President's Message:

Accreditation Does Make a Difference

A message from
Harry K. Weaver, President
of the Florida Sheriffs
Youth Fund

The emblem at left is probably new to you, but you will be seeing more of it. We have been given the right to

display it and we're, maybe, just a little bit proud.

This emblem means that the Youth Fund and its programs have been accredited by the National Association of Homes for Children, which represents more than 400 residential group child care agencies throughout the United States, caring for more than 30,000 troubled boys and girls.

NAHC accreditation is not an easy thing to come by, nor is it easy to sustain, since it must be reviewed every five years. In the field of residential group child care, there are no higher standards than those of NAHC. The Youth Fund is the first agency in Florida and one of fewer than fifteen agencies, nationwide, to achieve it. That is not to say that other agencies will not be accredited in due course, but it feels good to be among the first.

The accreditation process requires, first, an extensive self-study, during which we had to look at ourselves and evaluate our degree of compliance with more than 200 specific standards, involving not only our youth care programs but also the functions of our governing board, fiscal accountability, personnel practices, organization and administration, buildings, grounds and equipment, and our fund-raising practices.

Later, we were visited, for almost a week, by a Peer Review Team representing NAHC. The team consisted of seven professional administrators of NAHC-member child care agencies from various parts of the

country. At each of our program locations (Boys Ranch, Girls Villa, Youth Ranch and our Central Office), a citizen representative from the local community was chosen to assist the NAHC team in their evaluations. They did a thorough job, and it felt like a week under a microscope.

When the Peer Review Team completed its inspection, all of their separate reports were compiled into a single report which was submitted, by the Team Chairman, to the NAHC Accreditation Commission. This was in June and now the hardest part was the waiting (almost four months) for the Commission's decision.

Finally, on the last evening of NAHC's ninth annual conference, held in Atlanta, September 14-16, the announcement was made — the Youth Fund was accredited, and a certificate attesting to that was presented to Jim Strayer, our Vice President for Youth Services. It was a big moment for Jim, who has the responsibility for the Youth Fund's overall youth care program. It was a big moment for all of us.

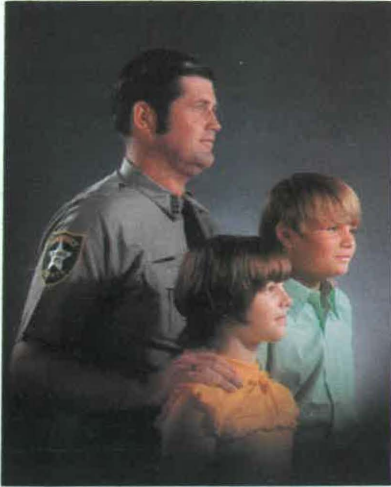

"All of us" includes all of you, because this big moment could never have happened without the involvement, the concern, and kindness of our friends and supporters.

All of us can feel good about this NAHC accreditation. It is a confirmation, by experts in the field of child care, that our boys and girls are receiving the kind of care that you want them to have and they so richly deserve.

Quality care has always been a minimum standard with the Youth Fund and always will be, but it's nice to be acknowledged by your peers.

We will display our certificate and emblem of the NAHC accreditation with pride and in sincere appreciation of all of you who have helped us to attain this distinction and who, in so doing, have helped so many deserving youth.

THE FLORIDA SHERIFFS YOUTH FUND IS . . .

A charitable, non-profit corporation, sponsored by the Florida Sheriffs Association, to manage and operate the Boys Ranch, Girls Villa, Youth Ranch, Youth Camp, and any other Youth programs that might later be developed by the Florida Sheriffs Association. An important function of the Youth Fund is the raising, receiving, budgeting, and disbursing of funds for its programs. The Youth Fund and its programs are supported almost entirely by voluntary gifts. Gifts and bequests can be made to the Youth Fund for the exclusive benefit of any single program, such as the Boys Ranch, Girls Villa, Youth Ranch, or Youth Camp, or they may be made without restriction, to be distributed among existing programs as most needed or to be used for the development of new programs at the discretion of the Governing Board. Youth Fund Central Offices are co-located with the Boys Ranch.

