of Schools Jerry Scarbrough, Youth Ranches President Roger Bouchard, Mrs. Dorothy Cooke, St. Lucie County Sheriff Ken Mascara and Sheriffs Ranches Enterprises Board member and retired Sheriff Al Williams cut the ribbon on the new Cooke School.

Make a Great Charitable Gift!

Would you consider making a gift to the Florida Sheriffs Youth Ranches through your will, trust or possibly list us as a beneficiary of a life insurance policy?

Your gift, small or large, will help us prevent juvenile delinquency and develop lawful, productive members of our communities.

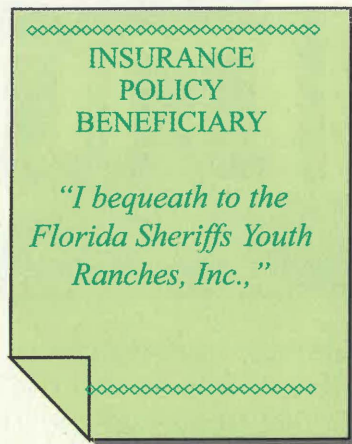

Many people believe in our children and want to help but they need to preserve the money they have right now to cover the rising cost of medical care and other living expenses. We understand this dilemma and know you should first care for yourself and your loved ones. However, one way you can fulfill your intent to support our boys and girls is by including the Florida Sheriffs Youth Ranches in your will or other estate plans.

As you think about your plans, a simple way to make a commitment of this type would be

to change the beneficiary of a life insurance policy or add the Florida Sheriffs Youth Ranches PO Box 2000, Boys Ranch, FL 32064 as a beneficiary to your investment or retirement account.

This will ensure the remaining funds will be used to help serve the children in our care. If you have any questions or would like to learn more about these gifting options, please contact President Roger Bouchard at (800) 765-3797.

Your will should be reviewed annually.

About your estate planning...

Many of our friends have thoughtfully made provisions in their estate plans for our boys and girls. If you are considering a gift of this nature or if you would just like to know more about the many and varied opportunities for sharing, we can help. At your invitation, it would be our privilege and pleasure to visit you in your home. If you prefer, you are welcome to visit us or we can furnish information by mail or telephone, whichever is most practical and convenient.

If you would like to know more about including the Youth Ranches in your estate plans, please complete the coupon below and mail it in the postage-paid envelope found in this magazine.

Two former Sheriffs, Senator Charlie Dean (left) and Senator Steve Oelrich (center) proudly stood in support of our Ranchers (from left to right) Cody, Ren and Jonathan.

Ranchers Witness GOVERNMENT IN ACTION

Sponsored by Senator Charlie Dean, three of our boys were selected to participate in the Senate Page program this spring. It was an exciting and interesting experience for the boys as they saw how laws are made in the state of Florida.

Ironically, a bill enabling Florida residents to make a contribution to the Florida Sheriffs Youth Ranches when they register a vehicle was

heard on the floor of the Senate during the week our boys served as Pages.

Senator Steve Oelrich, who sponsored the legislation in the Senate, took a moment during his explanation of the bill to recognize our boys as residents who would benefit from the passing of this legislation. Senator Chris Smith, who actually attended the Florida Sheriffs Youth Ranches Summer Camp as a child, also strongly endorsed this bill.

Even though the boys served as Pages in the Senate, they were warmly welcomed to the House side of The Capitol by Representative Debbie Boyd. She successfully led this legislation through the House of Representatives to ensure the citizens of Florida would have another option to support "Florida's Charity for Florida's Children."®

