# President's Perspective

**William A. "Bill" Frye, Jr.**  
President  
Florida Sheriffs Youth Ranches, Inc.

**"The greatest glory in living lies not in never falling, but in rising every time we fall."**

**– Ralph Waldo Emerson**

**"T**he cost of doing business" is a term that is often used by others to describe why prices have risen in the world of retail, marketing, advertising and other industries. It is now and will remain a well-used term as one tries to describe the financial situation at any given point in time.

Here at the Youth Ranches, we also at times recognize that there is a cost of doing business. However, our business is not retail but rather re-construction. We take broken, bruised, neglected and even abused children and begin a process of healing and mending within our family homes and communities, camping programs and more. We help children work through their issues while providing them the necessary skills to rise up every time they fall down and never quit, even in the midst of failure!

As the President of the Youth Ranches, I serve with a wonderful group of dedicated individuals including our staff, volunteers and Board of Directors. I remain confident that even as we face uncertainty at times, we will not falter with our mission in taking care of God's children. Of

course, none of this would be possible without the support and generosity of our Sheriffs, friends and donors.

As you read this year's Annual Report, I pray that you will once again recognize our transparency. It is so very important for us to maintain your trust in our ongoing stewardship of the monies and gifts so graciously provided. While there is a cost to our services and, like everywhere, these expenses continue to rise, seeing the changes made within the lives of our children is worth every penny spent!

Thank you for your continued trust and faithfulness as we work together to forever change the lives of children in need.

God Bless,

## Historical Perspective

When two Florida Sheriffs proposed an idea to establish a Ranch to help care for troubled boys, they never imagined the result of their simple dream. They saw a need in their communities to give wayward boys a home—someplace where they could learn to be productive citizens.

The original intention was simple. Give these boys a home where they could grow up safe and cared for while working through daily problems. The goal was to stop the spread of juvenile delinquency and keep children out of jail.

Over time, the Florida Sheriffs Boys Ranch continued to grow. Multiple residential campuses were opened throughout the state, serving boys, girls and sibling groups. In 1981, a summer camp program started on the Boys Ranch campus in tents and grew into three residential summer camps and the award-winning Harmony in the Streets mobile camp program.

Today, after 64 years, the Florida Sheriffs Youth Ranches is a statewide network of residential campuses, youth camping programs and community-based services. Beginning with a mere \$5,000 and 160 acres of donated land along the Suwannee River, the Florida Sheriffs Youth Ranches has now served over 172,000 boys, girls and their families.

Every year, hundreds of children turn to the Youth Ranches for assistance. We look forward to helping each one of them meet their personal goals and become lawful, resilient and productive citizens. With the support of generous donors, volunteers and staff, we will continue to fulfill this commitment to the needy and deserving children of Florida.

► Standing on the banks of the majestic Suwannee River, Sheriffs and citizens from Live Oak consider this site for the Florida Sheriffs Boys Ranch. As this photo was about to be taken, Florida Sheriffs Bureau Director Don McLeod climbed onto the willow tree limb, inadvertently portraying the Sheriffs of Florida "going out on a limb" to provide a home for dependent, neglected and disadvantaged boys.

## 2020-2021 Milestones

- ★ Remodeled two cottages at Boys Ranch
- ★ Donald Ralph Cooke School became a private school
- ★ Broke ground on Camp Sorensen junior Olympic pool
- ★ Completed deputy cabins at Youth Camp
- ★ Transferred largest-ever gift from Sheriffs Ranches Enterprises

► Okaloosa County Deputies Colby (left) and Chris stop for a photo with two campers at Camp Sorensen. These deputies were a big help in getting the boys excited about and involved with different activities at camp, including canoeing. Our Law Enforcement volunteers help us show campers that "Law Enforcement Officers Are Your Friends!"

## Key Points

The Florida Sheriffs Youth Ranches (FSYR) must be responsible to the donors who fund our charitable work with the children and families of Florida. We must earn your trust each and every day. Our credibility rests on a foundation of honesty, accountability, integrity and high-quality service to the children and families of Florida.

- FSYR has once again earned the highest audit rating, known as an unmodified opinion, from the external audit firm of Batts Morrison Wales & Lee.
- FSYR is in a strong financial position with *no* debt.
- FSYR was the first organization in the state to be issued a Charitable Gift Annuity permit in 1974, and we maintain reserves in this fund equal to, or exceeding, state standards.
- FSYR is very conservative in the management of expenses. No portion of our direct mail appeals, donor correspondence or publications is considered an “educational or program-related” expense.