MAILING ADDRESS — Florida Sheriffs Youth Fund, Boys Ranch, Florida, 32060
Telephone: (AC-904) 842-5501

BOYS RANCH IS . . .

A residential group child care program for dependent, neglected, or homeless boys between the ages of eight and eighteen. It is not an institution for juvenile delinquents. The Boys Ranch is sponsored by the Florida Sheriffs Association and operated by the Florida Sheriffs Youth Fund. It was founded in 1957 and currently has approximately 108 boys in residence at any given time. The Boys Ranch is located in North Florida, about half-way between Jacksonville and Tallahassee and nine miles north of the town of Live Oak on County Road 795.

YOUTH RANCH IS . . .

The most recently developed residential group child care program of the Florida Sheriffs Youth Fund. Also sponsored by the Florida Sheriffs Association, it was founded in 1976 and opened in 1978. It is located just east of the intersection of the McMullen-Booth Road and County Road 102 near Clearwater, Florida. The Youth Ranch has approximately 30 boys and girls in residence at any given time. It provides care in a homelike environment for brothers and sisters who are dependent, neglected, or homeless. Mailing address and telephone number are the same as for the Youth Fund.

GIRLS VILLA IS . . .

A similar program for girls located two miles east of Bartow, Florida, on Route 60. Originally conceived by the Sunshine State Women's Chamber of Commerce of Madeira Beach, Florida, the Girls Villa was adopted as a project of the Florida Sheriffs Association in 1970. The first buildings were completed and the first girls admitted in 1972. There are approximately 50 girls in residence at any given time. Mailing address and telephone number for the Boys Ranch, Girls Villa, and Youth Ranch are the same as for the Youth Fund.

YOUTH CAMP IS . . .

A Youth Fund operated camping facility which incorporates a summer program and a year-around wilderness program for boys and girls. The 154-acre campsite is located one mile northeast of Barberville. Campers are normally selected from among boys and girls who have had Requests for Service submitted to the Youth Fund on their behalf. Many of these youngsters are already on the waiting list for admission to Youth Fund residential facilities. The camping program was initiated in 1981 and acquired its present location in late 1982. Please contact the Florida Sheriffs Youth Fund for further information.

Campers Found Friends Behind the Badges

At first, many of the boys and girls reacted negatively when they discovered that some of their Florida Sheriffs Youth Camp counselors were deputy sheriffs and Explorers.

