**Spring Don't Mean A Thing
If You Ain't Got That Swing**

Baseball is the thing when the Florida Sheriffs Boys Ranch swings into Spring. In this case it's slow-pitch softball, with Grady Crunkelton at bat; Willie Sturks behind the plate; and Joe Macera, Supervisor of Recreation, calling the balls and strikes. (Photo by Jim Mason)

The new Youth Ranch Administration Building is a gift from Miss Nancy Pilcher, of Clearwater, and her brother, the late Elmer Ellsworth "Dick" Pilcher. She is pictured on the speaker's platform with Pinellas County Sheriff Bill Roberts (left), who gave an address of welcome; and former Pinellas County Sheriff Don Genung, who was the Master of Ceremonies. Genung is currently Vice President for Planned Giving with the Florida Sheriffs Youth Fund.

YOUTH RANCH DEDICATED

Marion County Sheriff Don Moreland, Chairman of the Florida Sheriffs Youth Fund Board of Directors, expressed appreciation for gifts received by the Youth Ranch.

"Miracles do happen," Harry Weaver told a crowd of visitors attending dedication rites at the Florida Sheriffs Youth Ranch, near Clearwater, October 29, 1978.

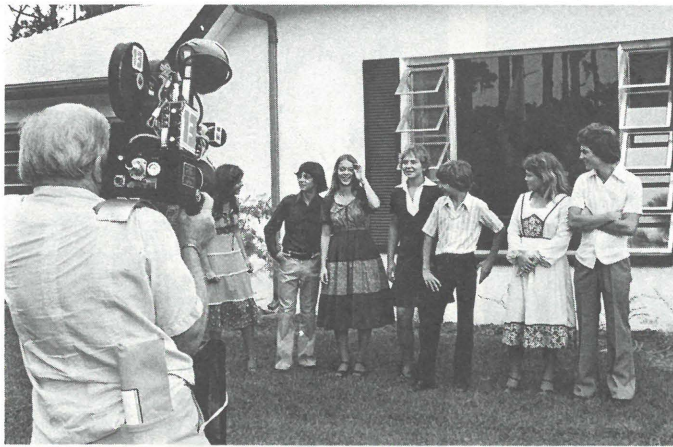

Weaver, who is President of the Florida Sheriffs Youth Fund, parent agency of the Youth Ranch, went on to describe how the Youth Ranch had miraculously evolved from a chance remark he made to Mr. and Mrs. D. A. Salls in June, 1975.

He said he visited Mr. and Mrs. Salls to discuss some Charolais cattle they had offered to donate to the Florida Sheriffs Boys Ranch, and the conversation shifted to the Salls' large home, which they said was "too much house" for them and a problem to keep up.

Weaver said he suggested that the home could easily be converted into a group child care facility, and within a matter of months the Salls had not only donated a herd of 53 registered Charolais cattle to the Boys Ranch, but had also decided to give their home and 5½ acres of surrounding property to the Florida Sheriffs Youth Fund to be used for child care purposes. The Salls' home was subsequently remodeled to accommodate ten children and their group parents.

"And now, two years later," said Weaver, "we are officially opening the Florida Sheriffs Youth Ranch and dedicating the Dorman and Catherine Salls Cottage."

Turning to Mr. and Mrs. Salls, who were guests of honor

Residents of the Youth Ranch made their television debut when they were filmed by Channel 13 News.

The famous Largo High School Band of Gold presented musical selections during the dedication rites.

Visitors toured the Dorman and Catherine Salls Cottage, first residential unit.

A Lifetime Honorary Membership in the Florida Sheriffs Association was presented to Don and Florence Genung in appreciation for their gifts to the Youth Fund, Boys Ranch, Girls Villa and Youth Ranch. However, because Don has received a great amount of media exposure over the past 22 years, Youth Fund officials asked him to let Florence have all of the limelight.

on the speakers' platform, he added, "Your kindness and generosity will live forever in the lives of thousands of deserving youngsters who will walk through these doors and on this campus. Thank you for coming our way and being a part of our latest in a series of God's miracles. And now, with the authority vested in me, we officially open the Florida Sheriffs Youth Ranch, and dedicate the Dorman and Catherine Salls Cottage to the glory of God, and in recognition of the Salls' compassion and concern for children."