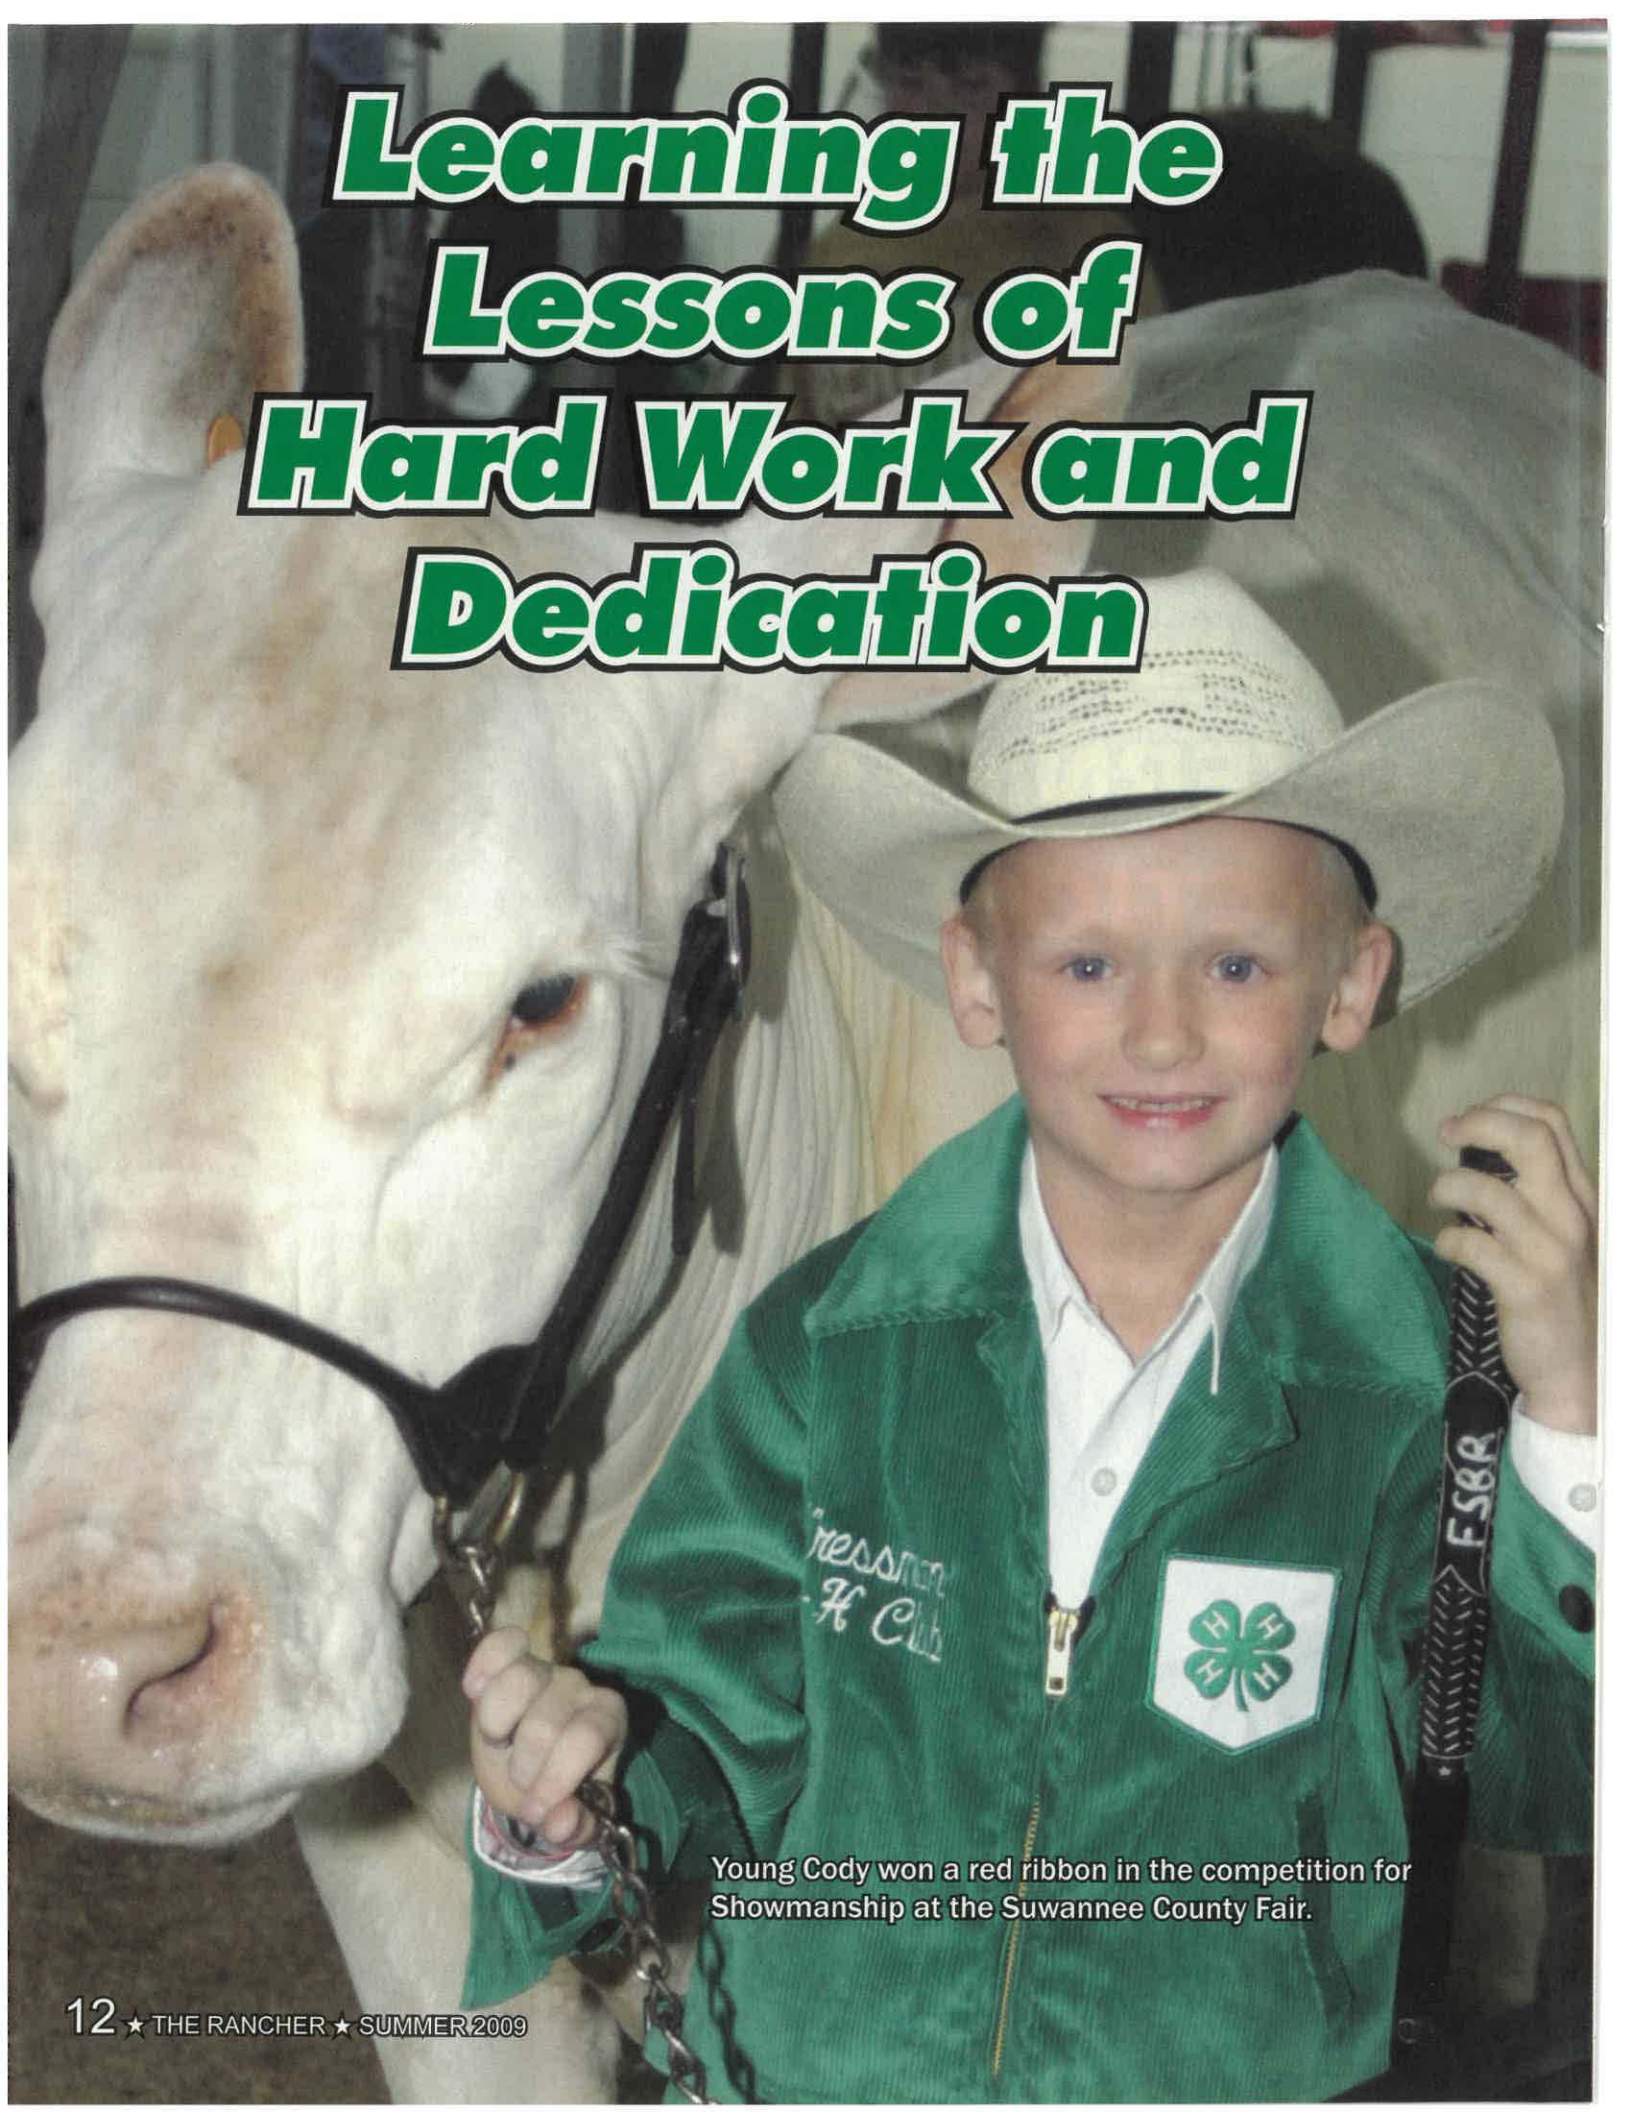

Ren, Jonathan and Cody were very pleased to meet Representative Debbie Boyd and personally thank her for helping to pass legislation which benefits the Youth Ranches.