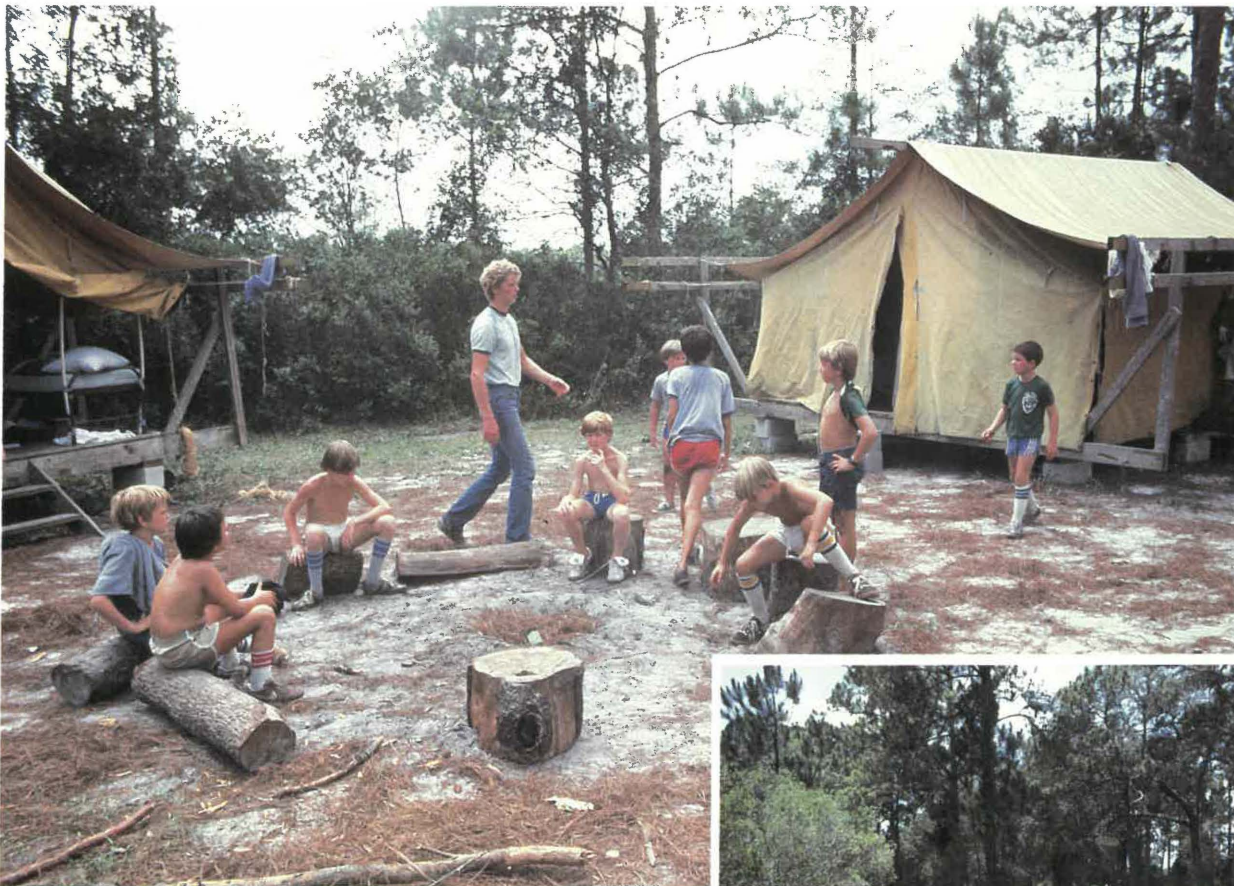

Some sulked. Some were apprehensive and tried to cover it up by acting resentful. A few wondered if the summer camp was going to be like going to jail.

The deputies and Explorers were not surprised. They had been warned that they might be shut out and rejected many times before the campers would respond to them in a friendly way.

"Oftentimes these youngsters have not had successful relationships with adults, and particularly with law enforcement officers," Youth Camp Resident Director Ken Edgar had explained at the beginning of the summer camping sessions.

Sheriff Don Moreland's "talking Volkswagen" with its safety messages intrigued the campers.

“They will not greet you with open arms,” he added, “but if you keep reaching out to them, you will be successful in forming positive relationships.

“By your example, patience and understanding, you will be helping these troubled youngsters. They will challenge you and push you to your limit. Expect it. This is their way of testing you to see if you really care.”