Special recognition was also given to Miss Nancy Pilcher, of Clearwater. The Youth Ranch administration building, which was then under construction, is a gift from her and her brother, the late Elmer Ellsworth "Dick" Pilcher.

The Youth Ranch is a home for dependent, neglected and homeless boys and girls. It gives a new dimension to the child care work of the Florida Sheriffs Youth Fund by bringing together under one roof brothers and sisters who otherwise would have been living some 200 miles apart at the Florida Sheriffs Boys Ranch, near Live Oak, and the Florida Sheriffs Girls Villa, near Bartow.

It is situated on approximately 27 acres of land (adjoining property was purchased and added to the Salls' gift of 5½ acres), and will eventually have an enrollment of 30 youngsters.

When fully developed, it will have three residence cottages, an administration building, a small warehouse,

stables for horses, and an activities building which will house a small chapel, an educational center, and facilities for indoor recreation.

Weaver said nearly 700 children have been given a helping hand since the sponsoring Florida Sheriffs Association got into the group child care business 20 years ago.

He said the Florida Sheriffs Youth Fund, which includes the Boys Ranch, Girls Villa, and Youth Ranch, now has assets of approximately \$12 million, without direct state or federal aid.

These figures were offered to contradict "those who say miracles do not happen," Weaver added.

Youth Ranch Benefactor Dies

We regret to report that Mr. D. A. Salls died suddenly at his home, near the Youth Ranch, March 13, 1979. He was 80 years old, having been born in Cambridge, Vermont, March 31, 1898.

The Rev. Clark Edwards, uncle of the infant, administered the baptismal rites. Also pictured are (from left) Wally Edwards, Mr. and Mrs. Duane DeRosia, and Mrs. Edwards.

The cake served at the reception was baked by Mrs. Jim Brettingen and decorated by Mrs. John Schmutz. They are long-time Boys Ranch staff members.

Baptism was another first

Wally Edwards, who was enrolled at the Boys Ranch shortly after it opened for business in 1959, has many "firsts" to his credit. He was the first Rancher to graduate from high school, the first to graduate from junior college, and the first to be married in the Boys Ranch Chapel.

On December 2, 1978, he added another "first" when his infant son, Clinton Wade Edwards, became the first child of a Boys Ranch alumnus to be baptized in the Boys Ranch Chapel.

The sacrament was administered by Wally's brother, the Rev. Clark Edwards, who lives at Cherry Lake, Florida, and is a circuit-riding Methodist minister. The Godparents were Mr. and Mrs. Duane DeRosia, from Lakeland. Mr. DeRosia, an entertainer whose professional name is Duane Dee, sang and accompanied himself on the guitar at the end of the ceremony.

Following the baptism, a reception was held at the Boys Ranch Administration Building conference room for family and friends.

Clinton Wade, who was born October 29, 1978, dozed peacefully through most of the afternoon. He and his parents live at Lakeland, where Wally is in the Security and Private Investigations business.

Wally and Joyce Edwards with "Clint."

Don Genung is moving – but not very far

The Youth Fund Branch Office in Belleair Bluffs (Pinellas County) will be closing on April 25 and relocating at the Youth Ranch near Clearwater. Vice President for Planned Giving, Don Genung, and his staff will occupy offices in the brand new Youth Ranch Administration and Reception Building provided by Miss Nancy Pilcher of

Clearwater and her late brother, Elmer Ellsworth (Dick) Pilcher.

The Youth Ranch is located just east of the intersection of County Road 102 and the McMullen Booth Road. The mailing address is 3180 County Road 102, Clearwater, Florida, 33519, and the telephone number is (813) 726-9121.

We sure miss Irene

Irene Schmutz doesn't live here any more, and we are sure going to miss her.

She worked here 17 years as a cottage parent, librarian, secretary and executive secretary before she retired in January, and she did an outstanding job all the way through — but that's not the main reason she's going to be missed.

We're going to miss her because of all the good and thoughtful and loving things she did off the job — things for which she never got paid, except with a smile, a hug, or maybe a treasured letter of thanks.

How about all those cakes she baked and decorated? Birthday cakes, wedding cakes, going away cakes — even a baptismal cake to celebrate the baptism of a former Rancher's child — and all of them very special because of a two-year correspondence course in cake decorating she took in her spare time.