Representative Debbie Boyd spent some time with the boys describing to them some of her responsibilities and duties as a State Representative.

Learning the Lessons of Hard Work and Dedication

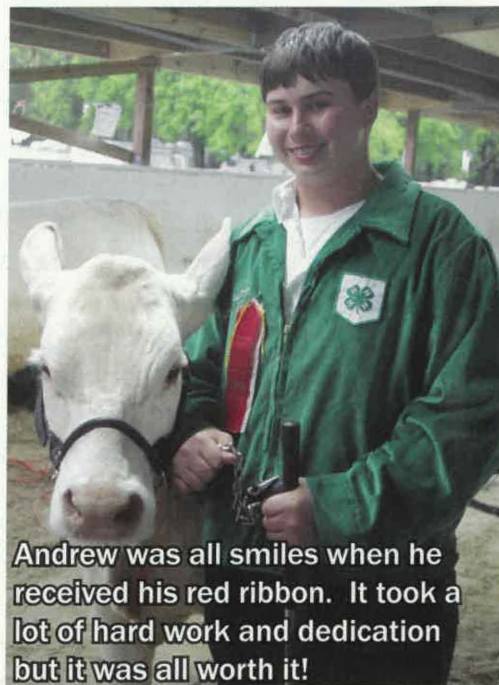

Young Cody won a red ribbon in the competition for Showmanship at the Suwannee County Fair.

Several boys at the Florida Sheriffs Boys Ranch learned the lessons taught by many hours of hard work and dedication as they made a commitment to show a heifer at the local county fair. Months ago, the Ranchers selected a young calf and began to build trust with the animal. Then, as the fair drew near, the boys were teaching the calf how to walk with them on a lead line.

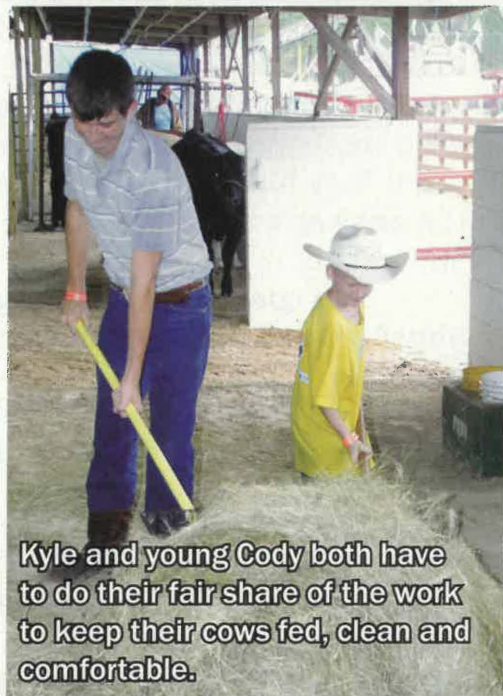

Hours of work at the barn taught the boys to be both persistent and patient. Farm Manager Jeff Parker expected the boys to handle all the chores related to the care of their heifer, including keeping them fed, watered and in a CLEAN stall. As the fair drew near, a small crowd at the Boys Ranch began to gather on a weekly basis to encourage the boys as they practiced “showing” their animals.

Finally the Suwannee County fair had arrived! You could see the pride in the boys’ statures as they walked into the arena with their shoulders back and their confidence strong. The boys kept their eyes on the judge as they knew a part of the test would be a thorough questioning about their heifer. Each boy did his best to answer accurately and completely...standing ready for the final walk around the arena.

When the judging was complete and ribbons awarded, our boys still held their heads high. While blue ribbons went to other competitors, our boys knew they had won something they would keep forever – a sense of accomplishment, proof of their dedication and the satisfaction of representing the Boys Ranch with pride and dignity!

Andrew was all smiles when he received his red ribbon. It took a lot of hard work and dedication but it was all worth it!

Kyle and young Cody both have to do their fair share of the work to keep their cows fed, clean and comfortable.

Kyle’s heifer “Waletha” (left) and Ty’s heifer “Big Mac” have grown up side by side. At the fair, they were stalled separately, but had a visit just before showtime.

Nearly 30 years ago, Ernie and Cookie Clark began supporting the boys and girls served by the Florida Sheriffs Youth Ranches. He tended the land on their ranch and dabbled in some other business ventures while she worked at the local bank.

Having no children of their own, Mr. Clark took a special interest in the Florida Sheriffs Boys Ranch. He admired the strong work ethic taught to the boys and believed that these children deserved a chance at a better life. He appreciated the strong commitment to traditional values so much that he agreed to serve on our Board of Directors.

Plain spoken and very direct, he once shared there were only two criteria needed to evaluate the success of the Boys Ranch... one, determine if the boys (now men) were good husbands and fathers and two, find out if they filed a tax return last year. If the answer was "Yes" to both, we were successful!