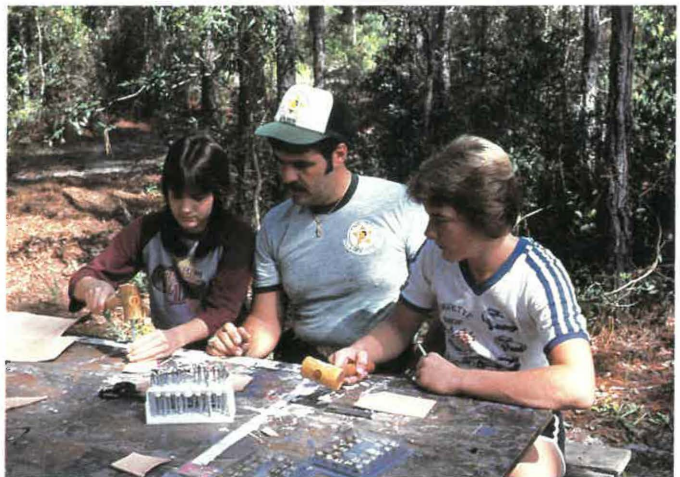

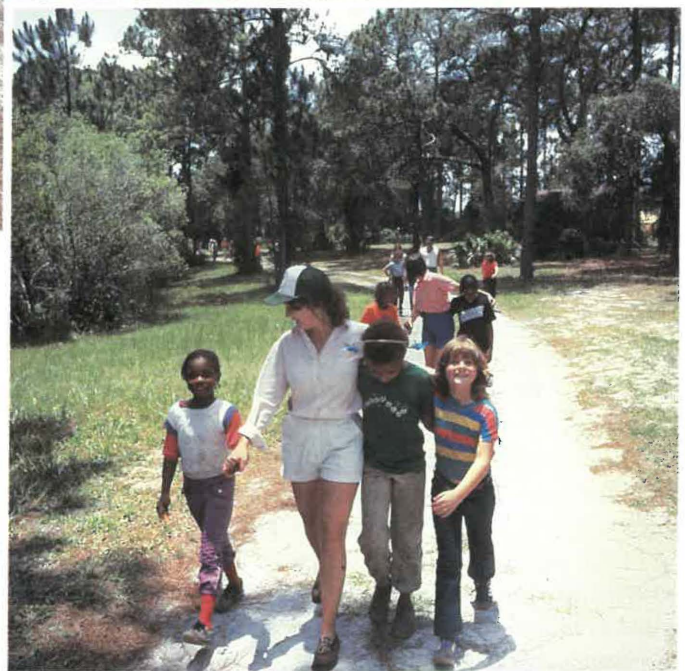

Edgar went on to say that one of the exciting aspects of the Youth Camp program was the opportunities it offered to demonstrate that people of all types can live and work together, provided they exercise a little bit of cooperation and respect.

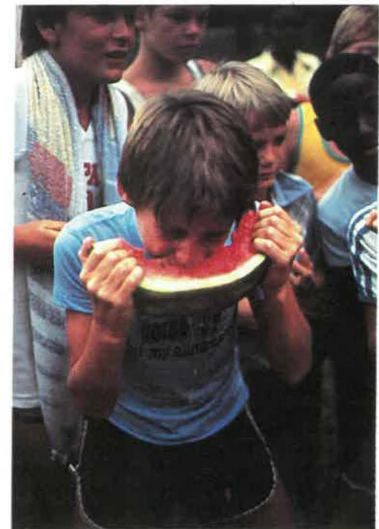

And, by golly he was right.

As the summer camping program progressed, the campers were reminded in a variety of ways that “law officers are your friends.” It didn’t take long for them to begin believing this camp slogan, and there were rewarding results, not only for the lawmen behind the badges, but also for the kids who had been turned off by the badges.

A total of 373 needy boys and girls from all sections of Florida attended five 10-day summer sessions at the Youth Camp, near DeLand, between June 13, and August 18.

(continued on next page)

(continued from page 5)

They were supervised by 30 deputy sheriffs, 10 Explorers, and 25 hired summer counselors under the direction of a full-time professional staff.

Forty additional deputies from seven counties also visited the camp to put on traffic safety, helicopter, SWAT Team, anti-drug abuse, scuba diving and K-9 demonstrations.

Camp activities included water carnivals, dances, horseback riding, baseball, volleyball, tag football, fireside skits and sing-alongs, archery, canoeing, swimming, arts and crafts, campcraft, nature studies, hikes and cookouts.

The youngsters took field trips to Kennedy Space Center and other nearby points of interest, competed for awards, and kept up with the news in their own "Almost Daily Newspaper."

All discovered that the great outdoors abounds with fascinating sights and sounds.

And, Bill D'Avignon, one of the campers, summed it up best when he wrote these words: "Camp is here to help, not to hurt. It will help you and your parents — but mostly help you to help yourself."

Outdoor chapel services were held twice a week.

Wilderness Camp Kids Learn to “Rough It”

In addition to the summer camping which ended August 18, the Florida Sheriffs Youth Camp also operates a wilderness camping program that keeps going throughout the year.