Flower arranging was another skill she acquired through a learn-by-mail course, and her floral arrangements brightened up many special occasions. She also made professional looking corsages for Ranchers to give to their dates at prom time.

When an amateur radio club was organized at the Ranch, she and her husband, John, became deeply involved — so deeply in Irene's case that she signed up for a correspondence course offered by the National Radio Institute. She eventually qualified for an advanced ham operator's course, and built a short-wave radio transmitter.

Irene actually had no spare time. She gave it all away, and a big chunk of it went to the Boys Ranch Alumni Association. She was the first secretary of the Association, and kept in touch with former Ranchers by letter and phone. She also put in many hours helping to fix up the alumni headquarters building at the Ranch.

Irene and John came to the Boys Ranch in 1962 from the Glenview School for Boys, in Cincinnati, Ohio, where they had been employed as cottage parents.

They worked as cottage parents at the Boys Ranch until 1966, and had 16 boys living in the cottage with them in addition to their daughter, Jeanne. Jerry Willard, one of the boys in the cottage, later married Jeanne, and Irene looks back upon this as one of the best things that happened during her 17 years at the Ranch.

The worst thing, she said, was when Rancher Mike Williams, a boy who loved the outdoors, was lost in the nearby woods overnight.

Her proudest moments came when one of her boys, Rancher Wally Edwards, became the first Rancher to graduate from high school, first to graduate from junior college, first to get married in the Ranch chapel, and first to have a child baptized in the chapel.

In 1966 Irene became the Ranch librarian and set up a professional system of cataloging for over 10,000 books; while John became a relief cottage parent, warehouseman and shop instructor.

Harry Weaver, President of the Florida Sheriffs Youth Fund, with Mrs. Irene Schmutz (center) and Mrs. Patty Bues, who has succeeded Mrs. Schmutz as his executive secretary. Mrs. Bues is also a long time employee of the Boys Ranch.

In 1969 she became secretary to Harry Weaver, who was then Executive Director of the Boys Ranch and Girls Villa, and later became President of the Florida Sheriffs Youth Fund. In 1970 she was promoted to Executive Secretary, and she was holding that position at the time of her retirement.

To say that she has retired, is not entirely correct. She has retired from her Youth Fund position, and has moved to Jacksonville to join her husband, John, who retired last year, but she is not going to stop working. Neither is he.

During part of her last two years at the Boys Ranch she was enrolled in a night course at Florida Junior College, which required her to make a 200 mile round-trip to Jacksonville once a week (in her spare time), and which will qualify her as a Certified Professional Secretary.

She plans to utilize these new credentials working as a secretary, while John devotes his time to a traveling puppet show which will be available for performances at birthday parties and other special occasions.

If she has any spare time, John plans to put her to work baking and decorating cakes for the birthday parties he is hired to entertain.

Alumni Reunion set for May 19-20

The annual reunion of the Boys Ranch Alumni Association will be held at the Ranch May 19 and 20, and in order to make the reunion more informal and less expensive, the usual banquet has been eliminated.

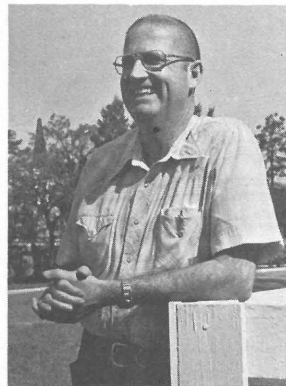

Camping sites will also be made available at the Boys Ranch for those who want to avoid the expense of a motel room. Non-campers will stay at the Stephen Foster Motel, located at Interstate 75 and Route 136.

The program for May 19 will include registration of alumni and guests; an Alumni Association business meeting, including election of officers; a noon cookout at the Ranch arena; competitive sports events involving Ranchers and former Ranchers; an evening cookout at the arena; and a disco party at the Hamilton County Country Club.

A service in the Boys Ranch chapel on Sunday morning, May 20, will be the final event.

President's Perspective

A message from
Harry K. Weaver, President
of the Florida Sheriffs
Youth Fund.