The concept of breaking the cycle of abuse and neglect by being a good spouse and parent was obvious...but what about the tax return? Mr. Clark just smiled and nodded his head..."That tells me they had a job!"

In his wisdom, Mr. Clark also found a way to help the Youth Ranches and provide a stream of guaranteed income for life. He entered into a "two life" Charitable Gift Annuity agreement with the Florida Sheriffs Youth Ranches which gave him an immediate tax deduction, a reliable source of income and contentment in knowing he would eventually be helping the boys and girls in our care. Because it was a two life agreement, the Charitable Annuity continued to make quarterly payments to Mrs. Clark, even after his death.

Sadly, Mr. Clark passed away in 1997, but his wife lived another 11 years until 2008. She was comforted by the fact that she could depend on this regular and

reliable source of income established by her beloved husband.

Would you like to make provisions for yourself or someone you love to ensure they have a steady stream of income for life? Would you like to feel good about this gift knowing any remainder of your gift would go to help prevent delinquency and provide a better life, a good education and a strong work ethic for deserving boys and girls? If so, please complete the coupon on the next page for a free, no obligation calculation outlining the benefits of a Charitable Gift Annuity.

JUST A CHANCE TO BE A KID!

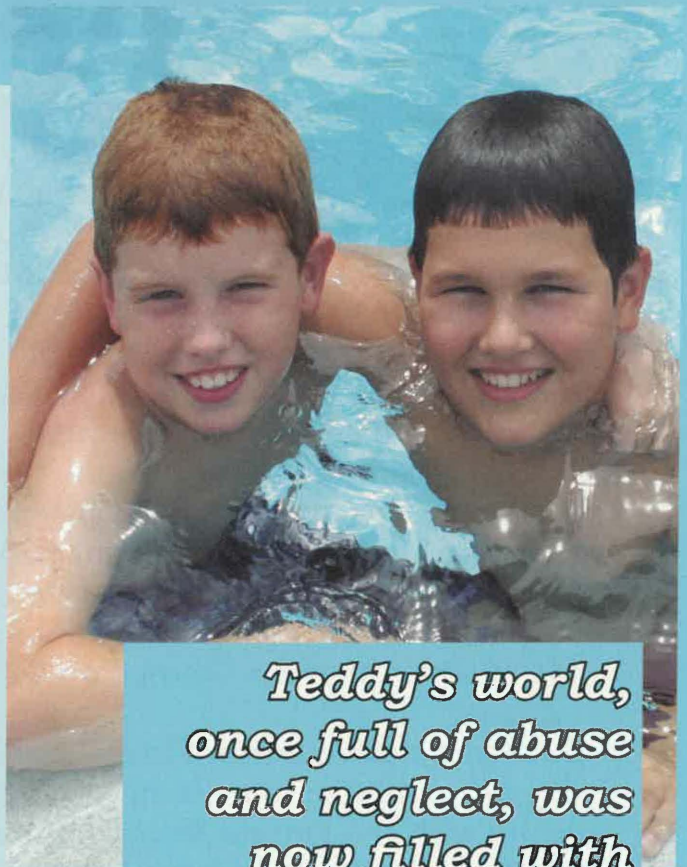

Life can be terrible to children. Teddy* and his brother and sisters have had some shocking and awful things done to them by people who should love and care for them. In fact, Teddy has visible marks of the trauma his little body has experienced. Some people stare but others can look beyond the scars and see his smile!

Every day Teddy lives with his painful past. He has been taunted and teased by other children who see him as different. **But, he is normal and just wants to be like all the other kids around him.**

Last summer, thanks to someone like you, Teddy and his siblings were able to attend summer camp for free. To watch him laugh and play, you would have no idea what Teddy has been through. His laugh is contagious. Spending a week at camp was the most wonderful thing to happen to him in a long time!

You can be part of providing boys and girls with a great summer camp experience! **You can give this gift to a child in need.** Your camp sponsorship enables thousands of children to participate in summer camping programs around the state.

THANK YOU FOR YOUR CARING AND TIMELY GIFT!

"No, not all gifts have to be something that we can physically touch or use. I have learned the hard way that life and waking up every morning is the greatest gift of all.

Since I have been at the Ranch I have accomplished many things that honestly I do not think I could have accomplished if it was not for the Ranch. I think the Ranch has made me a different and better person. I have noticed this because people are treating me like I am actually cared about, and not always like "oh, he is not worth the trouble to be hanging out with." I have also never really said "thank you" to those who took the care and pride to better my life.