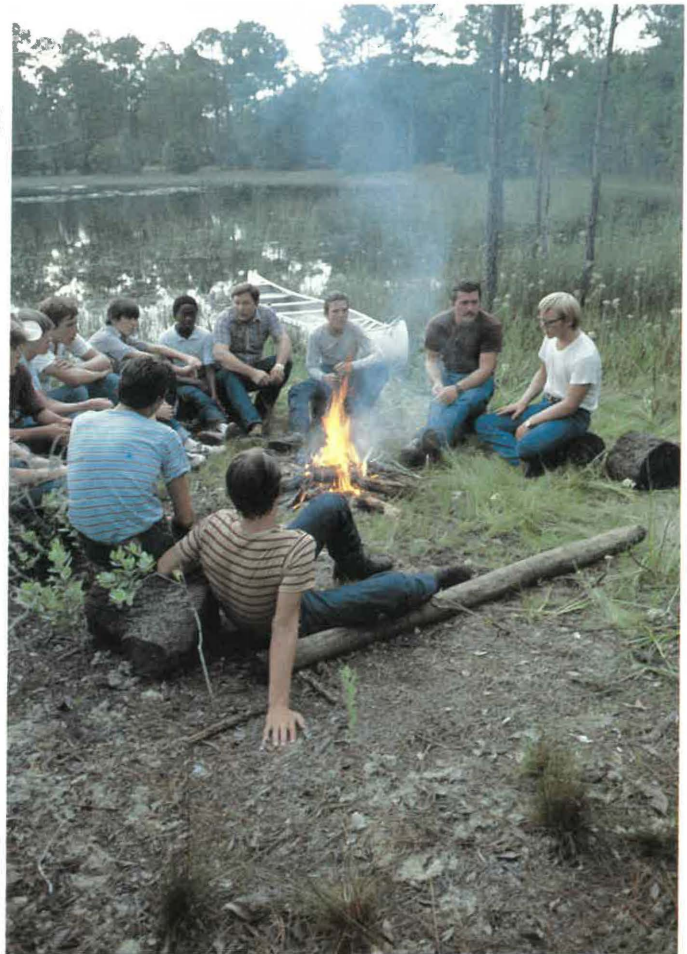

Designed to help youngsters who have been having difficulty adjusting to the structured environments at the Boys Ranch and Youth Ranch, as well as newcomers who need a period of adjustment before transferring to the Boys Ranch or Youth Ranch, this wilderness program presents a unique challenge.

The dependent, neglected and homeless kids assigned here really learn to “rough it” by cooking meals over a campfire, building their own shelters and studying the lore of an authentic wild setting. Tracking animals is just one of many skills they don’t have to learn from books. They can find deer, bear and bobcat tracks right in their own area.

Instead of going to school in a conventional classroom setting, they get their schooling by applying academic skills to everyday experiences. They use math in preparing menus, budgeting, figuring out the food cost-per-person, and working out a balanced diet. They develop writing skills by composing articles for “Trailblazers,” their monthly magazine, and keeping logs of their activities.

Their recreation is also keyed to life in the great outdoors. It includes hiking, canoeing, beach trips, swimming and snorkeling.

Like hardy pioneers, they work to survive — clearing a campsite, cutting poles for shelters, digging a

trench for a waterline.

For kids like Michael Coleman, age 11, this is an adventure in self-discovery. Here is what Michael wrote for “Trailblazers” after a beach trip:

“All of us had a lot of fun, and I wish I could go back again and swim and eat some more. I enjoyed all of our trips. Camp is helping me a lot and I love it and all the Chiefs (staff members) here. They love me and won’t hurt me.

“Now I have a prayer. Dear God, I thank you for all the people here. In Jesus name I pray, Amen. I love you God. I hope you liked my story. I worked hard on it.”

He “Moves in Mysterious Ways”

“I have always had a chip on my shoulder and had the opinion that I was dealt a bad hand in life,” a former Boys Ranch resident told Youth Fund President Harry K. Weaver in a letter, “but the fact is that I was given much more than a lot of people in this world.