As these words are being written, there are 15 boys and girls in need of help and on our approved waiting list, waiting to be admitted to the Boys Ranch, Girls Villa or Youth Ranch. These are not just applicants in the process (we have 138 of those), but youngsters whose background studies have been completed and whose need for residential group care has been verified. They have already been accepted for admission. The only obstacle is living space. They must wait for other children to leave our programs before they can come in.

We don't want to give the impression that these children are lacking attention while they wait to be admitted to one of our programs. Our community family workers are in the field counseling and helping the youngsters and their families as much as possible. It just hurts us to have them waiting when we know we could help them more in the residential setting.

It points up a need that we have mentioned before and one that we will be emphasizing again and again in the weeks and months to come . . . We need additional residential facilities at the Boys Ranch, Girls Villa and Youth Ranch.

We have already made a start. Bids have been let for a new cottage at the Youth Ranch, and our architect is working on the design for another one at the Boys Ranch. When completed, these will help the situation, but our goal is to add a total of six new residences — two each at the Boys Ranch and Youth Ranch and two villas at the Girls Villa. They would increase our capacity for residential care, by 72, to a total capacity of nearly 200 boys and girls.

You, our friends and supporters, know that we are talking not about numbers but about young lives — young minds and bodies that will be shaping the future for others when our time has passed. As our society becomes ever more complex, the number of troubled, misplaced, neglected and rejected children increases. We care about these children, and so do you.

We will be asking for your prayers and support as we continue to expand our facilities and programs to care for more children. We must raise funds to build the needed cottages and villas, and we will need additional funds to operate and maintain them after they have been built.

Nothing worthwhile ever comes easy, and this project is eminently worthwhile. We will all have to work at it, but our caring and sharing will make it happen.

FLORIDA SHERIFFS YOUTH FUND IS...

A charitable, non-profit corporation, sponsored by the Florida Sheriffs Association, to manage and operate the Boys Ranch, the Girls Villa, the Youth Ranch, and any other youth programs that may later be developed by the Florida Sheriffs Association. One of the most important functions of the Youth Fund is the raising, receiving, budgeting and disbursing of funds for its programs. Gifts and bequests can be made to the Youth Fund for the exclusive benefit of any single youth program, such as the Boys Ranch, Girls Villa, or Youth Ranch. They can also be made to the Youth Fund, without restriction, to be distributed among existing programs where they are most needed or to be used for the development of new programs at the discretion of the Governing Board.

NEW ADDRESS?

Americans are on the move, and keeping up with changes of address is a six-aspirin headache. Some of our subscribers (bless them) send us their new addresses. Others let the U. S. The proper designation of legatee is as follows:

FLORIDA SHERIFFS YOUTH FUND, INC.

Former Rancher Bill Espey (left) and Girls Villa Resident Manager Lloyd Godwin painting each other, and a fence.

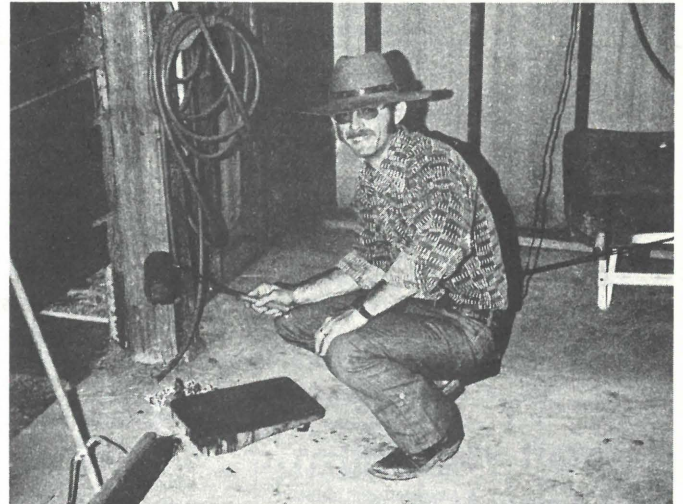

Lloyd Tuck, from Bartow, finishes outline before painting a horse on the barn wall.

Villa barn painted by former Ranchers

When members of the Florida Sheriffs Boys Ranch Alumni Association Board of Directors held a meeting at the Girls Villa, March 10, they brought along old clothes so they could spend part of the day painting and repairing the horse barn at the Villa. Friends from Bartow and Lakeland and members of the Villa staff also pitched in. The workers were served a lunch prepared by Villa staff members.