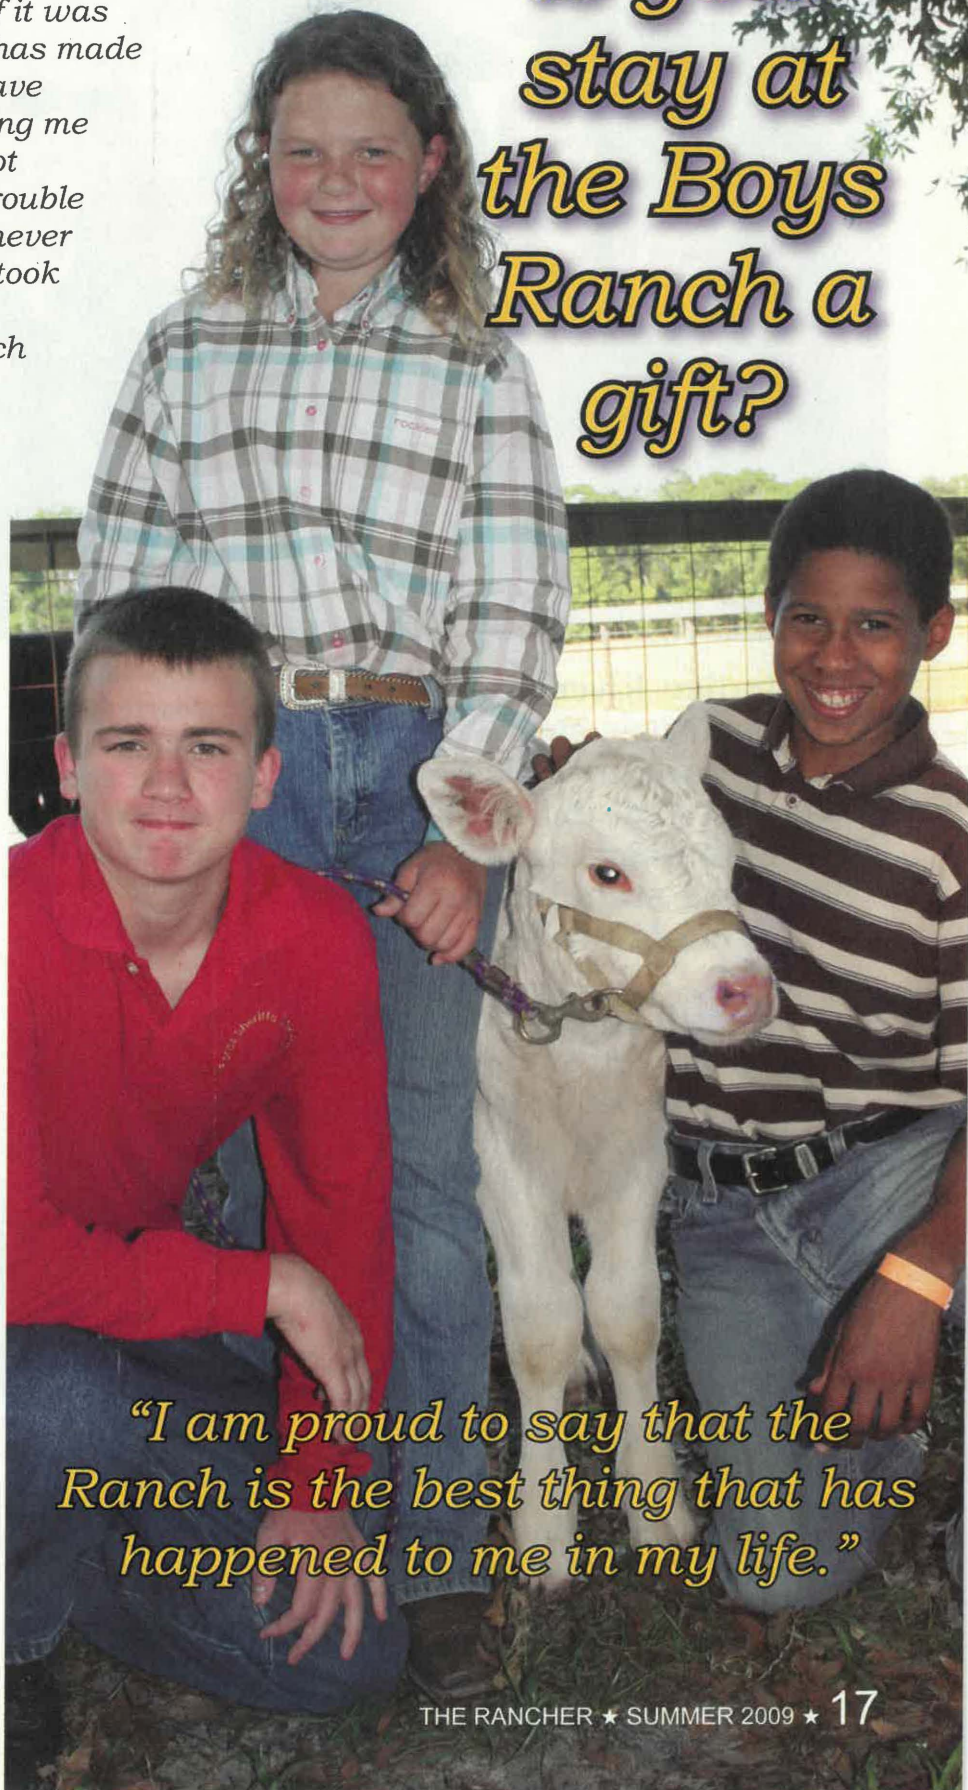

I am proud to say that the Ranch is the best thing that has happened to me in my life. All my teachers helped me to get good grades. My cottage parents have helped me become a person that people will talk good things about. If I had to pick a favorite gift, it would be to have just one day to show everyone who has helped me how much I appreciate them.