“The Lord gave me good health, good intelligence, but for some reason I felt that was not enough. I was

wrong, and I just want all of you good folks to know that I really appreciate the help that all of y’all gave me.

“I hope one day in the near future in some small way I will be able to help some of those boys and girls to realize the opportunity they have, and to realize the great potential each and every one of them has.

Nordberg Villa

The ribbon cutting at Nordberg Villa involved (from left) Sheriff Sheppard; State Senate President Curtis Peterson; Teresa DelVecchio, Villa resident; Ken Cochran, a Girls Villa Group Parent; Sheriff Hardcastle; Lynda Drasier, Villa resident; and Resident Director Godwin.

Girls Villa Grows:

Two New Cottages Increase Capacity to 46

Two new residence cottages were recently completed and occupied at the Florida Sheriffs Girls Villa, increasing the capacity from 26 to 46 girls.

One is called Nordberg Villa in honor of the late Mr. and Mrs. Ralph Nordberg, from Valparaiso, Florida, who were friends and benefactors of the Florida Sheriffs Youth Fund for many years.

The other is called Peace River Villa in recognition of a neighboring stream, and in gratitude for the generous support given to the Girls Villa by citizens of the nearby City of Bartow. This support has included many individual gifts, free medical and dental services, and substantial proceeds from the annual Girls Villa Classic, a golf and tennis tournament.

The new cottages were completed in August, and were formally opened with a dedication program on September 4, 1983.

During the dedication ceremonies, appreciation was expressed to the benefactors by Sarasota County Sheriff Jim Hardcastle, President of the Florida Sheriffs Association; and Harry K. Weaver, President of the Florida Sheriffs Youth Fund.

Veulah Wilson, Vice Chairperson of the Girls Villa Board of Associates, responded on behalf of the citizens of Bartow.

Highlands County Sheriff Joe Sheppard, Chairman of the Florida Sheriffs Youth Fund Board of Directors, served as Master of Ceremonies.

Peace River Villa

At Peace River Villa, the ceremonial ribbon cutting involved (from left) Florida Sheriffs Association President Jim Hardcastle, Sheriff of Sarasota County; Mary Hendrickson, a Villa resident; Florida Sheriffs Youth Fund Board Chairman Joe Sheppard, Sheriff of Highlands County; Rhonda McFetridge, a Villa resident; Lloyd Godwin, Girls Villa Resident Manager; and Veulah Wilson, Vice Chairperson, Girls Villa Board of Associates.

Sherry Brink, Girls Villa resident, delivered an invocation to open the dedication program.

Florida Sheriffs Youth Fund President Harry K. Weaver expressed appreciation for the new facilities.

Polk County Sheriff Louie T. Mims introduced State Senate President Curtis Peterson, who delivered the dedication address.

State Senate President Curtis Peterson delivered a dedication address after he was introduced by Polk County Sheriff Louie T. Mims, a member of the Youth Fund Board of Directors.

Six Villa girls were also involved in the dedication program. Mary Hendrickson, Rhonda McFetridge, Teresa DelVecchio and Lynda Drasler wielded scissors in ribbon cutting ceremonies. Sherry Brink presented the invocation, and Cindy Landry expressed appreciation to the benefactors.

Girls Villa Resident Director Lloyd Godwin introduced special guests; and the Rev. Jimmy Rogers, from Bartow's Main Street Baptist Church, closed the ceremonies with a dedication prayer.

After the formalities were over, Debra Dickler (left) and Cindy Landry celebrated with an orange juice toast.

The Girls Villa residents worked for many days prior to the dedication to get the facilities in tip-top shape.

An open house was held after the dedication to give visitors an opportunity to tour the facilities. Refreshments were served in the new residence buildings.

Senate President Praises Youth Fund For Caring About Future Generations

The people who work for and support the Florida Sheriffs Youth Fund are helping to build a better future for this nation by demonstrating that they care about what happens to future generations.