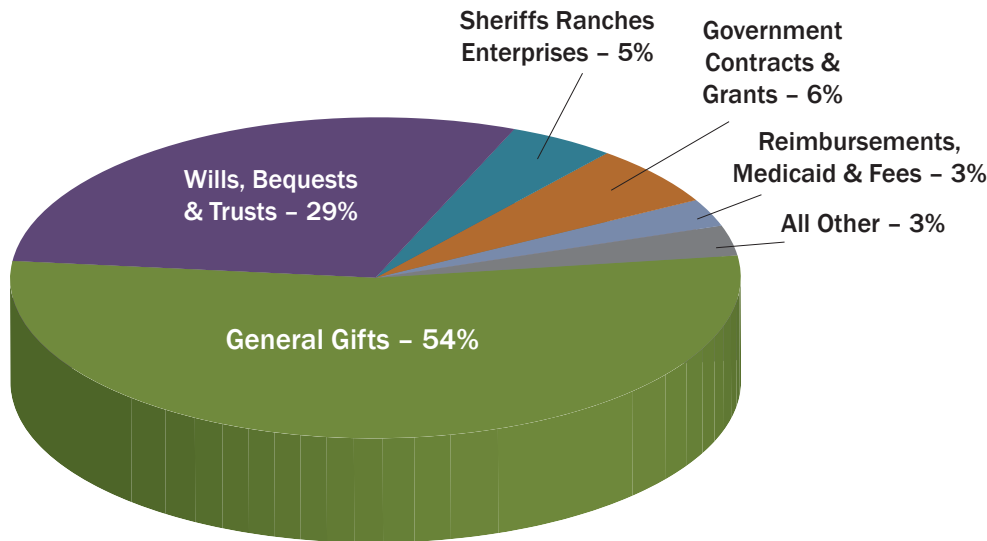

Furthermore, we do not hire professional fund-raising companies, *nor do we conduct any telephone solicitations.*

## Programs & Services

### **Residential Care**

Our trained and devoted staff is well-equipped to nurture needy, neglected boys and girls and provide a warm sense of security, guidance and tenderness. Youth are cared for by cottage parents who help each boy and girl develop a strong work ethic and a sense of responsibility, teamwork and respect.

### **Referral Services**

Serving the 67 counties of Florida, we work with the families of children in our care. Our therapists are available to assist parents as necessary, offering supportive and referral services to the families of Florida.

### **Camping Services**

**Harmony in the Streets®** is a mobile camping program that brings the four “R’s” directly into local communities that may be socially and/or economically challenged. Our staff and Law Enforcement volunteers teach children to Respect Themselves, Respect Others, Respect Authority and Respect the Environment.

**Harmony in the Schools** is much like our Harmony in the Streets mobile camping program in that it brings leadership, cultural understanding and team-building skills directly into the schools. It encourages building relationships between students and peers as well as with school staff.

**Summer Resident Camp** includes many therapeutic camping activities. Canoeing, archery, swimming, arts and crafts and other activities allow deserving boys and girls the opportunity to build basic teamwork and peer communication skills. The youth also spend a week enjoying the beautiful, tranquil outdoor environment.

# Programs & Services

**Residential Leadership Programs** are hosted at camp and led in conjunction with community partners. This sometimes includes JROTC, ROTC and other leadership groups that work with us to guide young people through challenging activities to help them grow their leadership skills.

**Summer Day Camp** consists of a variety of camping activities. These day camps are held on campus at the Youth Ranches around the state. Each one has special components, and whether it features a challenge course, horseback riding and horsemanship skills or a focus on aquatics, each Youth Ranch is a valuable resource to the community.

## A Note Regarding COVID-19's Effect

As you review the total number of youth served in our residential and camping programs in 2020-2021, please keep in mind the incredible impact COVID-19 had on the Florida Sheriffs Youth Ranches.

In order to run summer camp in a safe and healthy way, we reduced our numbers and offered fewer sessions, yet were able to provide hundreds of needy children the opportunity to enjoy a fun and educational camp experience.

COVID-19 also had an impact on our residential campuses. New placements to our program were restricted because of the spike in cases in Florida, and many activities were canceled to keep our children and staff safe.

We ask that you remember these important factors when reviewing our program numbers from the 2020-2021 fiscal year.