I know that every night I have a bed to sleep in, a roof over my head, and three meals daily. These are gifts that were given to me when I did not deserve to have them. I am very thankful to the Ranch and all Ranch staff. Well, there are people out there in the real world who don't have the things many of us have. I think everybody should stop complaining about what they don't have, and look at what they do have. There are people out there that would love to even have a bar of soap. I hope that people take what I have said for consideration.

Well, the only thing I have left to say is that I am not writing this for a prize, I am writing my honest feelings and this essay should open some peoples' eyes and I hope they will understand what I have said."

~ Scott D. (8th Grade)

How is your stay at the Boys Ranch a gift?

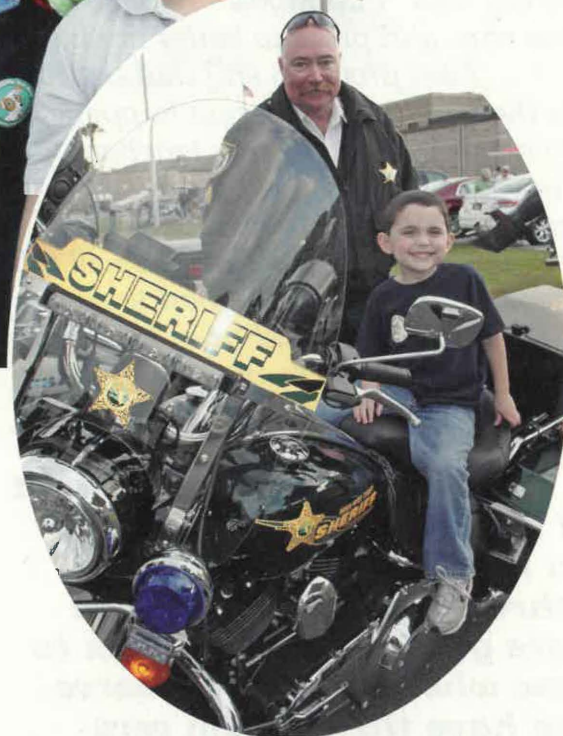

"I am proud to say that the Ranch is the best thing that has happened to me in my life."

INDIAN RIVER SHERIFF'S OFFICE BBO

Indian River County Sheriff's Office Chief Deputy Tim Elder (left) and Sheriff Deryl Loar welcome some children who attended the 15th annual barbecue.

Indian River County Sheriff's Office Sergeant James Stewart made young Tyler's day by letting him sit on his parked motorcycle.

Indian River County Sheriff Deryl Loar was sworn into office in early January. He had plenty to do, but that did not stop him from embracing the Sheriff's Office long-standing support of the Florida Sheriffs Youth Ranches.

Sheriff Loar, along with many great volunteers and friends, hosted the 15th Annual Indian River County Sheriff's Office Barbecue and raised \$41,000 to help the boys and girls in our care. Sheriff Loar has visited the Boys Ranch near Live Oak and witnessed the tremendous success of the children we serve.

Sheriff Loar (left) presents Youth Ranches President Roger Bouchard with a check for \$41,000 which will benefit the children of Indian River County and others across the state.

The boys at the Youth Ranch Safety Harbor enjoyed checking out this vintage Pinellas County Sheriff's Office patrol car.

Open House Events A Tremendous Success!

Several of our campuses held open house events so donors and friends could tour the campuses and meet with the boys and girls in our care. We are proud of what we do and want the folks who support us to feel comfortable seeing our success firsthand.

Hundreds of guests attended these various events and took the time to tour inside the cottages and visit with us. We are grateful for the many people who help us meet the needs of so many children.

The Youth Ranch in Safety Harbor had a presentation of four kayaks, a trailer and equipment from the Bay Area Canoe and Kayak Fishing Club of Tampa Bay. This group has been volunteering time with the youth. (l-r) Director of Recreation Jeff Harrell, Pinellas County Sheriff Jim Coats, Club President Sam Ledford, Patty Ledford, Vice President Mark Bellotte, Sharon Magwood, Special Events Coordinator Sheryl Beach and Craig Beach.

The boys from the Ranch in Bradenton calmed their nerves and gave their first public singing performance at the annual open house.