This is the message State Senate President Curtis Peterson delivered to Youth Fund officials, employees, proteges and guests during ceremonies dedicating two new Girls Villa residence buildings.

He opened his address by focusing attention on the state of the nation. "America is in a sad and a sickened state," he said, quoting from a book he had recently read. "There is great luxury on the part of a few, and great poverty on the part of many. Crime rates are soaring. Violence is common. City streets are unsafe. Free love is espoused. The home seems to be on the verge of collapse. Economic instability haunts the nation, and unemployment rages out of control.

Then he explained that the quotation was from a book written in 1857. "I think we can say that many things have happened since 1857, but we still have an America that alarms us some times," he added.

However, Peterson assured his audience that it is possible to find a brighter outlook. "We have

learned," he said, "that there is no future in this country except for our next generation.

"Church and home must be strengthened to give this next generation a moral base," he continued. "Schools must again become competent, stable, and industrious.

"So I say, whatever's wrong, we have the ability and the knowledge and the leadership and the desire to change for the better.

"Those who work for and support the efforts of the Florida Sheriffs Youth Fund have looked around at the world and have found things that needed tending to. You have learned the great lessons of life by doing your great work. You have learned how to live with each other; how to strengthen the family of the future; how people can grow closer, one to another; and how our great purpose in life is our duty to God and our duty to each other."

President Curtis Peterson

The proper form for a bequest is as follows: I bequeath to the Florida Sheriffs Youth Fund, Inc., Boys Ranch, Florida, 32060 . . .

While former Rancher David Meszaros played the National Anthem on his trumpet during opening ceremonies, the "colors" were presented by members of the Suwannee High School Navy ROTC unit. The color guard contingent included Norman Freestone, from Live Oak, and four Boys Ranch residents: Robert Kaye, Terry McClintock, Richard Eastlack and Cliff Mayo.

After 26 Years: Familiar Formula Produces Another Successful Boys Ranch Anniversary

The formula was familiar:

Take 3,000 people and 438 horses. Add hundreds of tents, motor homes, trailers and campers. Put them in an unspoiled setting of woods and fields on the bonnie banks of the Suwannee River. Stir in sunny days and starry nights.

Toss in flavors distilled from carnivals, family reunions, birthday parties, horse shows, county fairs, picnics and campouts. Season well with southern-style barbecue and chicken pilau. Add western style dance music and loose-jointed cloggers. Sprinkle with prayers and old, familiar hymns.

Stir well; simmer for three days; and whaddaya got? A savory celebration marking the 26th Anniversary of the Florida Sheriffs Boys Ranch.

The big birthday bash began on September 30, with a chicken pilau supper cooked in huge iron pots over wood fires and served to arriving visitors. Then the lights were turned on in the arena for the opening events of a three-day horse show orchestrated by the Clay Mavericks, a Clay County riding club.

The events of Saturday, October 1, included a grand entry parade of riders led by Highlands County Sheriff Joe Sheppard, the Chairman of the Florida Sheriffs Youth Fund Board of Directors; a barbecue served to almost 3,000 on the banks of the Suwannee River; and a presentation of the Carleton F. Tweed Memorial Horsemanship Trophy to Brian Conley, a Boys Ranch resident.

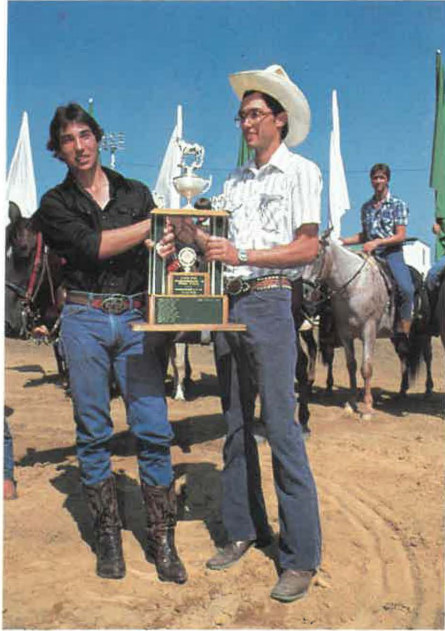

(continued on next page)

Members of the Boys Ranch Alumni Association assisted with the big job of serving Suwannee River barbecue to 2,640 visitors.

Ed Gregory, from Jacksonville, a faithful supporter of the Boys Ranch for 26 years, was one of the many visitors who camped out in tents, trailers and motor homes. He is shown talking to Bill Biebuyck (right), Florida Sheriffs Youth Fund Vice President for Financial Development.

Presentation of the Carleton F. Tweed Memorial Horsemanship Trophy to Brian Conley, a Boys Ranch resident, was one of the highlights of the anniversary celebration. The presentation was made by Assistant Farm Manager Tom Springer (right).

Highlands County Sheriff Joe Sheppard led the grand entry parade. He is the chairman of the Florida Sheriffs Youth Fund Board of Directors.

Hundreds of boys and girls, and men and women from many parts of Florida participated in the horse show.

Held under a heavy blanket of morning mist, the Sunday morning worship service was led by boys from the Boys Ranch, under the direction of the Rev. Warren Thompson, Boys Ranch Chaplain.

(continued from page 11)

Saturday night's diversions included entertainment by the Suwannee River Cloggers, western style dancing to the music of the Pony Express, and more horse show events.

On Sunday morning, October 2, boys from the Boys Ranch led a worship service in the arena, and then the final phase of the horse show got under way.

By mid-afternoon the visitors were packing up and moving out, while weary Boys Ranch staff members were starting clean up operations. The pattern was familiar, and yet unique. It's been said that nothing else, anywhere else, quite compares to these annual Boys Ranch celebrations.

In past years they have been described as an anomalous accretion of authentic Americana, a kaleidoscope of wholesome fun, a potpourri of pastoral pageantry, a pastiche of palpable pleasure, and many other things; but no one has ever come up with a phrase that exactly fits.

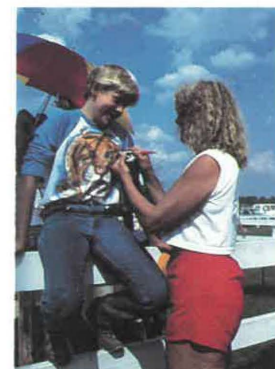

Perhaps no one ever will. However, one thing is certain: Boys Ranch birthday parties are likely to get bigger, but they can't get any better.

Shannon Audette (left) and Amy Blanton, from Fort White, preferred a cuddly puppy to all the horses.

The trophy won by Diane Cortes, of Jacksonville, in the Cloverleaf event, was one of many presented to horse show contestants.

Acquiring a T-shirt painted by artist Jan Babston, from Fort Walton Beach, was the high point of the weekend for Rancher Bo Stone.

NEW ADDRESS?

Americans are on the move, and keeping up with changes of address is a six-aspirin headache. Some of our subscribers (bless them) send us their new addresses. Others let the U.S. Postal Service notify us, and the Postal Service charges us 25 cents for each new address. If you have a new address, please help us to keep our budget in balance by clipping out this form, filling it out and mailing it to:

The Seabees are Back

Off and on for the past four years, U.S. Navy Seabees based in St. Petersburg have been visiting the Youth Ranch to do various chores for free. These are reservists who work full time on weekdays — mostly at various construction trades — and “Go Navy” on weekends.

Visiting us is one of their community service projects, and we welcome them with open arms because when they visit they bring their tools and wear work-fatigues.

One weekend they worked on the electrical system. On other weekends they built a fence, repaired

our plumbing, cleared six acres for a horse pasture, then built a bridge across Bishop’s Creek to give us access to the pasture.

These hard working guys from the Navy’s 14th Mobile Construction Battalion have saved us thousands and thousands of dollars, and they are back again. This time they are building a fishing dock for our well-stocked pond.

Maybe we don’t actually snap to attention and salute when we see them coming, but we certainly feel like it. Thanks guys. Just drop around any time, and bring your tools.