The Women of Evangelical Lutheran Church in America based at The Redeemer Lutheran Church in Sun City have a quilting group nicknamed the "Needlers." These ladies made 10 quilts, some pillows and gave a generous cash gift for the boys at the Youth Ranch in Bradenton.

At the Youth Ranch Safety Harbor event, the St. Pete Community Band played a wonderful medley of beautiful music for our guests.

Boys Ranch Alumnus Answers the Call to Duty!

Fortunately for Eric, he and the other members of his unit got to visit a number of national monuments and other sites when they were off duty.

National Guard Engineering Specialist Eric Loehlein, 36, personally received the call to serve. "We need some folks from the unit to help with the Presidential Inauguration. Would you like to help represent us?" What a question! "Yes Sir!" Eric immediately replied.

The call had gone out across our nation. Eric joined nine other volunteers from the 868th Engineering Company of Live Oak and over 300 other Florida Guardsmen for the event in Washington, D.C.

Their duties appeared to be basic tasks...provide security and traffic control... but it was far from a normal environment. Washington D.C. was about to be flooded with more visitors, dignitaries, and citizens than ever before. The atmosphere was festive but the National Guard was on alert to protect and defend the United States of America.

Eric's unit was housed at a local elementary school, divided into three shifts, and took on the challenge of keeping thousands of citizens safe during this significant national celebration.

Eric was prepared for this duty and volunteered because he loves our country. He has been blessed to receive many opportunities in his life including living at the Florida Sheriffs Boys Ranch for over five years. During the last four years of high school, Eric was a proud member of the NJROTC and continued by serving in the US Marine Corp.

After completing his active duty service, Eric returned home and married his sweetheart Elizabeth in the Boys Ranch Chapel. He is employed at WB Howlands, a home improvement warehouse in Live Oak. We are proud of Eric and all the Boys Ranch Alumni he represents.

As a veteran, Eric paid his respects to fallen brothers in uniform at the Vietnam Veterans Memorial Wall in Washington DC.

SRE Hosts First Annual Dealership Fundraiser

Highlands County Sheriff Susan Benton (center) was joined by Sheriffs Ranches Enterprises Board Member Debra Graves as Florida Sheriffs Youth Ranches President Roger Bouchard presented them with awards for used vehicles donated at the event. Also pictured are Highlands County Deputy Mike Week (left) and Deputy Kenneth Cooper (right).

Sheriffs Ranches Enterprises hosted the first annual dealership fundraiser to increase donations of used vehicles and other items to help support the Florida Sheriffs Youth Ranches. Sheriffs Ranches Enterprises Board Member Debra Graves sponsored the event at the ALLSTAR Car and Truck sales lot in Sebring. She challenged other local car dealers in the area to match her contribution of at least one used vehicle. A total of five vehicles were received including two from the Highlands County Sheriff's Office.

In addition to promoting car donations, Sheriff Susan Benton supported this effort and encouraged folks to make donations of cash or non-cash items such as furniture, sporting goods, power tools, collectibles, jewelry, clothing, etc. These items will help stock the Sheriffs Ranches Enterprises Thrift Stores. All proceeds generated through Sheriffs Ranches Enterprises solely benefit the boys and girls served at the Florida Sheriffs Youth Ranches, Inc.

HONORING A SPECIAL BROTHER

Mr. and Mrs. Anthony Delleani wanted to make a special gift to the Florida Sheriffs Youth Ranches in memory of her brother Donato Petitti. They wanted to make a significant gift which not only remembered Mr. Petitti, but helped the children at the Ranch in a tangible way.

Donor Relations Officer Don Meek offered several suggestions to the Delleani's including an urgent need to refurbish the swimming pool at the Youth Ranch in Safety Harbor. Mr. and Mrs. Delleani thought it over and decided to make sure the pool would be ready for the kids to use this summer.

Pictured above Pinellas County Sheriff Jim Coats (right) and Youth Ranches President Roger Bouchard were able to personally thank the Delleani's (left) for their generosity and unveiled a bronze plaque which will be installed by the pool to honor Mr. Donato Petitti.

Please Donate Your Vehicle to the Sheriffs Ranches Enterprises

The Sheriffs Ranches Enterprises accepts vehicles in fair to great condition. If your donation has proper emission controls, fair tires, no major body or rust damage, and the engine/transmission are in good working order, please consider sharing this resource with our charity. This donation goes to benefit the boys and girls of the Florida Sheriffs Youth Ranches.

For more information or to set up an appointment for a Sheriffs Ranches Enterprises representative to pick up your vehicle, you may call 800-765-3797.

Please note: The American Jobs Creation Act of 2004 contains new rules pertaining to the charitable deduction allowed for vehicles donated to a qualified charity after December 31, 2004. Basically, this law limits the donor's tax deduction to \$500, or the gross proceeds from the sale of the vehicle, if over \$500. We recognize that each individual's tax situation is different and the impact of any charitable deduction is based on a variety of circumstances. You are strongly encouraged to consult with your independent tax advisor.
